**AGREEMENT FOR PRELIMINARY ENGINEERING SERVICES
AND SUBMITTAL OF EXHIBIT "A" FOR RAILROAD APPROVAL**

Crossing: Public
WA, Spokane Valley
MP 12.99, Spokane Sub
Barker RD / DOT #662526C
Spokane County

Peggy J. Ygbuhay
Union Pacific Railroad Company
Engineering-Public Projects
10031 Foothills Boulevard
Roseville, CA 95747

Dear Ms. Ygbuhay:

Plans are being prepared to widen Barker Road at the location referenced above. The proposed work includes reconstructs Barker Road from the Spokane River to Euclid Road to a three lane, 40ft wide road with curb and gutter. The project also constructs a 10ft asphalt shared use path on the east side of the roadway. In connection with the project, the Agency considers it necessary for the successful advancement of the project for your company to collaborate in the development of the project by performing the following:

- preliminary engineering and other related services
- development of cost estimates
- review of the project's preliminary layouts
- submit current train and switching moves

The Agency authorizes and agrees to reimburse the Railroad for its expenses and actual costs that are incurred for collaborating in the development of the project's preliminary engineering and other preliminary activities. The Railroad has estimated that these preliminary engineering and other preliminary costs will be \$25,000.00. Payment will be made within thirty (30) days from the Agency's receipt and approval of the Railroad's request for reimbursement. Railroad will refer to Agency's Project Number 0275 and forward Invoices to:

Robert Lochmiller
10210 E. Sprague Avenue
Spokane Valley, WA 99206

The project may require the Railroad to incur costs for force account activities. Please prepare the railroad force account cost estimate for work activities to be provided by your company, as identified in **Exhibit A** and submit them at your earliest convenience so that they may be attached to the railroad

generated Construction & Maintenance (C&M) agreement.

Please verify the number of current regular train (9) and switching movements (0) with a Maximum Speed of (40) at this location as currently shown in our inventory records. This information will be used by the Agency's Contractor to obtain Railroad Protective Liability Insurance.

This agreement is intended to address Preliminary Engineering. It is understood by both parties that railroad may withhold its approval for any reason directly or indirectly related to safety or its operations, property issues or effect to its facilities. If the Project is approved, Union Pacific will continue to work with the Agency to develop Final Plans, Specifications and prepare Material and Cost Estimates for Railroad Construction Work associated with the project. It is also understood that if the project is constructed, if at all, at no cost to the railroad.

The Agency and the Railroad will enter into separate License, Right of Entry, Construction and Maintenance Agreements associated with the actual construction of the project if the project is accepted and approved by the railroad. The Agreements will be drafted by Union Pacific and forwarded to the Agency after the **Exhibit A** and cost estimates have been approved.

Please feel free to contact the City's project manager Robert Lochmiller at telephone number (509)720-5010 via email at rlochmiller@spokanevalley.org if you have any questions. Your assistance in this matter is appreciated.

Sincerely,

Mark Calhoun
City Manager

U. S. DOT CROSSING INVENTORY FORM

DEPARTMENT OF TRANSPORTATION
FEDERAL RAILROAD ADMINISTRATION

OMB No. 2130-0017

Instructions for the initial reporting of the following types of new or previously unreported crossings: For public highway-rail grade crossings, complete the entire inventory Form. For private highway-rail grade crossings, complete the Header, Parts I and II, and the Submission Information section. For public pathway grade crossings (including pedestrian station grade crossings), complete the Header, Parts I and II, and the Submission Information section. For Private pathway grade crossings, complete the Header, Parts I and II, and the Submission Information section. For grade-separated highway-rail or pathway crossings (including pedestrian station crossings), complete the Header, Part I, and the Submission Information section. For changes to existing data, complete the Header, Part I Items 1-3, and the Submission Information section, in addition to the updated data fields. Note: For private crossings only, Part I Item 20 and Part III Item 2.K. are required unless otherwise noted. An asterisk * denotes an optional field.
