

Exhibit 1 Supplement 2

2021 Measure Counts Highlights by Program and Fuel Type

- All figures are intended to provide a perspective of scale and program scope; most are rounded. They aren't intended to be a precise measure count.
- Key counts below may represent either customers, projects, dwellings, or measures reported.
- Since it isn't possible to provide a representation of every measure, selected representative measures are indicated. PSE provides more comprehensive measures counts in the Annual Report program discussions.
- It is important to note that "Dwelling units receiving measures" figures represent homes, apartments, condominiums, mobile homes, etc. that reported *some* energy efficiency measure.
- In some cases "measure count" only represents the measure name, rather than each individual measure installed. For instance, "LED lamp" in Commercial Lighting may represent a single lamp or 100 of the same lamp.

Schedule	Programs	Electric		Gas		Projects with Both Electric & Gas Measures	
		Key Measure Type	Units	Key Measure Type	Units	Key Measure Type	Units
						(Excluded from the electric-only or gas-only counts)	
E/G 201	Low Income Weatherization	Measures	1,175	Measures	312	Measures	218
E/G 214	Single Family Existing	Number of efficiency measures					
	Residential EE Lighting Rebate	Fixtures and Lamps	13,314	(Excludes Thank You kits. Other Channels also install LED lamps. Those details are presented in each program discussion.)			
	Space Heat	Air-Source Heat Pumps	2,180	Furnaces	4,230		
	Water Heat	Ductless Heat Pumps	4,670	Water Heater	1,360		
	Home Appliances	Heat Pump Water Heaters	990				
		Clothes Washers	3,620				
		Clothes Dryers	5,130	Clothes Dryers	4,150		
	Controls	Smart Thermostats	6,680				
	Showerheads	Electric showerheads and Thermost restrictor Valves	470	Natural gas showerheads and Thermost restrictor Valves	350	Dual Fuel Showerheads and Thermost restrictor Valves	1,420
	Weatherization (Homes heated with:)	Electricity, square feet of air sealing:	555,780 sf	Natural gas, square feet of air sealing	2,187,390 sf		
		Electricity, square feet of windows:	241,810 sf	Natural gas square feet of windows	24,870 sf		
	Home Energy Reports	Customers receiving reports	251,990	Customers receiving reports	150,290		
E/G 217	Multi Family Retrofit	Dwelling units receiving electric measures	17,7925: 184 projects	Dwelling units receiving gas measures	291: 14 projects	Dwelling units receiving both gas and electric measures	0: 0 projects
E/G 218	Multi Family New Construction	Dwelling units receiving electric measures	481: 8 projects	Dwelling units receiving gas measures	268: 2 projects	Dwelling units receiving both gas and electric measures	951: 5 projects
