**Re: Puget Sound Energy 2017 General Rate Case
Docket Nos. UE-170033 and UG-170034**

Dear Mr. King:

At the request of Judge Pearson, Puget Sound Energy (“PSE”) is supplementing the errata filing made on January 27, 2017, in which PSE filed replacement pages for pages 25 and 28 of the Prefiled Direct Testimony of David E. Mills, Exhibit No. ___(DEM-1T). To supplement the replacement pages filed on January 27, 2017, PSE is now providing:

- a full electronic version, (PDF and Word) of the Revised Prefiled Direct Testimony of David E. Mills, Exhibit No. ___(DEM-1T), containing revised pages 25 and 28; and
- an original and 12 copies of the Revised Prefiled Direct Testimony of David E. Mills, Exhibit No. ___(DEM-1T), containing revised pages 25 and 28, as requested by the Records Center.

As noted in PSE’s January 27, 2017 cover letter, PSE discovered minor nonsubstantive errors in the testimony originally filed on January 13, 2017, and pursuant to WAC 480-07-460(1)(b)(iii) has submitted the errata pages and revised testimony to correct the errors.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

Sheree Strom Carson
