NOTICE RESPONDING TO INFORMAL REQUEST FOR CLARIFICATION

RE: *Washington Utilities and Transportation Commission v. PacifiCorp d/b/a Pacific Power & Light Company*, Docket UE-100749

TO ALL PARTIES OF RECORD:

On March 25, 2011, the Washington Utilities and Transportation Commission (Commission) entered *Order 06 – Final Order Rejecting Tariff Sheets; Authorizing Increased Rates; and Requiring Compliance Filing* (Order 06).

On March 29, 2011, counsel for PacifiCorp contacted the Commission with a request to clarify Order 06 to enable the Company to timely make the required compliance filing. Specifically, PacifiCorp seeks clarification of whether the figures in Order 06, Appendix A, line 27, “Net Power Costs – Proforma,” include the adjustments to net power costs the Commission ordered.

The Commission clarifies that the figures in Appendix A, line 27, do **not** include the adjustments to net power costs the Commission ordered the Company to make in Order 06. The Commission’s expectation was, and is, that rather than rely on estimates of the impact of the ordered adjustments, the Company will calculate the precise impact and deduct that amount from the figures in Appendix A, line 27, when making its compliance filing.

Any party seeking further clarification of Order 06 should file a formal request for clarification by motion pursuant to WAC 480-07-835 or for clarification by conference pursuant to WAC 480-07-840.

Sincerely,

PATRICIA CLARK
