**Re: UG-200264—NW Natural's First and Second Quarter 2022 COVID-19 Reports  
Required By Order 01**

On April 29, 2022, Northwest Natural Gas Company, dba NW Natural (NW Natural or Company), filed its compliance report for the first quarter of 2022 in the above-referenced docket. Because the required due date for the report fell before NW Natural's parent Company's first quarter earnings release, the Company filed a portion of the report with a confidential designation. Following the first quarter earnings release on May 5, 2022, the Company inadvertently neglected to file the first quarter report without the confidential designation. Subsequently, on July 28, 2022, NW Natural filed its second quarter 2022 compliance report in the above-referenced docket with a confidential designation, prior to the earnings release on August 4, 2022.

Northwest Natural Holding Company released its first quarter earnings on May 5, 2022, and its second quarter earnings on August 4, 2022; as a result, the Company's previously filed reports no longer require the confidential designation. The unredacted, non-confidential reports for the first and second quarter 2022 are provided herein.
