On July 17, 1992, the Building Owners & Managers Association of Seattle and King County (BOMA) filed a petition for leave to intervene. The petition states that twenty-three BOMA members are commercial customers of Puget. Petitioner is particularly interested in rate design alternatives and cost-of-service issues.

The petition represents that BOMA's counsel has contacted counsel for all parties. Those parties do not object to BOMA's intervention.

This is a late-filed petition to intervene, under WAC 480-09-430(3). All parties have agreed to the intervention. This petition may be ruled on without hearing.

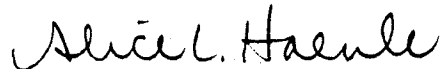

Petitioner BOMA has demonstrated a substantial interest in the subject matter of this hearing. Petitioner has shown good cause for its late intervention. Participation of this intervenor is in the public interest. The petition will be granted.

ORDER

IT IS THEREFORE ORDERED That the petition of BOMA for intervention is granted.

DATED at Olympia, Washington, and effective this 28th day of July, 1992.
