UTILITIES AND TRANSPORTATION COMMISSION**

In the Matter of the Petition of

CASCADE NATURAL GAS
CORPORATION

For an Order Approving Deferral of Costs
Associated with the COVID-19 Public
Health Emergency

DOCKET UG-200479

ORDER 03

GRANTING AMENDED
ACCOUNTING PETITION

BACKGROUND

- 1 On April 17, 2020, Governor Inslee issued Proclamation 20-23.2, which prohibits all energy companies from (1) disconnecting residential service due to nonpayment, (2) refusing to reconnect residential customers who were disconnected due to nonpayment, and (3) charging late fees or reconnection fees. Proclamation 20-23.4, issued on May 29, 2020, also requires utilities to develop COVID-19 Customer Support Programs consistent with state guidance from the Governor’s office and that will address payment plan options for residential customers who are in arrears due to the COVID-19 pandemic.
- 2 On May 27, 2020, Cascade Natural Gas Corporation (Cascade or Company) filed with the Washington Utilities and Transportation Commission (Commission) a Petition for an Order Approving Deferral of Costs Associated with the COVID-19 Public Health Emergency.
- 3 In June 2020, the Commission formed a COVID-19 response workgroup of interested persons in Docket U-200281 to facilitate development of guidelines for ensuring that customers experiencing economic hardship as a result of the COVID-19 pandemic maintain access to essential services after Proclamation 20-23 expires and the moratorium on disconnections and late fees is no longer in effect.
- 4 On October 20, 2020, the Commission entered Order 01 in Docket U-200281,¹ in which the Commission expressly adopted four guiding principles identified in Staff’s Revised Term Sheet. The Commission also determined that it would consider each utility’s

deferred accounting petition in the docket in which it was filed, and that “[u]ltimately, the Commission will consider each petition on its merits and render a decision based on the record compiled in each docket.”²

- 5 The Revised Term Sheet provided guidance to all the utilities on how to calculate the amount of late payment fees and disconnection and reconnection charges they would be allowed to defer for 2021, as well as 2022, should the resumption date plus 180 days extend into 2022.
- 6 Cascade filed a revised petition on November 24, 2020, consistent with the requirements set out in the Revised Term Sheet.
- 7 On December 10, 2020, in Order 01, the Commission approved Cascade’s revised petition, allowing the Company to defer several COVID-19 related expenses, including late payment fees and disconnection and reconnection charges.
- 8 On July 2, 2021, the Commission issued Order 04 in Docket U-200281, extending the disconnection moratorium to September 30, 2021, aligning with Governor Inslee’s proclamation 20-23.16, and authorizing companies to begin charging waived fees on April 1, 2022.
- 9 On October 19, 2021, Staff opened a rulemaking in Docket U-210800 to consider possible changes to customer notice, credit, and collection rules, late fees, disconnection fees, reconnection fees, and deposits.
- 10 On March 29, 2022, the Commission issued Order 06 in Docket U-200281, amending Order 03 exempting gas and electric companies from WAC 480-90-113 and WAC 480-100-113, respectively. The Commission’s order extended the suspension of fees and deposits until 30 days after the Commission issues its final order in Docket U-210800.
- 11 On April 1, 2022, Cascade filed an amended COVID-19 deferral petition (Amended Petition) in response to the Commission’s decision in Docket U-200281. The Amended Petition requests approval to modify the previously approved timeframe for its bad debt deferral (2020 to 2022) to now extend to 30 days after the Commission issues its order adopting rules or otherwise determines the propriety of the fee and deposit rules in Docket U-210800.

DISCUSSION

12 In light of the Commission's order extending the suspension of fees and deposits and the
ongoing rulemaking in Docket U-210800, Cascade's approved bad debt deferral should
be extended to account for the anticipated duration of the extended suspension.
Accordingly, we grant the Company's Amended Petition.
