These SAFELINK WIRELESS Terms and Conditions of Service are a legally binding agreement between you and TracFone Wireless. They contain important information about your legal rights and require that certain disputes be resolved through Arbitration instead of a court trial. TracFone Wireless reserves the right to change or modify any of these SAFELINK WIRELESS Terms and Conditions of Service at any time and at its sole discretion. Any changes or modifications to these SAFELINK WIRELESS Terms and Conditions of Service will be binding upon you once posted on the SAFELINK WIRELESS website found at www.safelink.com. 1. SAFELINK WIRELESS PROGRAM DESCRIPTION.

SAFELINK WIRELESS Service is funded by the Universal Service Fund Lifeline program and administered by the Universal Service Administrative Company. In order to qualify for enrollment in the SAFELINK WIRELESS Program, a person must meet certain eligibility requirements set by each state where the SAFELINK Program is offered. These requirements are based on a person's participation in a state or federal support program(s) or by meeting certain income requirements based upon the Income Poverty Guidelines as defined by the US Government. Federal law limits the availability of the SAFELINK Program. The Program allows **one (1)** enrollment per "household" and only the "head of household" may apply. Applicants for the SAFELINK Program must complete an application form, provide supporting documentation that they meet the eligibility requirements and certify, under penalty of perjury, that they:

1. Are eligible for and currently receives benefits from the public assistance program(s) identified in the application form.
2. Are a "head of household."
3. Do not currently receive lifeline support for a telephone line serving their residential address and no other resident in their household participates in the Lifeline program. If the applicant is already participating in another Lifeline program, then the applicant agrees to cancel their current household Lifeline support provider in order to enroll in the SAFELINK Program.
4. Are not claimed as a dependent on another person's federal or state income tax return.

5. Will notify SAFELINK Wireless by calling 1-800-Safelink if and when they no longer qualify for any of the public assistance programs identified in their application form.
6. Will notify Safelink Wireless of any change of address by calling 1-800-Safelink.
7. Reviewed the information contained in their application and it is true and correct to the best of their knowledge and belief.

Applicants who qualify and are enrolled in the Program will receive a free cellular phone provided by TracFone Wireless together with a free allotment of airtime minutes each month for up to one year. TracFone Wireless will determine at its sole discretion whether or not an applicant meets the eligibility requirements to participate in the SAFELINK Program. The monthly airtime minutes provided by the Program will vary from state to state. Please call SAFELINK WIRELESS at 1-800-SAFELINK or visit our website at www.SafelinkWireless.com, for further information.

Applicants who do not meet the eligibility requirements will receive written notification, via US Mail, of the reason for their non-eligibility. Upon enrollment in the Program, You will be qualified to participate for up to one (1) year. To continue Your enrollment in the SAFELINK Program after the initial year, You must recertify annually that you are qualified for continued enrollment in the Program as required by Your state Public Service Commission, Public Utility Commission or other agency administering the Program in Your state. TracFone Wireless will also conduct verification drives for each state according to its rules. If TracFone Wireless determines during its verification drive that a customer fails to re-qualify for the SAFELINK Program, such customer will immediately be deemed ineligible to participate in the Program, will be de-enrolled from the Program and will no longer receive the free monthly minutes. A SAFELINK customer's enrollment may also be cancelled upon the request of a state and/or federal authority.

TracFone Wireless and SAFELINK WIRELESS reserve the right to cancel the enrollment of any customer and/or permanently deactivate any customer's SAFELINK WIRELESS phone for fraud, misrepresentation or other misconduct as determined solely by TracFone Wireless. While participating in the SAFELINK Program, a customer shall not be permitted to sell, rent, give away or in any way allow another person to use the cellular phone or Service provided to him/her by SAFELINK WIRELESS. IT IS A VIOLATION OF FEDERAL AND STATE LAW TO SELL OR GIVE AWAY THE SAFELINK CELLULAR PHONE OR SAFELINK SERVICE PROVIDED TO YOU BY SAFELINK WIRELESS. Any violation of this prohibition will be reported to the appropriate legal authorities for prosecution. In addition, if TracFone determines, in its sole discretion, that a SAFELINK WIRELESS customer has violated these prohibitions, the customer will be permanently de-enrolled from the Program, their phone will be permanently deactivated and the customer's personal information will be permanently flagged so that such person may not reenroll in the SAFELINK Program in the future. If you have any questions, concerns, comments or complaints regarding the SAFELINK Program or Service,

offerings or products, please call SAFELINK WIRELESS Customer Care at 1-800-SafeLink. You may also contact your state's Public Service Commission/Public Utility Commission.

2. ACTIVATION AND USE OF YOUR SAFELINK WIRELESS PHONE.

Upon enrollment in the SAFELINK Program, you will receive a pre-activated SAFELINK WIRELESS phone delivered to your home address noted in the application. You must accept the SAFELINK WIRELESS telephone number assigned to your SAFELINK WIRELESS phone at the time of activation and you will acquire no proprietary interest in any number assigned to you. The number assigned to your SAFELINK WIRELESS phone at the time of activation will not be changed for any reason unless required by a Carrier. You may not select a number to be assigned to your SAFELINK WIRELESS phone. The wireless telecommunications networks used to transmit calls for the SAFELINK WIRELESS Service are owned and operated by various licensed commercial mobile radio service providers ("Carriers"), not SAFELINK WIRELESS or TracFone Wireless. Your SAFELINK WIRELESS phone can only be used through TracFone Wireless, and cannot be activated with any other wireless or cellular service. SAFELINK WIRELESS Services are provided at TracFone Wireless' discretion. Some functions and features referenced in the Manufacturer's manual provided with your SAFELINK WIRELESS phone may not be available on your SAFELINK WIRELESS handset. TracFone Wireless may modify or cancel any Service or take corrective action at any time without prior notice and for any reason, including but not limited to your violation of these terms and conditions of service.

4. AIRTIME RATES.

SAFELINK WIRELESS airtime is issued in minute (or unit) increments. Minutes are deducted from the SAFELINK WIRELESS phone at a rate of one (1) unit per minute or partial minute of use. There is no additional charge for nationwide long distance or for international long distance to countries designated at www.tracfone.com.

5. TEXT MESSAGING.

Text messages sent to you by SAFELINK WIRELESS are free of charge. The charge to send or open an incoming text message using your SAFELINK WIRELESS phone is 0.3 minutes per text message for sending and 0.3 minutes per text message for opening a received text message. You may use your free monthly allotment of minutes to send and/or open text messages. If you have exhausted your free monthly allotment of minutes, you will need to purchase and redeem additional airtime minutes in order to continue to send and open incoming text messages and/or to place or receive voice calls. If you do not want minutes deducted from your SAFELINK WIRELESS phone for text messaging, then do not send text messages or open incoming text messages. SAFELINK WIRELESS does not allow international text messages. Attempting to send international messages could result in service deactivation and de-enrollment from the SAFELINK Program. Please note that SAFELINK WIRELESS does not generally participate in Premium SMS services or campaigns. Premium SMS refers to text messages that are sent to a designated "short code" or buying or attempting to buy SMS services from anyone other than SAFELINK WIRELESS. Premium SMS campaigns include activities such as casting a vote, expressing your opinion, playing a game, subscribing to a service, or interactive television programs. You should not attempt to participate in Premium SMS campaigns unless it is a SAFELINK WIRELESS authorized campaign. Any text message you send to a "short code" will in all likelihood not go through. Any charges you may incur as a result of any attempts to participate in Premium SMS services or campaigns not authorized by SAFELINK WIRELESS are not refundable whether you incur charges as deductions from your SAFELINK WIRELESS phone or from your credit card. You may purchase from SAFELINK WIRELESS ring tones, graphics and certain information services. You may utilize multi-media services with certain SAFELINK WIRELESS models of phones. See SAFELINK WIRELESS Data Services below for more information.

6. INTERNATIONAL CALLING.

You may now use your SAFELINK WIRELESS phone to make international calls to landlines (including some cellular phones in some countries) at no additional charge (see www.tracfone.com for available countries and details). The countries where international calling is available are subject to change at any time without prior notice. In order to place an international call, you will need to dial 1-800-706-3839 (the International Long Distance ("ILD") access number) and follow the instructions. If you are calling from Alaska, Hawaii or the US Virgin Islands, the ILD Access number you should dial is 305-938-5673. Airtime deductions for international calls begin the moment the ILD access number is dialed and apply to dropped calls, misdialed numbers and busy destination numbers. When placing international calls, you may experience connection failures more frequently than calls made within the United States. SAFELINK WIRELESS will not credit airtime minutes deducted for unsuccessful calls. You will not be able to make or receive calls on your SAFELINK WIRELESS phone when you are

located outside of the United States, Puerto Rico or the U.S. Virgin Islands (the “Coverage Area”). Any attempt to make or receive calls when you are located outside of the Coverage Area could result in service deactivation and de-enrollment from the SAFELINK Program.

7. AIRTIME CARDS.

Your SAFELINK WIRELESS phone will only operate when you have airtime minutes available on the SAFELINK WIRELESS phone. If you run out of your free monthly allotment of airtime, you may purchase and add additional airtime to your phone. See the instructions above for adding airtime. Purchased airtime must be added to your SAFELINK WIRELESS phone within one year from the date of purchase or the airtime will expire. You may not add expired airtime minutes to your SAFELINK WIRELESS phone nor receive a refund for expired minutes.

8. SERVICE END DATE, DEACTIVATION AND REACTIVATION.

As a SAFELINK WIRELESS customer, You will receive 425 service days upon Your enrollment in the SAFELINK Program and another 425 service days following each successful annual re-certification for the Program. If you fail to complete your annual re-certification within 60 days of the required re-certification date, you will be de-enrolled from the SAFELINK Program. Upon de-enrollment from the Program, you will cease receiving the free monthly allotment of airtime. If you are de-enrolled, your phone will remain active so long as you have available airtime minutes and service days remaining on your phone. You may continue to use your phone as a TracFone customer subject to the TracFone Wireless Terms and Conditions of Service posted on www.TracFone.com. As a TracFone customer, You may purchase airtime and service days to keep your phone service active. If you are de-enrolled from the SAFELINK Program and You allow your remaining service days to expire or go "past due," Your phone service will be deactivated **and you will lose your wireless telephone number.**

If your service is deactivated, you may reactivate your service by re-qualifying for the SAFELINK Program (if eligible) or purchasing and redeeming a TracFone Wireless airtime card with service days. Upon reactivation of your phone, you may be assigned a new telephone number. Any airtime remaining on your handset at the time of deactivation will be reinstated if your phone is reactivated within 60 days from the deactivation date. If your phone remains inactive for more than 60 days, you will lose any remaining airtime.

If you have been de-enrolled from the SAFELINK Program but you wish to keep your service active, You must purchase and redeem additional airtime and service days before the "Service End Date" displayed on your phone. To prevent any interruption in your phone service, please keep your handset service active by timely completing your annual re-certification as required by the SAFELINK Program and/or by purchasing and adding TracFone airtime cards before your Service End Date.

Regardless of the Service End Date displayed on your handset, if You have no Usage (as defined in this section) for 60 consecutive days, You will be de-enrolled from the SAFELINK Program and/or Your phone will be deactivated. "Usage" is defined as any transaction including, but not limited to, making or receiving a call, sending or opening a text message, downloading data content, adding airtime or receiving Your free monthly airtime. Upon de-enrollment and/or

deactivation for non-Usage for sixty (60) days, You will have up to a 30 day grace period to reenroll in the SAFELINK Program and/or reactivate your service by calling 1-800-SafeLink. If you do not re-enroll and/or reactivate your service within the 30 day grace period, You will be considered Inactive.

If you are de-enrolled from the SAFELINK Program and de-activated for non-Usage, you may re-enroll in the Program within thirty (30) days. You agree not to give away, resell or offer to resell the SAFELINK Phone or Service provided by the Program. You also agree your SAFELINK Phone won't be used for any other purpose that isn't allowed by this agreement or that's illegal. WE CAN, WITHOUT NOTICE, LIMIT, SUSPEND, OR END YOUR SERVICE AND DE-ENROLL YOU FROM THE SAFELINK PROGRAM FOR THIS OR ANY OTHER GOOD CAUSE, including, but not limited to, if You: (a) violate any of the terms and conditions of service; (b) lie to us or attempt to defraud us; (c) allow anyone to tamper with your SAFELINK Phone; (d) threaten or commit violence against any of our employees or customer service representatives; (e) use vulgar and/or inappropriate language when interacting with our representatives; (f) steal from us; (g) harasses our representatives; (h) interfere with our operations; (i) engage in abusive messaging, emailing or calling; (j) modify your device from its manufacturer's specification; or (k) use the service in a way that adversely affects our network or the service available to our other customers. We reserve the right to, without notice, limit, suspend or end your service for any other operational or governmental reason. In addition to permanently terminating your Service, criminal offenses (i.e., selling or giving away your Service; threatening violence, etc.) will be reported to the appropriate legal authorities for prosecution.

9. AIRTIME USAGE.

Airtime minutes will be deducted for all time during which your SAFELINK WIRELESS phone is connected to, or using, the wireless system of any Carrier. Use of a wireless system typically begins when you press the "send," "call" or other key to initiate or answer a call and does not end until you press the "end" key or the call is otherwise terminated. Airtime minutes are deducted for all incoming and outgoing calls, including incoming call waiting calls, calls to toll free numbers, 411, 611, Customer Care, and to access your voice mail. Customers in the State of Washington will not be charged for calls to Customer Care if they dial 611 directly from their handset. Customers in the State of Washington who have a problem with their SafeLink Wireless service and are unable to resolve it by contacting Customer Care, may contact the Washington State Attorney General, Consumer Protection Division, by calling 1-800-551-4636.

Airtime minutes are deducted for all text messages sent and all incoming text messages which are opened. For simultaneous calls, such as incoming call waiting and 3-way calling (where available) airtime minutes will be deducted for each call. Airtime minutes are not deducted for calls to 911. For outbound calls, you may be charged airtime for incomplete and/or busy-no answer calls. Airtime minutes are deducted in full unit increments; partial minutes are rounded up to the next minute. Airtime minutes will also be deducted for use of other services such as text messaging and accessing the TracFone Wireless Mobile Web ("WAP"). No credit or refund is given for dropped calls.

10. UNAUTHORIZED USAGE; TAMPERING.

The SAFELINK WIRELESS handset is provided exclusively for use by you, the end consumer with the SAFELINK WIRELESS Service available solely in the United States, Puerto Rico and the U.S. Virgin Islands. Any other use of your SAFELINK WIRELESS handset, including without limitation, any resale, unlocking and/or re-flashing of the handset is unauthorized and constitutes a violation of your agreement with TracFone Wireless. You agree not to unlock, re-flash, tamper with or alter your SAFELINK WIRELESS phone or its software, enter unauthorized PIN's, engage in any other unauthorized or illegal use of your SAFELINK WIRELESS phone or the Service, or assist others in such acts, or to sell and/or export SAFELINK WIRELESS handsets outside of the United States. These acts violate TracFone Wireless' rights and state and federal laws. Improper, illegal or unauthorized use of your SAFELINK WIRELESS phone is a violation of this agreement and may result in immediate discontinuance of Services and legal action against you. TracFone Wireless will prosecute violators to the full extent of the law. You agree that any violation of this agreement through your improper, illegal or unauthorized use or sale of your SAFELINK WIRELESS phone shall entitle TracFone Wireless to recover liquidated damages from you in an amount of not less than \$5,000 per SAFELINK WIRELESS handset purchased, sold, acquired or used in violation of this agreement.

Some SAFELINK WIRELESS handsets have SIM cards. If your SAFELINK WIRELESS phone has a SIM card, then you agree to safeguard your SIM card and not to allow any unauthorized person to use your SIM card. You agree not to allow any other person to, directly or indirectly alter, bypass, copy, deactivate, remove, reverse-engineer or otherwise circumvent or reproduce the encoded information stored on, or the encryption mechanisms of, your SIM card. You may not remove your SIM Card from your phone nor place the SIM Card in any other phone. Doing so could result in the immediate termination of your service and deenrollment from the SAFELINK program. The Carriers, TracFone Wireless, or its service providers, may, from time to time, remotely update or change the encoded information on your SIM card. Your SAFELINK WIRELESS phone is restricted from operating when you are located anywhere outside of the United States, Puerto Rico or the U.S. Virgin Islands, including offshore or in international waters. Any such calls are considered unauthorized usage by TracFone Wireless for

which your Service will be immediately suspended. In the event of suspension for this or any other unauthorized usage, you will not be entitled to receive any refunds for unused airtime.

11. COVERAGE MAPS AND ROAMING.

You will find coverage maps on our website at www.tracfone.com. These maps are for general informational purposes only. Actual coverage and service areas may vary from the maps and may change without notice. TracFone Wireless does not guarantee coverage or service availability. Even within a coverage area, factors such as terrain, weather, structures, foliage, signal strength, traffic volumes, service outages, network changes, technical limitations, and your equipment may interfere with actual service, quality and availability. "Roaming" occurs when a subscriber of one wireless service provider uses the facilities of another wireless service provider. Roaming most often occurs when you make and receive calls outside of the network coverage area of your service provider. When your SAFELINK WIRELESS phone is roaming, an indicator light on your handset may display the word "Roam" or "RM" on the screen while the phone is not in use. There are no additional charges for roaming calls for the SAFELINK WIRELESS phone you were provided. Availability, quality of coverage and Services while roaming are not guaranteed.

12. LIMITATIONS OF SERVICE AND USE OF EQUIPMENT.

Service is subject to transmission limitations caused by certain equipment and compatibility issues, atmospheric, topographical and other conditions. Further, Service may be temporarily refused, limited, interrupted or curtailed due to system capacity limitations, technology migration or limitations imposed by the Carrier, or because of equipment modifications, upgrades, repairs or relocations or other similar activities necessary or proper for the operation or improvement of the Carrier's radio telephone system. At anytime, TracFone Wireless reserves the right to substitute and/or replace any SAFELINK WIRELESS equipment (including handsets) with other SAFELINK WIRELESS equipment including handsets of comparable quality. Some functions and features referenced in the Manufacturer's manual for a particular SAFELINK WIRELESS handset may not be available on your phone. TracFone Wireless does not warrant or guarantee availability of network or of any Services at any specific time or geographic location or that the Services will be provided without interruption. Neither TracFone Wireless, nor any Carrier, shall have any liability for Service failures, outages or limitations of Service. Because of the risk of being struck by lightning, you should not use your SAFELINK WIRELESS phone outside during a lightning storm. You should also unplug the SAFELINK WIRELESS phone power cord and charger to avoid electrical shock and/or fire during a lightning storm.

13. WARRANTY EXCHANGE AND LOST OR STOLEN PHONE POLICY.

Warranty Exchange Policy: SAFELINK WIRELESS customers shall have up to one year from the activation date of their phone to return any defective phone to TracFone Wireless. TracFone Wireless will exchange a defective phone for a new or refurbished phone, at

TracFone's discretion, during this period of time only. For a defective phone replacement, call SAFELINK WIRELESS Customer Care at 1-800-378-1684.

Exclusions and Conditions. This limited warranty does not cover damage or failure caused by abuse or misuse of the phone or accessories. Your limited warranty excludes all direct, indirect, incidental and/or consequential damages, unless otherwise provided by law. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This limited warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

14. DISCLAIMER OF WARRANTIES. EXCEPT FOR ANY WRITTEN WARRANTY THAT MAY BE PROVIDED WITH A DEVICE YOU RECEIVE FROM US AND THE LIMITED WARRANTY SET FORTH IN THESE TERMS AND CONDITIONS, AND TO THE EXTENT PERMITTED BY LAW, THE SERVICES AND DEVICES ARE PROVIDED ON AN "AS IS" AND "WITH ALL FAULTS" BASIS AND WITHOUT WARRANTIES OF ANY KIND. WE MAKE NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE CONCERNING YOUR SERVICE OR YOUR DEVICE. WE CANNOT PROMISE UNINTERRUPTED OR ERROR-FREE SERVICE AND DO NOT AUTHORIZE ANYONE TO MAKE ANY WARRANTIES ON OUR BEHALF. WE DO NOT GUARANTEE THAT YOUR COMMUNICATIONS WILL BE PRIVATE OR SECURE; IT IS ILLEGAL FOR UNAUTHORIZED PEOPLE TO INTERCEPT YOUR COMMUNICATIONS, BUT SUCH INTERCEPTIONS CAN OCCUR.

Lost or Stolen Phone Policy: For any lost or stolen SAFELINK WIRELESS phone, you may request and receive only one replacement phone per customer. The replacement phone will be a refurbished phone. All reported lost and stolen phones will be permanently deactivated. The replacement phone will include only 10 minutes of lost airtime. Any additional airtime that you may have had on your lost phone will not be replaced. In the event you lose your replacement phone or it is stolen, you will need to purchase an additional phone. If a phone is lost or stolen while in transit to the customer before the customer receives the phone, the lost phone and airtime may be replaced as a one time courtesy in TracFone's sole discretion.

15. HEARING, VISUAL OR SPEECH IMPAIRED ACCOMMODATIONS

Any hearing, visual or speech impaired persons interested in applying for a specially equipped SAFELINK WIRELESS must call SAFELINK WIRELESS at 1-800-378-1684 and specify the need(s) to an agent and TracFone Wireless will make every effort to assist such customer in obtaining a handset that is in compliance with all applicable laws, rules, and regulations.

16. EMERGENCY CALLS.

SafeLink Wireless customers have access to 911. Occasionally, however, callers may attempt to call 911 in areas where there is no wireless coverage. If there is no wireless coverage, your call to 911 may not go through and You should dial 911 from the nearest landline phone.

17. DATA SERVICES.

With certain SAFELINK WIRELESS phone models, you can download ring tones, graphics, access information services such as news, weather and sports ("Information Services") and utilize multi-media services ("MMS") (ringtones, graphics, Information Services and MMS are collectively referred to as "Data Services") through our Wireless Mobile Web ("WAP"). Data Services are additional Services offered by us at an additional charge in the form of a debit of minutes for Your use of such services.

Accessing and Purchasing Data Services. In order to purchase, download or access Data Services, your handset must have active service and sufficient available airtime minutes. Your handset will not let you open the WAP browser without an airtime balance of at least 10 minutes. Each time you access our Wireless WAP with your handset's browser, 0.5 units per minute will be deducted from your handset ("Access Charges"). Access Charges are deducted in full minute increments. WAP access of less than 60 seconds is rounded up to the next full minute. Access Charges begin when your handset makes a data connection. This should occur shortly after you open your browser, send or receive a multi-media message (e.g., a picture), initiate a content download, view subscribed Information Services or if WAP access is initiated for any other purpose. Access Charges end when the data connection terminates. This should occur shortly after you close your browser, successfully receive or send a multi-media message (e.g., a picture), after a successful content download or after any other closure of a WAP session. The WAP access duration and the related Access Charges are NOT determined from the exact moment you press a button on your handset to open or close the browser.

In addition to the Access Charges, there will be an additional one-time charge for any content you select to download ("Content Charge") and if you subscribe to an Information Service ("Subscription Charge"). The Content Charges and Subscription Charges vary depending on the type of content and/or subscription. You will be advised of the Content Charges and/or Subscription Charges prior to finalizing your purchase. The Data Services you purchase and download may only be used or viewed on the handset for which they were purchased and cannot be transferred to any other device, including a new or replacement handset. Data Services are non-refundable and non-transferable.

Purchase Options for Data Services: You may purchase Data Services either through your handset's WAP browser or through the Internet (accessed with a personal computer) at www.tracfone.com.

When you purchase Data Services from the Internet at www.tracfone.com, the Content Charge will be shown in both U.S. Dollars and in minutes. You will have the opportunity to select one of two payment options: (1) using a credit card to pay the purchase price shown, or (2) a direct deduction of minutes from your SAFELINK WIRELESS handset. If you buy a TracFone card the number of minutes to be charged is based on the last airtime card added to your handset. See Purchasing Data Services With Airtime Minutes below.

How to purchase from the Internet (www.tracfone.com): Go to "Ringtones and More" at www.tracfone.com and enter your SAFELINK WIRELESS serial number (ESN /IMEI). This will take you to the Wireless Data Services content catalog where you can browse, sample and purchase ringtones and/or graphics. After you find a title and select "Buy," you will be presented with the two purchase options described above.

How to purchase through your handset's WAP browser: Select "BROWSER" on your handset then select "Start Browser" and you will be presented with a menu. When you use your handset's WAP browser to purchase Data Services, only the unit charge purchase option is available. You may not purchase Data Services through your handset using a Credit card payments. Note: Ringtones can only be sampled at www.tracfone.com.

Purchasing Data Services With Airtime Minutes: If you add TracFone airtime cards, the charges for Data Services purchases are determined by the last airtime card added to your handset. The chart below details the number of minutes you will be charged for each dollar you spend for the Data Services you purchase. Your TRACFONE will be assigned the appropriate dollar-to-minute conversion factor each time an airtime card is added to your handset. This provision is intended to encompass all disputes or claims arising out of your relationship with TracFone Wireless, arising out of or relating to the Service or any equipment used in connection with the Service (whether based in contract, tort, statute, fraud, misrepresentation or any other legal theory). Nothing contained in this arbitration provision shall preclude TracFone Wireless from bringing claims concerning the unauthorized resale, export, alteration, and/or tampering of your SAFELINK WIRELESS phone, its software, the Service and/or PIN numbers, in state or federal court. References to you and TracFone Wireless include our respective subsidiaries, affiliates, predecessors in interest, successors, and assigns. The arbitration of any dispute or claim shall be conducted in accordance with the American Arbitration Association ("AAA") under the Commercial Dispute Resolution Procedures and the Supplementary Procedures for Consumer Related Disputes (collectively, "AAA Rules"), as modified by this agreement. The AAA Rules are available online at www.tracfone.com or by calling the AAA at 1-800-778-7870. You and TracFone Wireless agree that use of the Service evidences a transaction in interstate commerce and this arbitration provision will be interpreted and enforced in accordance with the Federal Arbitration Act and federal arbitration law. All issues are for the arbitrator to decide, including

the scope of this arbitration clause, but the arbitrator is bound by the terms of this agreement. You and TracFone Wireless agree that any arbitration will be conducted on an individual basis and not on a consolidated, class wide or representative basis. Further, you agree that the arbitrator may not consolidate proceedings or more than one person's claims, and may not otherwise preside over any form of a representative or class proceeding, and if this preclusion of consolidated, class wide or representative proceedings is found to be unenforceable, then this entire arbitration clause shall be null and void. All fees and expenses of arbitration will be divided between you and TracFone Wireless in accordance with the WIA Rules, except that TracFone Wireless will reimburse you for the amount of the filing fee in the event you prevail in the arbitration. Each party will bear the expenses of its own counsel, experts, witnesses, and preparation and presentation of evidence. If for any reason this arbitration provision is deemed inapplicable or invalid, or to the extent this arbitration provision allows for litigation of disputes in court, you waive to the fullest extent permitted by law, (i) the right to a trial by jury and (ii) any claims for punitive or exemplary damages. Unless TracFone Wireless and you agree otherwise, the location of any arbitration shall be Miami, Florida. Except where prohibited by law, TracFone Wireless and you agree that no arbitrator has the authority to award punitive damages or any other damages not measured by the prevailing party's actual damages. Neither you nor TracFone Wireless shall disclose the existence, contents, or results of any arbitration, except to the extent required by law. Judgment on the award rendered may be entered by any court of competent jurisdiction.

This Agreement shall be construed under the laws of Florida, without regard to its choice of law rules, except for the arbitration provision contained in these Terms and Conditions, which will be governed by the Federal Arbitration Act.
