**ERRATA TO THE MULTIPARTY SETTLEMENT AMONG THE JOINT CLECS,

REVISED JANUARY 11, 2010**

Pursuant to WAC 480-07-460, this Errata is filed on behalf of Frontier Communications Corporation, Verizon Communications, Inc., XO Communications Services, Inc., Integra Telecom of Washington, Inc. (on behalf of itself and its affiliates Eschelon Telecom of Washington, Inc., Electric Lightwave, LLC, Advanced Telecom, Inc., and UNICOM), tw telecom of washington, llc, Covad Communications Company, and PAETEC Communications, Inc. (on behalf of its subsidiary McLeodUSA Telecommunications Services, Inc.) (“Joint CLECs”) and 360networks (USA), inc. (collectively, the “Settling Parties”). The Settling Parties recently discovered an omission in Paragraph 10 of Attachment 1 to their Multiparty Settlement, which has been previously filed with the Commission and labeled for identification as Exhibit No. ___ (DM/TM/DD-2 Page 6). Paragraph 10 should have included a reference to wire centers in Washington as well as Oregon. As corrected, Paragraph 10 of Attachment 1 to the Multiparty Settlement should read:

10. For one year following the Closing Date, Frontier Northwest will not seek to reclassify as “non-impaired” any wire centers in Oregon or Washington for purposes of Section 251 of the Communications Act, nor will Frontier Northwest

file any new petition under Section 10 of the Communications Act seeking forbearance from any Section 251 or dominant carrier regulation in any wire center in Oregon or Washington.

Respectfully submitted this 11thth day of January, 2010.
