RE: Docket No. UG-152164 - Withdrawal of Tariff Filing – Filed Electronically

Dear Mr. King:

Puget Sound Energy (“PSE”) respectfully requests withdrawal of the tariff filing under PSE’s Advice No. 2015-30 which was assigned Docket No. UG-152164. The initial tariff filing was submitted on November 12, 2015 and substitutions were made on December 14, 2015 and January 6, 2016.

The landscape is changing for the renewable gas industry. PSE may revisit a tariffed receipt service when industry and other jurisdictions have come to a better understanding regarding the gas quality standards to be applied to renewable gas. In the interim, PSE has an agreement with a customer regarding biomethane receipt service and will move forward with an alternative regulatory structure.

In accordance with WAC 480-80-131(6), the request to withdraw the tariff filing described herein is being made by Ken Johnson who has authority to withdraw the filing on behalf of PSE.

Please contact Julie Waltari at (425) 456-2945 for additional information about this filing. If you have any other questions please contact me at (425) 456-2110.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ken Johnson', is written over a circular stamp. A long horizontal line extends from the end of the signature to the right.
