**ERRATUM TO ORDER 01**

RE: *Wash. Utils. & Transp. Comm'n v. Puget Sound Energy*  
Dockets UE-190324

TO ALL PARTIES:

On April 30, 2019, Puget Sound Energy (PSE or the Company) filed with the Washington Utilities and Transportation Commission (Commission) testimony, exhibits, and supporting documentation related to power costs deferred under the PCA mechanism for the 12-month period beginning January 1, 2018, and ending December 31, 2018.

On October 24, 2019, the Commission issued Order 01, Complaint and Order Suspending Filing. It has come to the Commission's attention that in Paragraph 4 of Order 01, Dockets UE-011670 and UG-011671 were mistakenly referenced; Dockets UE-011570 and UG-011571 should have been referenced. The last sentence of paragraph 4 is therefore corrected to read as follows:

The Commission, therefore, suspends PSE's filing pursuant to RCW 80.28.060 and will hold public hearings, if necessary, to determine whether the filing meets the requirements of the PCA mechanism implemented in Dockets UE-011570 and UG-011571 (Consolidated) and properly calculates the deferrals incurred in the 2018 period.
