Re: Washington Utilities and Transportation Commission v. Puget Sound Energy
Docket Nos. UE-090704 and UG-090705

Dear Mr. Danner:

Pursuant to leave granted by the Administrative Law Judge, enclosed please find for filing in the above-referenced dockets the originals and sixteen copies each of the testimony and exhibits of James R. Dittmer on behalf of Public Counsel, in both confidential and redacted form, together with a Certificate of Service.

PLEASE NOTE: On November 17, 2009, electronic versions of testimony and exhibits were filed for Mr. Dittmer that contained errors. Those electronic filings should be discarded. This hard copy filing is the correct version of Mr. Dittmer's testimony and exhibits and is the only hard copy that has been provided to the Commission or parties. New electronic filings were made on November 18, 2009, containing these corrected documents for Mr. Dittmer in both confidential and redacted form.

In addition, enclosed please find three CDs containing Workpapers of Mr. James Dittmer (Confidential), Mr. Scott Norwood (Confidential), and Mr. Glenn Watkins. These were provided on November 18, 2009, to the parties by electronic service.

Sincerely,

Simon J. ffitc
