LINE 510 - SERVICE QUALITY STANDARDS AND CONSUMER PROTECTION RULES COMPLIANCE

Westgate Communications LLC d/b/a WeavTel (“the Company”) complies with applicable service quality standards and consumer protection rules for its voice and broadband services.

The rates, terms, and conditions under which the Company operates are outlined in its local exchange tariff, which is approved by the Washington Utilities & Transportation Commission (“Washington PUC”). The tariff contains provisions regarding the Company’s customer service and protection practices.

Service quality standards for voice service are established by the Washington PUC. The Company consistently meets or exceeds those standards and provides reports to the Washington PUC, in accordance with the Washington PUC’s rules.

With regard to broadband service, the Company provisions its network and equipment to ensure that its customers can enjoy the speeds to which they subscribe. However, Internet speeds generally result from a “best effort” service and are dependent upon a number of variables, many of which are outside the control of the Company. The Company also complies with the FCC’s Open Internet rules, 47 C.F.R. §§8.3-8.11. These rules prohibit blocking, throttling, and paid prioritization, and also require the Company to publicly disclose information regarding its network management practices, performance, and the commercial terms of its broadband services.

The Company complies with any and all consumer protection obligations under state law.

The Company also complies with the following consumer best practices: (1) the Company discloses its rates and terms of service to customers; (2) the Company provides specific disclosures in its advertising; (3) the Company separately identifies carrier charges from taxes on its billing statements; (4) the Company provides ready access to customer service; (5) the Company promptly responds to consumer inquiries and complaints received from government agencies; and (6) the Company abides by policies for protection of consumer privacy.

Finally, the Company has a policy and established operating procedures that comply with the FCC’s Customer Proprietary Network Information (CPNI) rules (47 C.F.R. §§64.2001-64.2011).

LINE 610 - ABILITY TO FUNCTION IN EMERGENCY SITUATIONS

Westgate Communications LLC d/b/a WeavTel (“the Company”) is able to function in emergency situations for both voice and broadband service. The Company has a reasonable amount of back-up power to ensure functionality without an external power source. Back-up power is provided to Mansom Tandem/Earth Station by use of a fixed generator and batteries that provide it with 72 hours of emergency power. In addition, Stehekin Central Office/Earth Station has at least 72 hours of back-up power by use of mobile generators and fixed batteries.

The Company has connectivity with the neighboring telephone exchange of Manson as well as the LATA tandem in Wenatchee which provides diverse options to reroute traffic around damaged facilities. The Company is prepared and capable of managing traffic spikes resulting from emergency situations and has sufficient switching capabilities to handle such situations. The Company has developed and trained its staff on network preparedness plans in case of emergency situations.

LINE 1010 – VOICE SERVICES RATE COMPARABILITY

The Wireline Competition Bureau’s 2017 reasonable comparability benchmark for voice services is \$49.51, which includes the federal subscriber line charge (“SLC”).¹

In all of the exchanges served by Westgate Communications LLC d/b/a WeavTel (“the Company”), the single-line residential local rate in effect as of January 1, 2017 was \$25.00. When the federal SLC (\$6.50) is included, the total rate was \$31.50. Therefore, the Company’s pricing of fixed voice services is less than the reasonable comparability benchmark of \$49.51.

¹ *Wireline Competition Bureau Announces Results of 2017 Urban Rate Survey for Fixed Voice and Broadband Services, Posting of Survey Data and Explanatory Notes, and Required Minimum Usage Allowance for ETCs Subject to Broadband Public Interest Obligations*, Public Notice, WC Docket No. 10-90, 32 FCC Rcd 1358 (2017).

LINE 1210 – TERMS & CONDITIONS OF VOICE TELEPHONY LIFELINE PLANS

Residential customers of Westgate Communications LLC d/b/a WeavTel (“the Company”) who qualify for the Lifeline Program receive a federal discount of \$9.25 on local voice telephony service.

In all of the Company’s exchanges, the Lifeline single-line residential rate, including any mandatory extended area service charge and the federal subscriber line charge (“SLC”), is \$22.25 (\$31.50 standard rate - \$9.25 discount).

All single-line residential customers, including Lifeline customers, have an unlimited number of minutes for calls made within their local calling area.

Toll charges for calls outside of the local service area are determined by the long distance carrier of the customer’s choosing. Customers may elect to subscribe to toll blocking at no charge.

Lifeline Program reductions do not apply to additional services such as custom calling features. Lifeline customers may subscribe to these services, where available, at the same rates offered to other customers.
