RE: Docket UT-061625: Notice of Tariff Changes for Services Treated as Competitively Classified

Dear Ms. Washburn:

This Transmittal is related to Transmittal No. 3635T (as modified on November 26, 2007), a filing to move services that will be treated as competitively classified services from its WN U-40 Exchange and Network Services Tariff to the Exchange and Network Services Catalog posted on Qwest's web site, and to withdraw in their entirety Qwest's WN U-39 Advanced Communications Service Tariff and WN U-41 Private Line Transport Services Tariff, with all services from both of these tariffs moving to catalogs posted on Qwest's web site. In this Transmittal, at Commission Staff's request, Qwest Corporation is providing for informational purposes only replacement pages for changes to the three catalogs to which services are moving.

If you have questions concerning this filing, please contact Mark Reynolds on (360) 345-1568.

Sincerely,

Mark Reynolds
