October 2, 2020

BEFORE THE WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

**Docket UE-200115
Puget Sound Energy
Application Authorizing Sale of PSE Interest in Colstrip Unit 4**

PUBLIC COUNSEL DATA REQUEST NO. 051:

Please refer to Supplemental Direct Testimony of Ronald J. Roberts, Exh. RJR-9T, at 37:3–4.

- a. Pursuant to Section 13 of the Ownership and Operation Agreement, PSE is responsible for scheduling generation from its share of Colstrip Unit 4. Under the proposed PPA with Talen, would PSE continue to be responsible for scheduling generation associated with the 45 MW Contract Quantity? Please explain.
- b. If PSE would no longer be responsible for scheduling generation associated with the 45 MW Contract Quantity, please explain how Talen would schedule this generation.

Response:

- a. Yes. General practice with power purchase agreement is that the buyer—in this case, Puget Sound Energy—is responsible for scheduling the energy.
- b. Please see the answer to part a. above.
