Judge Friedlander,

Staff's recommendation regarding the fuel surcharge has not changed . Staff recommends the Commission allow the special fuel surcharge supplement as filed today to become effective May1, 2014.

I left a voice mail with Mr. Wiley about the completing the filing with the Records Center.

Mr. Smith, has Staff's recommendation regarding the fuel surcharge changed at all with this revised filing?

Judge Friedlander: Here is the copy of the revised fuel surcharge apparently filed this morning with the Records Center by the Company's outside accountants with conforming chronology. I understand that Ms. Spencer has worked with staff, specifically Mike Young this morning, to resolve hopefully all issues raised in the initial filing last week.

Thank You,

Dave Wiley.
