RE: WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION
vs. PUGET SOUND POWER & LIGHT COMPANY
Docket No. UE-920499

TO ALL PARTIES OF RECORD:

On June 19, 1992, pursuant to prior notice, the Commission convened a prehearing conference in the above captioned and docketed matter. At the hearing, Puget Sound Power & Light Company (Puget or company) proposed to extend the statutory suspension date applicable to this docket to coincide with the statutory suspension date applicable to an anticipated general rate increase filing contemplated by the company later this calendar year.

The presiding administrative law judge indicated that without a date certain for the suspension of the rate case filing, the Commission was reluctant to indefinitely extend the suspension date in the instant case. Thereupon, the company agreed to extend the suspension date in this docket to and including October 1, 1993. The Commission therefore accepts the company's request to extend the suspension date in this docket to October 1, 1993.

Sincerely,

Kathy Bartle
