

Judge Wallis et al - - I didn't see a response to Public Counsel's November 6 request. Judge Wallis, I would appreciate a status report at your convenience. Thank you in advance. Nancy

>Thank you for your response your honor. We would support the adoption

>of a briefing outline prior to the hearing, however, Public Counsel

>would recommend post-hearing rather than pre-hearing briefs, given that

>request that briefs be due no sooner than one week after hearing, on
