RE: Correction of Transcript (Avista Corporation Dockets UE-090134, UG-090135, & UG-060518)

Dear Mr. Danner:

The reference for a certain item of expense in the transcript at page 573, line 22, in the above referenced dockets, is incorrect. The expense should be \$87.50, not the \$8,750 noted. This is supported by information previously provided to all parties in the discovery process and is detailed in Exhibit No. EMA-17X. It is the Company's understanding that NWIGU will be amending the reference in its Brief, accordingly.

Questions regarding this filing should be directed to Patrick Ehrbar at (509) 495-8620.

Sincerely,

A handwritten signature in black ink, appearing to read "David Meyer", with a horizontal line extending to the right.
