Dear Mr. Danner:

Staff herewith reports that Maria Lindberg has complied, thus far, with the settlement she entered into with Staff, which was filed in the above-referenced docket on August 10, 2011. Under the settlement she was obligated to file a general rate case by September 15, 2011, that complied with WAC 480-07-530, and to continue to report well-head and customer water usage data to the Commission on a monthly basis.

Furthermore, the Commission has continued to receive submissions of monthly well-head and customer water usage data from Cristalina.

Sincerely,
