RECORDED
05 MAY -5 PM 1:59
OFFICE OF THE
CLERK OF THE
COMMISSION

Pursuant to RCW 80.28.050 and 80.28.060 and the Commission's Rules and Regulations, PacifiCorp dba Pacific Power & Light Company ("PacifiCorp" or "the Company") transmits herewith for filing and approval by the Commission three copies of proposed new tariff sheets applicable to electric service supplied by the Company in the state of Washington to become effective on June 5, 2005. In accordance with WAC 480-07-510(2), these copies are provided in legislative format.

Also enclosed pursuant to WAC 480-07-510(1) are twelve (12) paper copies of all testimony and exhibits that the Company intends to present as its direct case if the filing is suspended and a hearing held. One copy of the testimony and exhibits in electronic format is also included. Please note that certain of the exhibits are marked as "confidential" and are provided in accordance with the requirements of WAC 480-07-160(3). These exhibits contain commercially sensitive information regarding the resource acquisition process, the disclosure of which could disadvantage the Company and its customers in the negotiation of future resource acquisitions.

As required by WAC 480-07-510(7), also enclosed are one copy of each of the following: the Company's most recent annual report to shareholders; the Company's most recent FERC Form 1; and Form 10Ks, Form 10Qs, prospectuses for any issuances of securities, and quarterly reports to shareholders (if any) for the most recent two years prior to the filing date.

By the enclosed tariff sheets, PacifiCorp requests an increase in revenues from Washington operations resulting in an overall price change of 17.9% or \$39.2 million. The proposed new tariff sheets are contained in Exhibit No. __ (WRG-2) accompanying this filing. The filing is based upon a test period consisting of the twelve months ended September 30, 2004.

The Company agrees that upon suspension of its tariff filing, it will provide notice pursuant to WAC 480-100-197. Accordingly, the notice provisions of WAC 480-100-194 are not required for this filing. Attached as Attachment A is a listing of the tariff sheets proposed to be revised.
