Re: Amended Petition for an Accounting Order for Costs Associated with the COVID-19 Public Health Emergency – UG-200479

Dear Ms. Maxwell:

Enclosed for electronic filing with the Commission is Cascade's Amended Petition for an Order Authorizing Deferral of Costs and Benefits Associated with COVID-19 Public Health Emergency. The purpose of this amendment is to seek recovery on the raised COVID-19 bill assistance funding threshold by an additional 0.5 percent of retail revenues to an overall 1.5 percent funding level.

On October 28, 2021, in Docket UG-210801, Schedule 304 (Temporary COVID-19 Residential Bill Assistance Program) was approved to raise the threshold to 1.5 percent to help residential customers who are experiencing financial hardship due to the pandemic.

If you have any questions regarding this filing, please contact me at (509) 734-4549.

Sincerely,

/s/ Christopher Mickelson
