Re: Continuing Costing and Pricing Proceeding, Docket No. UT-003013

Dear Ms. Washburn:

The Commission issued a Notice of Part D Prehearing Conference in the above-referenced docket on July 24, 2001, which scheduled that prehearing conference on August 15, 2001. That date, however, conflicts with multi-state hearings in Denver, Colorado, on Qwest's Performance Assurance Plan, participation in which the Commission ordered in its Twelfth Supplemental Order in Docket Nos. UT-003022 and UT-003040. Those hearings currently are scheduled to be conducted during the entire week of August 13-17. AT&T and XO, therefore, request that the Part D prehearing conference be rescheduled for the following week, specifically August 20, 21, or 22.

Please contact me if you have any questions about this request.

Very truly yours,

Davis Wright Tremaine LLP
