

**SCHEDULE NO. 6**  
**FACILITIES CHARGE FOR DOMESTIC WATER SERVICE**

A. Applicable:

To all applicants for domestic water service for properties not currently served, when domestic water system capacity is available as defined by the number of connections authorized by the Washington State Department of Health, and where adequate quantity and quality are available.

B. Rate:

Facilities Charge	Total Charge: \$1,316.00	(R)
-------------------	--------------------------	-----

C. Conditions:

1. Any owner, owner's agent, developer, purchaser or purchaser's agent who is a prospective customer of the domestic water system shall first pay the charge set forth on this Schedule, prior to provision of domestic water service by the utility. A prospective customer is a person or entity who has requested water service but has not yet become a customer.

2. For the purpose of this schedule, a customer is defined as a person or entity whose property is directly connected to the domestic water system.

3. The Facilities Charge does not apply to persons or entities who are domestic water customers on or before the effective date of this tariff.

4. The utility will own and maintain all materials involved in the provision of domestic water service.

5. This charge is to expire September 1, 2028, or upon collection of \$524,976, which includes principal, interest and all taxes. (I)(T)
