**NOTICE AMENDING COMPLIANCE FILING**

RE: *Washington Utilities and Transportation Commission v. Harold LeMay Enterprises, Inc., d/b/a Rural Garbage Service*, Docket TG-091774

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) entered its Order 05 Final Order Approving and Adopting Settlement Stipulation in this docket on October 14, 2010. The order authorized and required the Company to make a compliance filing as necessary to effectuate the terms of Order 05, and authorized the Commission Secretary to accept by letter, with copies to all parties to this proceeding, a filing that complies with the requirements of the Final Order.

On October 18, 2010, Harold LeMay Enterprises, Inc., d/b/a Rural Garbage Service (Rural Garbage) filed tariff sheets as specified in Order 05.

On October 29, 2010, the Commission issued a compliance letter with a list of the tariff sheets as an attachment. The Commission examined the filing and found it to comply with the terms of the order, subject to certain revisions, as discussed below.

On November 2, 2010, Rural Garbage filed, per Staff's instructions, a corrected check sheet identified as 4<sup>th</sup> revised rather than 3<sup>rd</sup> revised. Further Item 207, page number 28, and Item 230, page number 30 were erroneously omitted from the October 18 filing. The Commission has examined the updated check sheet, page numbers 28, and 30, and finds they comply with the terms of the Order.

Therefore, pursuant to the terms of the Order, the tariff sheets identified in the preceding paragraph will become effective as filed.

Sincerely,

DAVID W. DANNER  
Executive Director and Secretary
