Re: *Washington Utilities and Transportation Commission v. Avista Corporation dba Avista Utilities*, Docket UE-151148

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) entered Order 04 in Docket UE-151148, Final Order Conditionally Approving and Adopting Settlement Agreement, on February 26, 2016 (Order).

On March 3, 2016, Avista filed revised electric tariff sheets. The purpose of the compliance filing is to revise Tariff No. WN U-28, Schedule 91, to reflect a refund to customers consistent with the Settlement Agreement adopted by the Order. The refund of \$211,589 is to be effectuated by a 0.2 percent reduction to Schedule 91 rates for the period April 2016 through July 2016.

On March 30, 2016, Avista filed replacement pages changing the effective date of the tariff sheets to April 8, 2016. The Commission has reviewed the tariff sheets and they do, in fact, comply with the terms of the Order.

Therefore, the tariff sheets filed by Avista on March 30, 2016, will become effective as filed with an effective date of April 8, 2016.

Sincerely,

STEVEN V. KING
Executive Director and Secretary
