

Honorable Judge Caille,

Attached are two subpoenas ducas tecum served on me by Mr. Steve Johnson on August 15, 2005. I would like to have a conference with all the parties to discuss why I don't think these persons are required to comply with the document production demands of these subpoenas since the period for discovery has passed. Mr. Johnson is not willing to withdraw these documents. Would you prefer to have this heard at our scheduled prehearing conference on August 23 or at some other time?

Sincerely,

Greg W. Haffner
