3	MR. GARY: I would like to make a comment if	3 STATE OF WASHINGTON
4	there are no other comments.	4 COUNTY OF THURSTON
5	CHAIR DANNER: Go ahead, sir.	5
6	MR. GARY: This is George Gary again. I'm	6 I, Tayler Garlinghouse, a Certified Shorthand
7	sorry for asking for a second turn, but the tone of the	7 Reporter in and for the State of Washington, do hereby
8	(inaudible) whether seems to be a done deal. Just	8 certify that the foregoing transcript is true and
9	what will it take or what considerations will the UTC	9 correct to the best of my knowledge, skill, and ability.
10	take into consideration to not approve this? There has	10
11	only been probably a dozen or so people that I have	
12	heard called in. All the comments have been negative	12 Jayles Gardinghouse
13	and they are against this proposal. Are you just going	13 Tayler Garlinghouse, CCR 3356
14	to assume that all the other people that didn't call in	
15	are voting yes or just what would it take to not go	15
16	through with this deal?	16
17	CHAIR DANNER: So the Commission has not	17
18	made a decision in this proceeding. The Commission has	
19	a paper has a filing before us. We are also the	
20	reason that we are taking public comment is because we	20
21	want to get input from people like yourself. We know	21 22
22 23	that this is not necessarily a majority vote or even that the folks who have commented tonight are a	22 23
23	significant subset of the customers of this program, but	23
24	nonetheless it informs how we go forward.	24
25	nonetheless it informs now we go forward.	25
	Page 68	
1	So I cannot tell you and, in fact, I'm not	
2	allowed to say even how I would vote on this matter or	
3	how I decide this matter in advance of our actually	
4	having deliberations. So all I can tell you is the	
5	Commission has not made a decision in the proceeding,	
6	and we will do so with the full record of which	
7	tonight's comment hearing is a part.	
8	MR. GARY: Thank you, sir.	
9	CHAIR DANNER: Thank you.	
10	All right. Anyone who hasn't spoken	
11	tonight? All right. This is brings us to the end of	
12	the hearing, then. Again, this matter will be taken	
13 14	under advisement by the Commission, and we will go	
14 15	forward and review the record and will be making a decision in due course.	
15	So I want to thank everybody for	
17	participating tonight. We have received a lot of good	
18	input, and I thank you all. We will go forward from	
19	here. So with that, we are adjourned.
