Re: TR 040664 and TR 050967

Dear Judge Caille:

In response to our e-mail exchange of today's date, I am requesting, on behalf of the City of Kennewick, to extend the date for the City of Kennewick to file testimony and exhibits from today's date to June 19, 2006. I have conferred with all parties and there is no objection. It is not anticipated that this request will impact the current schedule. However, I have made representation to the other parties that I would extend the same courtesy if asked.

Given the length of time between the filing of testimony and dispositive motions, I do not believe the extension will impact schedules and the parties will be able to work informally to accommodate any scheduling changes. If you need any additional information, please let me know.

Very truly yours,

JOHN S. ZIOBRO
City Attorney
