*Qwest's Revised Washington Rural Broadband Service Expansion Plan - Clarification*

Dear Ms. Washburn,

On November 26, 2007, Qwest filed for Commission approval its *Revised Washington Rural Broadband Service Expansion Plan* ("Plan"). In the Plan's Reporting Commitments, on page 3, and Summary, on page 4, Qwest describes the annual report filings to the Commission that will occur with the plan. Qwest would like to clarify that the two annual reports that are referenced in the Summary will each be submitted September 1<sup>st</sup> of each year of the AFOR in accordance with the Implementation Plan adopted in Order No. 11. This means that these annual reports will be filed on September 1, 2008, September 1, 2009, September 1, 2010, and September 1, 2011.

Sincerely,

Mark S. Reynolds
