Re: TP-190976 *WUTC v. Puget Sound Pilots*; Compliance Filing

Dear Mr. Johnson:

Pursuant to Order 09 in this matter, enclosed please the proposed Compliance Tariff filing on behalf of Puget Sound Pilots. This filing is made specifically in response to Conclusions of Law 52 and 53 of Order 09, and paragraph two of the Ordering portion of the referenced Order.

Also enclosed is a copy of the existing Board of Pilotage Commissioners' tariff, set forth in WAC 363-116-300, in accordance with paragraph 375 of Order 09.

Finally, we are enclosing copies of the compliance filing in legislative format showing revisions to the proposed tariff pages filed on November 20, 2019. One change, in Item 400 - Geographic Boundaries of Harbor Areas, reflects a change that was submitted in an errata filing to the Commission on August 7, 2020 and which was uncontested in the proceeding. Changes to Items 300 and 310 were necessitated by paragraph 356 of Order 09. All other changes reflect minor word-choice modifications intended to clarify the application of tariff items only, rather than apply substantive changes to the tariff items.

Please contact the undersigned, or Dave Wiley should you have further questions. Finally, pursuant to Order 09 all parties to this proceeding are being copied with the enclosed filing.

Yours truly,

WILLIAMS, KASTNER & GIBBS PLLC
