- Administrative Law Judge Marguerite E. Friedlander entered Order 03, Initial Order Approving and Adopting Partial Settlement Agreement and Granting Mitigation Request, in this docket on May 18, 2011. Judge Friedlander also entered Order 04, Denying Staff's Motion to Reopen the Record, Motion for Clarification of the Initial Order, and Motion for Reconsideration of the Initial Order, in this docket on June 23, 2011.
- No party petitioned for administrative review of either order within the time for filing petitions for administrative review or received an extension of time to file such a petition. The Washington Utilities and Transportation Commission (Commission) did not give notice of its intention to review the orders on its own motion.
- Therefore, under RCW 80.01.060(3), the orders became final on July 14, 2011, by operation of law.

In allowing these orders to become final, the Commission does not endorse the orders' reasoning and conclusions. If cited in the future, the orders must be identified as Administrative Law Judge's orders.

Sincerely,

DAVID W. DANNER Executive Director and Secretary
