RE: The Company will continue to file quarterly reports for environmental remediation deferrals. Notification of new remediation sites will be made in the quarterly reports.  
***Dockets UE-081016, UE-072060, and UE-070724 – For An Accounting Order Regarding the Accounting Treatment for Costs of its Electric Environmental Remediation Program***

Dear Mr. King:

Commission Staff has reviewed the compliance filing of Puget Sound Energy dated August 7, 2017, regarding ongoing quarterly reports on environmental remediation cost for electric operations pursuant to granting of the accounting petition.

Staff believes that the filing complies fully with the Commission's Order 01 regarding quarterly environmental remediation reports, entered October 8, 2008.

Sincerely,

David Nightingale  
Senior Regulatory Engineering Specialist
