*Submitted via the Washington Utilities and Transportation Commission's Records Center
Web Portal electronic-filing system and by overnight courier*

Dear Ms. Washburn:

Pursuant to paragraph No. 246 of Final Order No. 6, Docket Nos. UG-040640 et al, Puget Sound Energy ("PSE" or "the Company") provides herewith a final detailed report for a qualifying storm event which occurred on November 26, 2006.

The attached document summarizes PSE's formal response to, and costs incurred as a result of repairing storm damage to PSE's electric system on November 26, 2006. It should be noted that the total O&M expenses resulting from previous 2006 qualifying events have reached the \$7 million threshold for accounting deferral treatment and, in accordance with Order No. 6, subsequent eligible 2006 qualifying event repair expenses are being deferred. This is the ninth Qualifying Storm Events report for 2006.
