PC Data Request 177

RE: Executive Compensation.

Excluding the named executive officers, how many other executive officers, including but not limited to Vice Presidents and Directors, does PacifiCorp employ? Please provide all employee titles fitting this description and total compensation paid to each position during the test year.

Response to PC Data Request 177

PacifiCorp defines "executive officers" as those named and reported as part of the Company's annual SEC Form 10-K filing (meaning the Named Executive Officers or NEOs). Nonetheless, the Company is providing, as Confidential Attachment PC 177, a list of employee titles and compensation amounts (on a total-company basis) for the 12 months ended June 2012 for all positions that are director level or higher, excluding named executive officers.

Confidential information is provided subject to the terms and conditions of the protective order in this proceeding.
