Subject: Colstrip Coal Plant Closure
Date: Thursday, February 22, 2018 7:37:30 AM

I would like to see Colstrip closed by 2025 and NOT replaced with fossil fuel energy sources such as fracked gas. PSE needs to act responsibly, get serious about global warming and think renewable energy. My own electrical utility, Mason County PUD No. 3, is doing it with 97% renewables. If they can do it, PSE can too. Thank you,
