Informational filing

Dear Ms. Washburn:

Paragraph 4 of the Narrative Supporting Settlement Agreement filed on March 21, 2006 in this docket states, “to the extent necessary, an amendment to the Interconnection Agreement between the parties will be filed with the commission.” On May 24, 2006, the enclosed Payment Terms Amendment was filed for approval in Docket No. UT-013086, the docket regarding Qwest’s interconnection agreement with Tel West. For completeness of the record in this docket, please find enclosed a copy (for informational purposes only) of the amendment filed for approval in Docket UT-013086. No Commission action is required for purposes of Docket UT-053098.

Please feel free to contact me if you have any questions concerning this filing.
