RE: Electric Tariff Filing - Advice No. 2005-20
Replacement Sheet in Compliance Filing – Filed Electronically (Hard Copy to Follow)

Dear Ms. Washburn;

Enclosed please find a tariff sheet to replace a tariff sheet filed on March 2, 2005. That filing was made under our Advice No. 2005-19 in compliance with the Commission's Order No. 07: Granting In Part And Denying In Part Motions For Clarification; Denying Petition For Reconsideration issued March 1, 2005 ("Order No. 07") when considered together with the Commission's Order No. 06: Final Order Rejecting Tariff Sheets; Authorizing and Requiring Compliance Filing; Requiring Subsequent Filing issued February 18, 2005 in Docket Nos. UG-040640, UE-040641, UE-031471, UE-032043 (Consolidated) ("Order No. 06"). The revised tariff sheet is:

WN U-60, Tariff G - (Electric Tariff):

25 th Revision	Sheet No. 7	Residential Service
---------------------------	-------------	---------------------

The purpose of this filing is to provide a replacement tariff sheet for Schedule 7 that incorporates the proper block rate structure as reflected in Order No. 06. This change has been discussed with and agreed upon with Commission staff. The work papers included with the March 2, 2005 filing that demonstrated the derivation of the rates in Schedule 7 reflected the proper block rate structure so this filing does not change the rates in Schedule 7.

The enclosed tariff sheet reflects an issue date of March 7, 2005, and an effective date of March 8, 2005 as a tariff change that does not affect the public is allowed to take place with one day's notice in accordance with WAC 480-80-123. The enclosed tariff sheet is noted as issued by authority of the Washington Utilities and Transportation Commission in Docket Nos. UG-040640, UE-040641, UE-031471, UE-032043 (Consolidated)

If you have any questions regarding this replacement please contact Lynn Logen at (425) 462-3872. If you have other questions I can be reached at (425) 456-2797.

Very truly yours,

Karl R. Karzmar
