IV. If the Commission should grant this Petition to Intervene, FEA waives service of process by means of personal delivery, United States mail, and parcel delivery service pursuant to WAC 480-07-150 (5) for all paper documents that are available in complete form by electronic means, provided that such documents are delivered electronically to the e-mail addresses set forth in Paragraphs II and III of this Petition.

V. FEA maintains military installations and civilian activities within the State of Washington that receive electric service from Puget Sound Energy (PSE). As a large user of electric service provided by PSE, FEA has a significant interest in this proceeding and would be substantially affected by its outcome. No other party can adequately represent FEA's interests. FEA's participation can assist in the development of a sound record and is not expected to unduly broaden the issues or delay the proceeding.

VI. FEA wishes to reserve the ability to submit written testimony and exhibits. FEA anticipates it will cross-examine witnesses called by other parties and submit written arguments and/or motions.

WHEREFORE, the FEDERAL EXECUTIVE AGENCIES seek leave to

intervene and to be treated as a party to this proceeding.

Respectfully submitted,

/s/ Rita Liotta
