Section 3.3 Noncontravention. None of the execution and delivery by Seller of this Agreement or the other Transaction Documents to which it is (or, at the Closing, will be) a party, the performance by Seller of its obligations hereunder or thereunder, or the consummation by Seller of the transactions contemplated hereby or thereby (a) conflicts with any provision of the Governing Documents of Seller or the Company or, to Seller’s Knowledge, any other Company Entity, (b) assuming that the Consents specified in Section 3.4 and Section 4.4 have been obtained or made, violates any Law to which Seller or any Company Entity is subject or (c) results in a breach of, constitutes a default (or an event that, with the giving of notice or lapse of time or both,

would constitute a default) under, or results in the acceleration of any obligation or loss of any benefit under, any Contract to which Seller is a party, except, in the case of each of clauses (b) and (c), for such violations, breaches or defaults that would not, individually or in the aggregate, have a Material Adverse Effect on Seller and in the case of clause (b) only except for such violations that would not, individually or in the aggregate, have a Material Adverse Effect on the Company Entities.

Section 3.4 Governmental Consents. No Consent of, with or to any Governmental Authority is required to be obtained or made by or with respect to Seller or any of Seller's Affiliates or any Company Entity in connection with the execution or delivery by Seller of this Agreement and the other Transaction Documents to which it is (or, at the Closing, will be) a party, or the performance by Seller of its obligations hereunder or thereunder, except for (a) Consents set forth on Section 3.4 of the Seller Disclosure Schedule, (b) Consents that, if not obtained or made, would not, individually or in the aggregate, have a Material Adverse Effect on Seller or a Material Adverse Effect on the Company Entities, (c) Consents not required to be made or given until after the Closing, (d) Consents required to be obtained or made by or on behalf of Buyer as a result of the specific legal or regulatory status of Buyer or any of its Affiliates or as a result of any other facts that specifically relate to the business or activities in which Buyer or any of its Affiliates is or proposes to be engaged, other than the business of the Company Entities and (e) any Consents contemplated by Section 4.4.

Section 3.5 Title to Purchased Assets; Subsidiaries.

(a) Seller is the record and beneficial owner of 43.8882% of the Company Interests, free and clear of all Liens, other than Liens arising under this Agreement and the LLC Agreement and restrictions on sales of securities under applicable securities Laws. Except as set forth in the LLC Agreement, and other than Buyer's rights under this Agreement, there are no Rights to purchase or acquire from Seller all or any portion of the Purchased Interests. All of the Purchased Interests are validly issued, fully paid (to the extent required by the LLC Agreement) and non-assessable (except as such non-assessability may be affected by Sections 18-607 and 18-804 of the Delaware Limited Liability Company Act), and were not issued to or acquired by Seller in violation of any Law, Contract or the preemptive rights of any Person.

(b) Seller has made available to Buyer a true, complete and correct copy of the LLC Agreement. The LLC Agreement (a) constitutes a valid and legally binding obligation of Seller and, to Seller's Knowledge, of the other parties thereto, and (b) is enforceable in accordance with its terms against Seller and, to Seller's Knowledge, each of the other parties thereto, except, in each case, as such enforceability may be limited by the Remedies Exception. Neither Seller nor, to Seller's Knowledge, any of the other parties to the LLC Agreement is in material breach of, or material default under the LLC Agreement, and, to Seller's Knowledge, no event has occurred that, with the giving of notice or lapse of time or both, would constitute a material default under, or result in the acceleration of any material obligation or loss of any material benefit under, the LLC Agreement.

(c) Section 3.5(c) of the Seller Disclosure Schedule sets forth all Company Interests that are issued and outstanding and, to Seller's Knowledge, as of the date hereof, the owner of such Company Interests. Except as would not adversely and materially affect the value of the Purchased

Assets or the Buyer's entitlement to the Purchased Assets, all outstanding Company Interests have been validly issued and the Company has no other classes of limited liability interests that have been authorized or issued. Other than under, or as provided in, this Agreement, any Other PSA, the LLC Agreement and the Loan Agreement (i) there are no (A) outstanding options, warrants, convertible securities or other rights, agreements, or commitments of any character obligating Seller or the Company to issue or sell any Company Interests or any other security or interest in any Company Entity or (B) outstanding Contracts or other arrangements of Seller or any Company Entity to purchase, redeem or otherwise acquire any outstanding Company Interests or other security or interest of the Company Entities, or securities or obligations of any kind convertible into securities or interests of the Company Entities and (ii) there are no (x) outstanding or authorized equity appreciation, phantom equity, equity purchase or grant plans or similar rights with respect to any interests in any Company Entity; or (y) voting agreements or other agreements to which Seller or any of its Affiliates is a party, and to Seller's Knowledge, any other voting or other agreements, in each case in effect with respect to the voting or transfer of any of the Company Interests or any other security or interest in any Company Entity (other than this Agreement, any Other PSA and the LLC Agreement).

(d) Seller has good and valid title to the Purchased Loan, free and clear of all Liens other than Liens arising under this Agreement and the Loan Agreement. Except as set forth in the Loan Agreement, and other than Buyer's rights under this Agreement, there are no rights to purchase or acquire from Seller all or any portion of the Loan (as defined in the Loan Agreement).

(e) The Loan Agreement is in full force and effect and constitutes the legal, valid and binding obligation of Seller and, to Seller's Knowledge, each of the other parties thereto, enforceable against Seller and, to Seller's Knowledge, each of the other parties thereto, in accordance with its terms (except to the extent that its enforceability may be limited by the Remedies Exception). Neither Seller nor, to Seller's Knowledge, any of the other parties to the Loan Agreement is in material breach of, or material default under the Loan Agreement, and, to Seller's Knowledge, no event has occurred that, with the giving of notice or lapse of time or both, would constitute a material default under, or result in the acceleration of any material obligation or loss of any material benefit under, the Loan Agreement.

(f) Except as would not adversely and materially affect the value of the Purchased Assets or the Buyer's entitlement to the Purchased Assets: (i) Section 3.5(f) of the Seller Disclosure Schedule sets forth, as of the date hereof, all Subsidiaries of the Company; (ii) the Company is the record and beneficial owner of all of the outstanding equity and voting interests of each of the Subsidiaries set forth on Section 3.5(f) of the Seller Disclosure Schedule, (iii) all of the outstanding equity and voting interests of each of the Subsidiaries of the Company are, validly issued, fully paid and non-assessable, and (iv) were not issued or acquired in violation of any Law, agreement or the preemptive rights of any Person. Except as set forth in Section 3.5(f) of the Seller Disclosure Schedule, as of the date hereof, neither the Company nor any Subsidiary owns any equity or debt securities of any other Person.

Section 3.6 Brokers' Fees. Neither Seller nor any of its Affiliates has entered into any Contract with any Person that would entitle any broker, finder or other intermediary to any broker's, finder's or similar fee or commission as a result of the execution and delivery of this Agreement or the Transaction Documents to which Seller is (or, at the Closing, will be) a party or

the consummation of the transactions contemplated hereby or thereby, in each case, for which Buyer or any Company Entity is or would become liable (other than any such fees or commissions for which Buyer or such Company Entity shall have been reimbursed in full by Seller).

Section 3.7 Litigation. In each case, as of the date hereof, (a) there are no Actions pending, or to Seller's Knowledge threatened, against Seller or any of its Affiliates and (b) neither Seller nor any of its Affiliates is subject to any Governmental Order, that would, in the case of each of clauses (a) and (b), individually or in the aggregate, have a Material Adverse Effect on Seller.

Section 3.8 Affiliate Contracts.

(a) Except as disclosed on Section 3.8(a) of the Seller Disclosure Schedule, and except for the Loan Agreement and any Affiliate Contract entered into by any Company Entity in the ordinary course and on arm's length terms (which, for the avoidance of doubt, shall not include any voting agreements or other agreements with respect to the voting or Transfer of any of the Company Interests or other securities or interests of the Company Entities or with respect to the governance of any of the Company Entities), there are no Affiliate Contracts.

(b) Set forth on Section 3.8(b) of the Seller Disclosure Schedule is the aggregate amount of any payments that will be made by any Company Entity during the Interim Period, whether in cash, cash equivalents or other assets or properties, to Seller or any of its Affiliates or Representatives (in each case, excluding any Company Entity) with respect to the Affiliate Contracts disclosed on Section 3.8(a) of the Seller Disclosure Schedule.

Section 3.9 Anti-Money Laundering; Anti-Bribery and Sanctions. Seller's and its Affiliates' (to the extent acting on Seller's behalf) conduct of the transactions contemplated by this Agreement, and its and such Affiliates' (to the extent acting on Seller's behalf) use of the proceeds realized from the transactions contemplated hereby, do not and will not violate any applicable Laws relating to (i) anti-terrorist financing, (ii) money laundering, (iii) bribery or corruption or (iv) any sanctions regime or list of sanctioned persons administered by the United States (including the Office of Foreign Assets Control of the U.S. Department of the Treasury (OFAC)), the United Nations Security Council, the European Union, or any other relevant sanctions authority or Governmental Authority with jurisdiction over Seller or such of its Affiliates.

Section 3.10 Purchase Price; Buyer Termination Fee.

(a) Minimum Purchase Price.

(i) The only components of the purchase price (excluding transaction expense sharing provisions and deemed adjustments to the purchase price to reflect indemnification payments) to be paid pursuant to any Other PSA in respect of the Company Interests thereunder are: (1) a base purchase price, (2) a ticking fee which accrues solely in favor of the Seller to increase the purchase price, and (3) a purchase price adjustment based on the amount of distributions paid to Seller prior to the Closing of the transactions contemplated by such Other PSA.

(ii) The calculation of the purchase price for the pro rata portion of the Loan Agreement under each Other PSA is identical to the methodology used under this Agreement to calculate the Loan Purchase Price hereunder.

(iii) The base purchase price for the Purchased Assets to be acquired by the buyer pursuant to any Other PSA is not less, on a per Company Interest basis, than the Base Purchase Price, on a per Company Interest basis, under this Agreement.

(iv) The purchase price adjustment based on the amount of distributions paid to Seller prior to the closing of the transactions contemplated by any Other PSA does not give credit to the buyer under such Other PSA for distributions on a more favorable basis than that provided in respect of the calculations of Distribution Adjustment Amount and Preliminary Purchase Price.

(b) Minimum Buyer Termination Fee. Except in an Other PSA with an existing holder of Company Interests, to the extent the buyer termination fees payable under any Other PSA contemplate the buyer under such Other PSA being obligated to pay a termination fee only in the event such Other PSA is terminated by Seller based on a failure by such buyer under such Other PSA to perform its covenants or agreements relating to the receipt of the “Required Regulatory Approvals” (as defined in such Other PSA), such buyer termination fees are not less, on a per Company Interest basis, than the Buyer Termination Fee, on a per Company Interest basis.

Section 3.11 No Reliance. Seller agrees that the detailed representations and warranties set forth in this Agreement have been negotiated at arm’s length among sophisticated Persons. Except for the representations and warranties expressly set forth in Article IV or in any certificate or agreement delivered by Buyer in connection with this Agreement, Sellers acknowledge that none of Buyer, the Buyer Parent or any of their respective Affiliates or Representatives makes or has made any other express or any implied representation or warranty to Seller as to the accuracy or completeness of any information regarding Buyer or any other matter. For the avoidance of doubt, nothing in this Section 3.11 shall be construed to limit any of Seller’s rights in the event of Intentional Fraud.

ARTICLE IV. REPRESENTATIONS AND WARRANTIES REGARDING BUYER

Buyer represents and warrants to Seller, except as set forth in the Buyer Disclosure Schedule, as of the date hereof and as of the Closing, and acknowledges that Seller is relying upon the following representations and warranties in connection with the Seller entering into this Agreement, as follows:

Section 4.1 Organization. Buyer is a limited partnership and Buyer GP is a corporation, in each case duly organized, validly existing, and in good standing under the Laws of Ontario, and each of Buyer and Buyer GP has all requisite power, authority and legal right to conduct its business as it is currently conducted and to own, lease and operate its properties where such properties are now owned, leased or operated, except where the failure to have such power, authority and legal right would not, individually or in the aggregate, have a Material Adverse Effect on Buyer. Each of Buyer and Buyer GP is duly qualified or licensed to do business and is

in good standing in each jurisdiction in which the property owned, leased or operated by it or the nature of the business conducted by it makes such qualification or licensure necessary, except where the failure to be so duly qualified or licensed or in good standing would not, individually or in the aggregate, have a Material Adverse Effect on Buyer.

Section 4.2 Authorization. Buyer has all requisite authority to execute and deliver this Agreement and the other Transaction Documents to which Buyer is (or, at the Closing, will be) a party, to perform Buyer's obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. The execution and delivery by Buyer of this Agreement and such other Transaction Documents to which Buyer is (or, at the Closing, will be) a party, the performance of its obligations hereunder and thereunder and the consummation of the transactions contemplated hereby and thereby have been duly authorized by all necessary action on the part of each of Buyer and Buyer GP. This Agreement and the other Transaction Documents to which Buyer is (or, at the Closing, will be) a party have been (or, at the Closing, will be) duly executed and delivered by Buyer, and constitute (or, at the Closing, will constitute) legal, valid and binding obligations of Buyer, enforceable against Buyer in accordance with their respective terms, subject to the Remedies Exception.

Section 4.3 Noncontravention. None of the execution and delivery by Buyer of this Agreement or the other Transaction Documents to which it is (or, at the Closing, will be) a party, the performance by Buyer of its obligations hereunder or thereunder, or the consummation by Buyer of the transactions contemplated hereby or thereby (a) conflicts with any provision of the Governing Documents of Buyer, (b) results in a breach of, constitutes a default (or an event that, with the giving of notice or lapse of time or both, would constitute a default) under, or results in the acceleration of any obligation or loss of any benefit under, any Contract to which it is a party or (c) assuming that the Consents specified in Section 3.4 and Section 4.4 are obtained or made, violates any Law to which Buyer is subject, except, in the case of each of clauses (b) and (c), for such violations, breaches or defaults that would not, individually or in the aggregate, have a Material Adverse Effect on Buyer.

Section 4.4 Governmental Consents. No Consent of, with or to any Governmental Authority is required to be obtained or made by or with respect to Buyer or any of its Affiliates in connection with the execution and delivery by Buyer of this Agreement and the other Transaction Documents to which it is (or, at the Closing, will be) a party, or the performance by Buyer of its obligations hereunder or thereunder, except for (a) WUTC Approval, FERC Approval, CFIUS Approval and EU Approval, (b) Consents that, if not obtained or made, would not, individually or in the aggregate, have a Material Adverse Effect on Buyer, (c) Consents not required to be made or given until after the Closing and (d) any Consents contemplated by Section 3.4 or set forth on Section 4.4 of the Buyer Disclosure Schedule.

Section 4.5 Financial Capacity. Buyer has delivered to Seller (a) a true, correct and complete copy of the Buyer Parent Commitment Letter, pursuant to which Buyer Parent has committed, subject to the terms thereof, to fund the cash amounts set forth therein for the Purchase Price and all costs, fees and expenses required to be paid by Buyer and its Affiliates in connection with the transactions contemplated by this Agreement and the other Transaction Documents (the "Equity Financing") and (b) a true, correct and complete copy of the Buyer Parent Guarantee, with respect to the due and punctual payment, observance, performance and discharge of all payment

obligations of Buyer with respect to (i) Buyer's obligations under Section 8.3, if, as and when such payment obligations become payable hereunder and (ii) any reimbursement and/or indemnification obligations that may arise prior to the Closing (subject to the cap on liability specified therein). Neither the Buyer Parent Commitment Letter nor the Buyer Parent Guarantee has been amended, restated, supplemented or otherwise modified, no such amendment, restatement, supplement or other modification is pending or contemplated, and the Buyer Parent Commitment Letter (and the respective commitments contained therein) have not been withdrawn, terminated or rescinded in any respect. Each of the Buyer Parent Commitment Letter and the Buyer Parent Guarantee, in the form so delivered, is in full force and effect and is a legal, valid and binding obligation of the parties thereto. As of the date hereof, there has been no event which, with or without notice, lapse of time or both, would (i) constitute a default or breach on the part of any party thereto under the Buyer Parent Commitment Letter or the Buyer Parent Guarantee, (ii) cause any condition contained in the Buyer Parent Commitment Letter or the Buyer Parent Guarantee not to be satisfied, or (iii) be reasonably be expected to result in any portion of the financing contemplated by the Buyer Parent Commitment Letter to be unavailable on the Closing Date. As of the date hereof, there are no conditions precedent or other contingencies related to the Equity Financing other than as expressly set forth in the Buyer Parent Commitment Letter. Other than the Buyer Parent Commitment Letter, neither Buyer nor any of its Affiliates has entered into any agreement, side letter or other contractual arrangement governing the Equity Financing. The Equity Financing, when funded in accordance with the terms and conditions of the Buyer Parent Commitment Letter, will provide Buyer with financing immediately before the Closing sufficient for Buyer to consummate the transactions contemplated by this Agreement and the other Transaction Documents to which it is (or at the Closing, will be) a party, and perform its obligations hereunder and thereunder (including its obligation to pay the Preliminary Purchase Price). For the avoidance of doubt, none of the rights and obligations of any Party, nor the transactions contemplated hereby, are subject to any term or condition providing that Buyer first obtain financing of any sort. As of the date hereof and assuming the accuracy of the representations and warranties of Seller contained in this Agreement, Buyer has no reason to believe (x) that any of the conditions to the Equity Financing contained in the Buyer Parent Commitment Letter to be satisfied by it or any of its Affiliates will not be satisfied or (y) that any portion of the Equity Financing will not be available to Buyer at the Closing. Buyer acknowledges that receipt or availability of funds or financing by Buyer or any of its Affiliates shall not be a condition to Buyer's obligations hereunder or under the other Transaction Documents to which it is (or at the Closing, will be) a party. No funds to be paid to Seller have derived from or will have been derived from, or constitute, either directly or indirectly, the proceeds of any criminal activity or any activity in breach of applicable anti-corruption, anti-money laundering, anti-terrorism, sanctions, export controls or similar Laws.

Section 4.6 Ownership.

(a) Other than as consented to or waived in writing by Seller, Buyer Parent directly or indirectly owns all of the economic interests in Buyer and Buyer GP.

(b) Buyer GP is owned 100% by its direct parent, Hamilton Infrastructure Holdings, Inc., a Canadian corporation ("HIHI"). The voting shares of HIHI are owned 30% by Buyer Parent and 70% by Hamilton Infrastructure Trust, a trust established under the laws of Ontario ("HIT")

with a trustee that is unrelated to the limited partner of Buyer. Buyer Parent has call rights over the voting shares of HIII owned by HIT.

(c) No understanding or arrangement has been entered into since the formation of Buyer that would result in Buyer Parent or HIT ceasing to have such ownership and control of Buyer and HIII as is described in this Section 4.6 at any time after the formation of Buyer (including, for the avoidance of doubt, following the Closing).

(d) As of the Closing Date, Buyer will, directly or indirectly, own and solely control one-hundred percent (100%) of the Purchased Interests (including all economic and voting interest therein), and no understanding or arrangement has been entered into since the formation of Buyer that would result in Buyer ceasing to have such ownership and control at any time after the Closing.

Section 4.7 No Competitive Overlap. As of the date of this Agreement:

(a) Neither Buyer nor any of its Affiliates owns, directly or indirectly, any equity securities in any Scheduled Entity excluding (i) ownership of less than 10% of any class of securities of any Scheduled Entity and (ii) any interest in a non-discretionary independent fund investment holding, directly or indirectly, any equity securities in a Scheduled Entity.

(b) Neither Buyer nor any of its Affiliates owns, directly or indirectly, any equity securities in any entity that does not have publicly-traded securities and which is engaged in the generation, transmission or distribution of electricity or the transportation or distribution of natural gas in the State of Washington, provided that and notwithstanding the foregoing, none of Buyer nor any of its Affiliates shall be considered to own or hold equity securities in any such entity as a result of Buyer or any of its Affiliates owning or holding any publicly-traded securities or securities traded over-the-counter. For purposes of this Section 4.7, no Person shall be deemed to be engaged in the generation, transmission or distribution of electricity or the transportation or distribution of natural gas as a result of the ownership of either (i) an interest of less than 10% in the equity securities of any company active in such business, whether voting or non-voting; (ii) any interest in a “qualifying facility” within the meaning of the Public Utility Regulatory Policies Act of 1978, as amended, that is located outside of the Puget Sound Energy balancing authority area or any first-tier balancing authority area; or (iii) a passive interest of less than 10% of the voting or non-voting securities of any company that owns or controls a “qualifying facility” within the meaning of the Public Utility Regulatory Policies Act of 1978, as amended, that is located in the Puget Sound Energy balancing authority area or any first-tier balancing authority area.

Section 4.8 Investment. Buyer is aware that the Purchased Interests being acquired by Buyer pursuant to the transactions contemplated hereby have not been registered under the Securities Act or under any state securities Laws. Buyer is not an underwriter, as such term is defined under the Securities Act, and Buyer is purchasing the Purchased Interests for its own account solely for investment and not with a view toward, or for sale in connection with, any distribution thereof within the meaning of the Securities Act, nor with any intention of distributing or selling any of the Purchased Interests in violation of applicable securities Laws. Buyer, on behalf of itself and its Affiliates, acknowledges that none of them may sell or otherwise dispose of the Purchased Interests except in compliance with the registration requirements or exemption provisions under the Securities Act and the rules and regulations promulgated thereunder, or any

other applicable securities Laws. Buyer is an “accredited investor” as defined under Rule 501 promulgated under the Securities Act.

Section 4.9 Litigation. (a) There are no Actions pending, or to Buyer’s Knowledge threatened, against Buyer or any of its Affiliates and (b) neither Buyer nor any of its Affiliates is subject to any Governmental Order that would, in the case of each of clauses (a) and (b), individually or in the aggregate, have a Material Adverse Effect on Buyer.

Section 4.10 Anti-Money Laundering, Anti-Bribery and Sanctions. Buyer’s and its Affiliates’ (to the extent acting on Buyer’s behalf) conduct of the transactions contemplated by this Agreement, and its and such Affiliates’ (to the extent acting on Buyer’s behalf) source of the funds utilized in the transactions contemplated hereby, do not and will not violate any applicable Laws relating to (i) anti-terrorist financing, (ii) money laundering, (iii) bribery or corruption or (iv) any sanctions regime or list of sanctioned persons administered by the United States (including the Office of Foreign Assets Control of the U.S. Department of the Treasury (OFAC)), the United Nations Security Council, the European Union or any other relevant sanctions authority or Governmental Authority with jurisdiction over Buyer or such of its Affiliates.

Section 4.11 Brokers’ Fees. Buyer and its Affiliates have not entered into any Contract that would entitle any broker, finder or other intermediary to any broker’s, finder’s or similar fee or commission as a result of the execution and delivery of this Agreement or the Transaction Documents to which Buyer is (or, at the Closing, will be) a party or the consummation of the transactions contemplated hereby or thereby for which Seller, any Company Entity or any Affiliate of Seller or any Company Entity is or would become liable (other than any such fees or commissions for which Seller or such Company Entity shall have been reimbursed in full by Buyer).

Section 4.12 Investigation; No Reliance.

(a) Seller and the Company Entities have provided Buyer with such access to information, properties, books, records and personnel of the Company Entities as Buyer has deemed necessary and appropriate in order for Buyer to investigate the businesses and properties of the Company Entities sufficiently to make an informed investment decision to purchase the Purchased Assets and to enter into this Agreement. Buyer (either alone or together with its advisors) has such knowledge and experience in financial and business matters so as to be capable of evaluating the merits and risks of its purchase of the Purchased Assets and is capable of bearing the economic risks of such purchase. Buyer’s acceptance of the Purchased Assets at the Closing shall be based upon its own investigation, examination and determination with respect thereto as to all matters and without reliance upon any express or implied representations or warranties of any nature made by or on behalf of or imputed to Seller, except as expressly set forth in this Agreement (including in Article III).

(b) Buyer has relied solely on Buyer’s own legal, tax, financial, regulatory and other advisors and the representations and warranties made by Seller as expressly set forth in this Agreement (including in Article III) for its evaluation of its investment decision to purchase the Purchased Assets and to enter into this Agreement and not on the advice of Seller, any Company Entity or any Affiliate or Representative of any of the foregoing. Buyer acknowledges that any

financial projections that may have been provided to it are based on assumptions about future operating results, which are based on assumptions about certain events, many of which are beyond the control of Seller. Buyer further acknowledges and agrees that, except as expressly set forth in this Agreement (including in Article III), no representation or warranty has been made, and Buyer has not relied on any representation or warranty, regarding Seller, the Purchased Assets, any Company Entity or any other matter, including any representation or warranty regarding any projections, forecasts, estimates, budgets, revenues, profits, results of operations, cash flows, or the condition (financial or otherwise) of the Purchased Assets or any Company Entity or the businesses, assets or liabilities thereof, or any other information, data or materials provided or not provided by or on behalf of Seller, any Company Entity or any Affiliate or Representative of any of the foregoing in connection with the transactions contemplated hereby, including information, data or materials in any memorandum or management presentation, in the Data Room, in any oral, written or electronic response to any information request or any other information, data or materials of any kind or nature whatsoever provided to Buyer, its Affiliates or its or their respective Representatives. For the avoidance of doubt, nothing in this Section 4.12 shall be construed to limit any of Buyer's rights in the event of Intentional Fraud.

ARTICLE V.
COVENANTS

Section 5.1 Conduct of the Company Entities.

(a) During the period from and after the date hereof and to the Closing (the "Interim Period"), except as otherwise contemplated by this Agreement or any of the other Transaction Documents, and except as otherwise approved in writing by Buyer (which approval shall not be unreasonably withheld, conditioned or delayed), Seller will exercise or not exercise its Seller Company Rights in a manner consistent with permitting the Company Entities to:

- (i) conduct their respective businesses in the ordinary course; and
- (ii) use reasonable best efforts to preserve, maintain and protect the assets and properties of the Company Entities except for ordinary wear and tear (*provided* that such efforts shall not include any requirement or obligation to make any payment or assume any Liability not otherwise required to be paid or assumed by the terms of an existing Contract or offer or grant any financial accommodation or other benefit not otherwise required to be made by the terms of an existing Contract).

(b) Without limiting the generality of the foregoing, during the Interim Period, except as otherwise contemplated by this Agreement or any of the other Transaction Documents, and except as otherwise approved in writing by Buyer (which approval shall not be unreasonably withheld, conditioned or delayed), Seller shall not (with respect to the Company Entities), and shall exercise or not exercise its Seller Company Rights in a manner consistent with prohibiting the Company Entities from:

- (i) amending the Governing Documents of any Company Entity;
- (ii) authorizing for issuance, issuing, granting, selling, transferring, disposing of, pledging or otherwise encumbering any Equity Interests of any Company Entity, or

issuing any Rights to subscribe for, purchase or acquire any Equity Interests of any Company Entity, in each case, other than (A) as required under any Benefit Plan or (B) without limiting Section 5.3(d), the sale, transfer, disposition, pledge or encumbrance of any Equity Interests in the Company (other than the Purchased Interests) by any Person (other than the Company or the Seller or any of its Affiliates);

(iii) except as required by GAAP, changing any accounting methods or principles or auditing practices in a manner that would adversely affect the Company Entities;

(iv) selling, transferring or otherwise disposing of any of the assets of the Company Entities that are material to the Company Entities, taken as a whole, to any Person (other than dispositions to any other Company Entity and dispositions of obsolete assets) or pledging or otherwise encumbering any such assets, in each case, other than in the ordinary course;

(v) except in the ordinary course and except for any PIK Increases (as defined in the Loan Agreement and in each Authorized Loan (as defined in the Loan Agreement)), (A) creating, incurring or assuming any Indebtedness, (B) assuming, guaranteeing, endorsing or otherwise becoming liable or responsible (whether directly or indirectly) for any material obligations of any Person or (C) making any loans, advances or capital contributions to or investments in any Person (other than, in the case of each of clauses (A) through (C) for such Indebtedness, obligations, loans, advances, capital contributions or investments, as the case may be, among Company Entities);

(vi) acquiring any assets that would be material, individually or in the aggregate, to the Company Entities, taken as a whole, except in the ordinary course or in accordance with the Approved Business Plan (or any subsequent business plan approved by the Business Planning and Compensation Committee of the Board) for the Company Entities;

(vii) entering into or amending any Affiliate Contract;

(viii) except as required by Law, making or changing any material Tax election, or settling any material dispute or Action with respect to Taxes, in each case, if such action is reasonably expected to materially adversely affect (i) Buyer or any of its Affiliates with respect to a Post-Closing Tax Period or (ii) any Company Entity with respect to any period;

(ix) directly or indirectly purchasing, redeeming, or otherwise acquiring or retiring any of its capital stock or other Equity Interests or any warrants, options, or similar instruments to acquire the same; or

(x) agreeing or committing, whether in writing or otherwise, to do any of the foregoing.

(c) Notwithstanding the foregoing or anything in this Agreement to the contrary, Seller and the Company Entities may take (or not take, as the case may be) any of the actions described in this Section 5.1 if reasonably necessary to prevent the occurrence of or mitigate the effects of

damage to property or injury to persons under emergency circumstances or as required pursuant to applicable Law.

Section 5.2 Access to Information.

(a) During the Interim Period, Buyer may make or cause to be made such review of the Company Entities and their respective properties, books, Contracts and other records (including, for clarity, any business plan approved by the Business Planning and Compensation Committee of the Board) as Buyer deems reasonably necessary or advisable for the exercise of its rights and obligations hereunder or the consummation of the transactions contemplated hereby. Seller shall exercise or not exercise its Seller Company Rights in a manner consistent with permitting the Company Entities to afford Buyer and its Representatives reasonable access to the properties, Managers, directors, officers, senior employees, books, Contracts and other records of the Company Entities during normal business hours to review information and documentation relating to the Company Entities and the properties, books, Contracts and other records of the Company Entities; *provided*, that such access shall only be upon reasonable advance notice and shall not disrupt personnel and operations of the Company Entities and shall be at Buyer's sole cost and expense; *provided, further*, that none of Buyer, its Affiliates or its or their respective Representatives shall conduct any environmental site assessment, compliance evaluation or investigation with respect to any property of Seller or any Company Entity without the prior written consent of Seller (it being understood and agreed that Seller may have no such authority, whether contractual or otherwise, to consent to such undertakings with respect to such Managers, directors, officers, senior employees, properties, books, Contracts or other records) and without ongoing consultation with Seller with respect to any such activity (it being understood and agreed that in no event shall any subsurface investigation or testing of any environmental media be conducted); *provided, further*, that, for the avoidance of doubt, none of Buyer, its Affiliates or its or their respective Representatives shall have any right to access or review any Tax Return of Seller or any of its Affiliates or any of its or their respective direct or indirect equity holders. All requests for access to the properties, Managers, directors, officers, senior employees, books, Contracts and other records of the Company Entities shall be made to such Representatives of Seller as Seller shall designate, who shall be solely responsible for coordinating all such requests and all access permitted hereunder. Buyer shall indemnify the Seller Indemnified Parties and the Company Entities in respect of and hold each of them harmless from and against any and all Damages suffered, incurred or sustained by any of them resulting from, arising out of or relating to the activities of Buyer, its Affiliates and their respective Representatives under this Section 5.2 (it being understood that the discovery of any pre-existing matter by Buyer and any consequences of such discovery shall not be deemed to be arising out of or relating to Buyer's activities). The foregoing indemnification obligation shall survive the Closing or termination of this Agreement.

officers of the Company Entities occurring at or prior to the Closing, whether asserted or claimed prior to, at or after the Closing, as provided in the Company Entities' respective Governing Documents and in any indemnification or other similar Contracts of the Company Entities as in effect as of immediately prior to the Closing, shall survive the transactions contemplated by this Agreement and shall continue in full force and effect to the full extent provided in such Governing Documents and Contracts. For a period of six (6) years following the Closing, Buyer shall, and shall exercise or not exercise its Buyer Company Rights in a manner consistent with permitting the Company Entities to, maintain in effect any and all such exculpation, indemnification and advancement of expenses provisions and shall not amend, repeal or otherwise modify any such provisions in any manner that would adversely affect the rights thereunder of any individual who at any time before the Closing was a director, manager, committee member or officer of any of the Company Entities and who was a Representative of Seller or any Affiliate of Seller; *provided, however,* that all rights to exculpation, indemnification and advancement of expenses in respect of any Action pending or asserted or any claim made within such period shall continue until the disposition of such Action or resolution of such claim. From and after Closing, Buyer shall exercise or not exercise its Buyer Company Rights in a manner consistent with permitting the Company Entities to maintain in effect (at their sole cost and expense, including all premiums and deductibles) the directors' and officers' liability insurance policy or policies provided for directors, managers, committee members and officers of the Company Entities as of the date hereof and who were Representatives of Seller or any Affiliate of Seller.

(b) In the event Buyer (i) consolidates with or merges into any other Person and shall not be the continuing or surviving company or entity of such consolidation or merger or converts into any other Person or (ii) transfers all or substantially all of its properties and assets to any Person, then Buyer shall use commercially reasonable efforts to procure that such successor and assign assume the obligations set forth in this Section 5.8.

(c) In the event that any of the Company Entities or any of their respective successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving company or entity of such consolidation or merger or converts into any other Person or (ii) transfers all or substantially all of its properties and assets to any Person, then Buyer shall exercise or not exercise its Buyer Company Rights in a manner consistent with requiring such successors or assigns to maintain in effect any and all such exculpation, indemnification and advancement of expenses provisions and to not amend, repeal or otherwise modify any such provisions in any manner that would adversely affect the rights thereunder of any individual who at any time before the Closing was a director, manager, committee member or officer of any of the Company Entities and who was a Representative of Seller or any Affiliate of Seller.

(d) The provisions of this Section 5.8 are (i) intended to be for the benefit of, and will be enforceable by, each individual who at any time before the Closing was a director, manager, committee member or officer of any of the Company Entities, and his or her heirs and legal representatives and (ii) in addition to, and not in substitution for or limitation of, any other rights of exculpation, indemnification and advancement of expenses or rights to directors' and officers' liability insurance that any such individual may have by Contract or otherwise.

Section 5.9 Termination of Affiliate Contracts. Except as set forth on Section 5.9 of the Seller Disclosure Schedule or as otherwise consented to in writing by Buyer, at or prior to the

Closing, each Affiliate Contract that is terminable at the convenience of Seller or its Affiliates shall be terminated without any further force or effect, such that the Company Entities, on the one hand, and Seller and its Affiliates (excluding the Company Entities), on the other hand, do not have any further Liability to one another in respect thereof from and after the Closing.

Section 5.10 No Alternative Proposals.

(a) From the date hereof until the earlier of the termination of this Agreement and the Closing, Seller shall, and shall cause its Affiliates and each of its and its Affiliates' Representatives to:

(i) not directly or indirectly negotiate, agree to or enter into any direct or indirect Alternative Proposal or any Contract providing for a direct or indirect Alternative Proposal;

(ii) immediately cease and terminate any solicitations, discussions and/or negotiations with any Person or group of Persons (including any Affiliate of Seller and, for clarity, any Fund that is advised by, or the business, operations or assets of which are managed (whether solely or primarily) by, or whose parent is managed by, an Affiliate of Seller, and the limited partners of any such Fund) with respect to any Alternative Proposal;

(iii) not solicit, initiate, knowingly encourage or otherwise knowingly facilitate (including by way of furnishing or providing copies of, access to, or disclosure of, any confidential or non-public information, properties, facilities, books or records concerning any of the Company Entities or their respective businesses) any inquiry, proposal or offer that constitutes or may reasonably be expected to constitute or lead to an Alternative Proposal;

(iv) not enter into or otherwise engage or participate in any discussions or negotiations with any Person or group of Persons (including any Affiliate of Seller and, for clarity, any Fund that is advised by, or the business, operations or assets of which are managed (whether solely or primarily) by, or whose parent is managed by, an Affiliate of Seller, and the limited partners of any such Fund) regarding any inquiry, proposal or offer that constitutes or may reasonably be expected to constitute or lead to an Alternative Proposal;

(v) immediately discontinue access to and disclosure of any confidential or non-public information, properties, facilities, books or records concerning the Company Entities or their respective businesses, which access and/or disclosure is being or has been provided in connection with (A) any inquiry, proposal or offer that constitutes or may reasonably be expected to constitute or lead to an Alternative Proposal, or (B) any discussions or negotiations in connection therewith; and

(vi) exercise or not exercise its Seller Company Rights in a manner consistent with the foregoing.

(b) Seller represents and warrants that neither it nor any of its Affiliates or its or its Affiliates' Representatives has, in connection with any inquiry, proposal or offer that constitutes

or may reasonably be expected to constitute or lead to an Alternative Proposal, waived any standstill or similar agreement or restriction in effect as of the date of this Agreement to which Seller or any such Affiliate is a party.

(c) Seller further covenants and agrees that (i) it shall (and shall cause its Affiliates and its and its Affiliates' Representatives to) take all commercially reasonable actions to enforce each confidentiality, standstill, non-disclosure, non-solicitation, use, business purpose or similar agreement or covenant with respect to the Company Interests owned by Seller and/or the Company Entities to which Seller or any such Affiliate or Representative is a party, and (ii) it shall not release, and shall cause its Affiliates and its and its Affiliates' Representatives not to release, in connection with any inquiry, proposal or offer that constitutes or may reasonably be expected to constitute or lead to an Alternative Proposal, any Person from, or waive, amend, suspend or otherwise modify any provision of, or grant permission under or fail to enforce, any confidentiality, standstill, non-disclosure, non-solicitation, use, business purpose or similar agreement or covenant with respect to the Company Interests owned by Seller and/or the Company Entities to which Seller or any such Affiliate or Representative is a party that remains in effect as of the date of this Agreement (it being acknowledged by Buyer that the automatic termination or release of any standstill restrictions in any such agreements in accordance with the terms of any such agreement shall not be a violation of this Section 5.10(c)).

Section 5.11 Additional Purchased Assets. In the event that (a) the 0.1000% of the issued and outstanding Class A Interests of the Company (the "Additional Interests") held by Padua MG Holdings LLC, a Delaware limited liability company ("Padua MGL"), and (b) Padua MGL's right, title and interest in and to the Second Amended and Restated Senior Secured Loan Agreement, dated as of January 20, 2015, by and between Puget Intermediate Holdings Inc., as the borrower therein, and Padua MGL, as the lender therein (the "Additional Loan Agreement"), are or become available for purchase by Buyer at least five (5) Business Days prior to the Closing, Buyer hereby agrees to, at such time, enter into a joinder to this Agreement, substantially in the form attached hereto as Exhibit E (the "Joinder Agreement"), with Padua MGL providing for the purchase and acquisition, by Buyer of (i) all of Padua MGL's right, title and interest in and to (A) the Pro Rata Portion of the Additional Interests and (B) the Additional Loan Agreement with respect to the Pro Rata Portion of the Loan (as defined in the Additional Loan Agreement) owing at the Closing to Padua MGL thereunder (clauses (A) and (B), collectively, the "Additional Purchased Assets"), and assumption and acceptance by Buyer of (ii) all of Padua MGL's obligations, liabilities, covenants, duties and agreements arising out of, under or relating to, the Additional Purchased Assets from and after the Closing, in each case, on the terms and conditions set forth in this Agreement, applied *mutatis mutandis* to Padua MGL and the Additional Purchased Assets, subject to the Joinder Agreement. For the avoidance of doubt, Buyer is not assuming any of Padua MGL's obligations, Liabilities, covenants, duties or agreements arising out of, under or relating to (i) any act or omission of Padua MGL on or prior to the Closing, (ii) the period prior to the Closing or (iii) Section 7.04(f) of the LLC Agreement with respect to (A) any of the Required Regulatory Approvals in connection with the transactions contemplated hereby or (B) any Other PSA.

Section 5.12 Obligations Upon Termination of any Other PSA. In the event that any Other PSA is terminated in accordance with its terms, Seller shall promptly (and in any event within five (5) Business Days thereof), provide written notice to Buyer of such termination, and

upon such termination of any Other PSA, the condition set forth in Section 6.2(d) shall be deemed irrevocably waived by Seller.

Section 5.13 Financing.

(a) Buyer shall give Seller prompt written notice (i) of any breach or default (or any event or circumstance that, with or without notice, lapse of time or both, would reasonably be expected to give rise to any breach or default) by any party to the Buyer Parent Commitment Letter or the Buyer Parent Guarantee, (ii) if and when Buyer becomes aware that any portion of the Equity Financing may not be available to consummate the transactions contemplated by this Agreement, including the receipt of any written notice or other written communication from any Person with respect to any (A) actual or potential breach, default, termination or repudiation by any party to the Buyer Parent Commitment Letter or (B) material dispute or disagreement between or among the parties to the Buyer Parent Commitment Letter and (iii) of any termination of the Buyer Parent Commitment Letter.

(b) In the event that all conditions in Article VI have been satisfied other than those that by their nature are to be satisfied as part of the Closing, Buyer shall use its reasonable best efforts to cause the parties to the Buyer Parent Commitment Letter to fund at the Closing the Equity Financing required to consummate the transactions contemplated by this Agreement, including by enforcing its rights under the Buyer Parent Commitment Letter to cause the Equity Financing to be funded at the Closing. Buyer acknowledges and agrees that the Closing is not conditioned on the availability of the Equity Financing or any alternative financing arrangement. Accordingly, Buyer acknowledges and agrees that a failure by Buyer to consummate the Closing and the transactions contemplated hereby when otherwise required pursuant to Section 2.3 that results from a failure to consummate the Equity Financing shall constitute a material breach of Buyer's obligations under this Agreement and Seller shall be entitled to specific performance of Buyer's obligations under this Section 5.13(b), including Buyer's obligation to enforce its rights under the Buyer Parent Commitment Letter to cause the Equity Financing to be funded at the Closing, in each case, pursuant to and in accordance with Section 9.12.

Section 5.14 Buyer Authority with respect to the Company Entities. It is understood and agreed that Buyer does not, and prior to the Closing will not, and following the Closing may not, have any authority, whether contractual or otherwise, to consent to or approve any matter on behalf of the Company Entities or the buyer(s) under any Other PSA, whether referred to in Section 5.4, Section 5.5, Section 5.6 or Section 5.8 or otherwise in this Agreement and Buyer shall not be deemed to be in breach of this Agreement with respect to any matter outside of its authority involving any Company Entity.

Section 5.15 Seller Parent Guaranty.

(a) Subject to Section 5.15(d), each Seller Parent Guarantor guarantees irrevocably, absolutely and unconditionally, and as a primary obligation, Seller's due, punctual and complete payment and discharge of Seller's obligations under Article VII (the "Seller Guaranteed Obligations"); *provided* that, notwithstanding anything to the contrary set forth in this Agreement or any Transaction Document, (i) in no event shall any Seller Parent Guarantor's aggregate liability for the Seller Guaranteed Obligations exceed its allocable share (as set forth on

Schedule C) of an amount equal to \$100,000,000 (the limitation on the aggregate liability the Seller Parent Guarantors may have for the Seller Guaranteed Obligations as set forth in this proviso being herein referred to as, the “Cap”), (ii) in no event shall any Seller Parent Guarantor be required to pay more than its allocable share of the Cap under, in connection with, based on, arising from or related to this Agreement or any Transaction Document, (iii) in respect of any Seller Guaranteed Obligation which is covered by the RWI and EOP, Buyer and any other Buyer Indemnified Party shall first seek to recover the full amount of its Damages under the RWI and EOP, and no Seller Parent Guarantor shall have any liability for any Seller Guaranteed Obligation unless and until Buyer or such other Buyer Indemnified Party shall have sought such recovery under the RWI and EOP and shall have been denied recovery of the full amount of its Damages, and (iv) other than pursuant to, and subject to the terms and conditions of, this Section 5.15, none of the Seller Parent Guarantors shall have any Liability to any Person under, in connection with, based on, arising from or related to this Agreement or any Transaction Document or any transaction contemplated by this Agreement or any Transaction Document.

(b) Each Seller Parent Guarantor’s liability hereunder is absolute, unconditional, irrevocable and continuing irrespective of any modification, amendment or waiver of or any consent to departure from this Agreement or any Transaction Document that may be agreed to by Seller (with each Seller Parent Guarantor’s prior written consent). Without limiting the foregoing, the Buyer shall not be obligated to file any claim relating to the Seller Guaranteed Obligations in the event that Seller becomes subject to a bankruptcy, reorganization or similar proceeding, and the failure of the Buyer to so file shall not affect the Seller Parent Guarantors’ obligations hereunder. In the event that any payment to the Buyer in respect of the Seller Guaranteed Obligations is rescinded or must otherwise be returned for any reason whatsoever, each Seller Parent Guarantor shall remain liable hereunder with respect to the Seller Guaranteed Obligations as if such payment had not been made. This guaranty is an unconditional guarantee of payment and not of collectability.

(c) Each Seller Parent Guarantor agrees that the Buyer may, in its sole discretion, at any time and from time to time, without notice to or further consent of any Seller Parent Guarantor, extend the time of payment of the Seller Guaranteed Obligations, and may also make any agreement with Seller or with any other Person now or hereafter interested in the transactions contemplated by this Agreement, for the extension, renewal, payment, compromise, discharge or release thereof, in whole or in part, or for any modification of the terms thereof or of any agreement between Seller and Buyer or any such other Person without in any way impairing or affecting any obligations of each Seller Parent Guarantor under, or affecting the validity or enforceability of, this Section 5.15. Each Seller Parent Guarantor agrees that its obligations hereunder shall not be released or discharged, in whole or in part, or otherwise affected by: (a) subject to Section 5.15(a)(iii), the failure or delay of the Buyer to assert any claim or demand or to enforce any right or remedy against Seller or any other Person now or hereafter interested in the transactions contemplated by the Purchase Agreement or the Transaction Documents; (b) any change in the time, place or manner of payment of, performance of, renewal or alteration of, any of the Seller Guaranteed Obligations, any escrow arrangement or other security therefor, any liability incurred directly or indirectly in respect thereof, or any agreement entered into by the Seller on the one hand, and the Buyer, on the other hand, in connection therewith, or any rescission, waiver, compromise, consolidation or other amendment or modification of any of the terms of this Agreement, the Transaction Documents or any other agreement evidencing, securing or otherwise

executed by the Seller and the Buyer in connection with the Seller Guaranteed Obligations; (c) the addition, substitution or release of any Person now or hereafter interested in the transactions contemplated by this Agreement or the Transaction Documents; (d) any change in the corporate existence, structure or direct or indirect ownership of Buyer, any Seller Parent Guarantor or any other Person now or hereafter liable with respect to the Seller Guaranteed Obligations or otherwise interested in the transactions contemplated by this Agreement or the Transaction Documents; (e) any insolvency, bankruptcy, reorganization, moratorium or other similar proceeding affecting Buyer, any Seller Parent Guarantor or any other Person now or hereafter liable with respect to any of the Seller Guaranteed Obligations, or any of their respective assets, or otherwise interested in the transactions contemplated by this Agreement or the Transaction Documents; (f) subject to Section 5.15(a)(iii), the adequacy of any other means the Buyer may have of obtaining payment related to any of the Seller Guaranteed Obligations; (g) the value, genuineness, validity, regularity, illegality or enforceability of this Agreement or any Transaction Document; (h) any discharge of each Seller Parent Guarantor as a matter of law or equity (other than as a result of payment of the Seller Guaranteed Obligations in accordance with their terms); and (i) the existence of any claim, set off or other right that the Seller Parent Guarantors may have at any time against the Buyer, the Seller or the Company other than those available to Seller against the Buyer under this Agreement or the Transaction Documents. To the fullest extent permitted by applicable Law, each Seller Parent Guarantor hereby expressly waives any and all rights or defenses arising by reason of any Law which would otherwise require any election of remedies by the Buyer. The Buyer shall not be required to proceed against Seller first before proceeding against the Seller Parent Guarantors under this Section 5.15, and each Seller Parent Guarantor waives promptness, diligence, notice of the acceptance of this Section 5.15 and of the Seller Guaranteed Obligations, presentment, demand for payment, notice of non-performance, default, dishonor and protest, notice of the incurrence of the Seller Guaranteed Obligations and all other notices or similar requirements of any kind (except for notices to be provided to Buyer and Buyer's counsel in accordance with Section 9.3 of this Agreement), all defenses which may be available by virtue of any valuation, stay, moratorium law or other similar Law now or hereafter in effect, any right to require the marshalling of assets of Seller, Seller Parent Guarantor or any other Person now or hereafter liable with respect to the Seller Guaranteed Obligations or otherwise interested in the transactions contemplated by this Agreement, and all suretyship defenses generally (other than fraud or intentional misconduct by the Buyer or any of its Affiliates, defenses to the payment of the Seller Guaranteed Obligations that are available to Seller under this Agreement or breach by the Buyer of this Section 5.15). Each Seller Parent Guarantor acknowledges that it will receive substantial direct and indirect benefits from the transactions contemplated by this Agreement and that the waivers set forth in this Section 5.15 are knowingly made in contemplation of such benefits.

(d) Each Seller Parent Guarantor's Liabilities under this Section 5.15 shall terminate upon, and such Seller Parent Guarantor shall not have any further Liabilities under this Section 5.15 from and after, the earliest to occur of (i) the indefeasible payment by such Seller Parent Guarantor of an amount of the Seller Guaranteed Obligations equal to its allocable share (as set forth on Schedule C) of the Cap, (ii) the indefeasible payment by Seller of an amount of the Seller Guaranteed Obligations equal to the Cap, (iii) the latest to occur of (A) the date that is one (1) year following the Closing Date (except that if any claim to enforce the payment of the Seller Guaranteed Obligations is made by Buyer to or against Seller or the Seller Parent Guarantors prior to such date, then the date immediately following the date upon which such claim is finally satisfied or otherwise resolved by agreement of the parties thereto or by a final, non-appealable

judgment of a court of competent jurisdiction (subject to Section 9.14) and (B) the date on which neither Seller nor any of its Affiliates owns, directly or indirectly, any of the Company Interests (provided that any such Transfer of such Company Interests by Seller and/or any of its Affiliates was completed in compliance with Section 5.16), (iv) Buyer or any of its Affiliates seeking to impose Liability on any Seller Parent Guarantor in excess of its allocable share (as set forth on Schedule C) of the Cap and (v) Buyer or any of its Affiliates seeking to impose Liability on any Affiliate of Seller or any Affiliate of a Seller Parent Guarantor (other than the Seller Parent Guarantors and Seller, as applicable), in which case, other than clause (i), (A) if any Seller Parent Guarantor has previously made any payments under this Section 5.15, it shall be entitled to receive the amount of all such payments from Buyer and (B) none of the Seller Parent Guarantors nor any other Affiliates of Seller or any Affiliates of Seller Parent Guarantor (other than Seller) shall have any liability to Buyer with respect to the transactions contemplated hereby.

(e) Buyer hereby covenants and agrees that it shall not institute, and shall cause its Affiliates not to institute, any proceeding or bring any other claim arising under, or in connection with, the Seller Guaranteed Obligations, against any of the Seller Parent Guarantors or any Affiliate thereof (other than Seller), except for claims against the Seller Parent Guarantors for the Seller Guaranteed Obligations under this Section 5.15. Notwithstanding anything to the contrary contained in this Section 5.15, Buyer hereby agrees that to the extent Seller is relieved for any reason from its obligations under this Agreement pursuant to the terms hereof that correspond to the Seller Guaranteed Obligations in this Section 5.15, each Seller Parent Guarantor shall be similarly relieved of the Seller Guaranteed Obligations under this Section 5.15 to the extent hereof.

(f) Until the earliest to occur of any of events set forth in clauses (i) through (v) of Section 5.15(d), each Seller Parent Guarantor shall (i) not take steps to accelerate the dissolution or liquidation of the limited partnerships comprising such Seller Parent Guarantor such that such dissolution or liquidation would occur earlier than required by the applicable limited partnership agreements and (ii) ensure that none of the limited partnerships comprising such Seller Parent Guarantor are terminated.

(g) Each Seller Parent Guarantor's address for notices given pursuant to this Agreement is as set forth in Section 9.3 and notices to each Seller Parent Guarantor pursuant to this Agreement shall be governed by Section 9.3.

Section 5.16 Other Sales of Company Interests. Notwithstanding any other provision in this Agreement to the contrary, in no event shall Seller, and Seller shall cause its Affiliates not to, directly or indirectly sell, grant, convey, assign, Transfer or deliver, nor agree to directly or indirectly sell, grant, convey, assign, Transfer or deliver, any of the Company Interests owned by Seller or any such Affiliate (whether through one transaction or a series of related transactions) if such direct or indirect sale, conveyance, assignment, Transfer or delivery would result in any Person or group of Persons (together with their respective Affiliates and including, for clarity, Persons with general partners, advisors or managers that are Affiliates) owning a greater number of Company Interests than the Purchased Interests; provided that, and notwithstanding the foregoing, the foregoing provisions of this Section 5.16 shall not apply to circumstances where (a) Seller and/or such Affiliate is required to make an offer under Section 7.07 of the LLC Agreement after the Closing in order to enter into an agreement after the Closing to sell Company Interests owned by Seller and/or such Affiliate and an existing equity holder of the Company elects to

acquire all or a portion of such Company Interests pursuant to such offer and, as a result of such acquisition pursuant to such offer, such equity holder owns a greater number of Company Interests than the Purchased Interests or (b) provided that Seller and any such Affiliate shall have first complied in all respects with the second to the last sentence of this Section 5.16, Seller and/or such Affiliate participates as a “Drag-Along Seller” (as defined in the LLC Agreement) pursuant to Section 7.09 of the LLC Agreement. Seller agrees that it shall not, and shall cause its Affiliates not to, participate as a “Drag-Along Seller” pursuant to Section 7.09 of the LLC Agreement; provided that the foregoing obligation shall, from and after the Closing, be applicable only if Buyer and its Affiliates (and any successor in interest to any of the Purchased Interests) do not participate as a “Drag-Along Seller” pursuant to Section 7.09 of the LLC Agreement. If and to the extent Seller is permitted to Transfer any Company Interests to any Affiliate hereunder and under the LLC Agreement, and Seller effectuates such Transfer, Seller shall ensure that such Affiliate agrees to be bound by all of Seller's obligations under this Section 5.16 pursuant to an instrument in writing with Buyer in form and substance satisfactory to Buyer, acting reasonably.

ARTICLE VI.
CONDITIONS TO CLOSING

The respective obligations of each Party to consummate the transactions contemplated by this Agreement are subject to the satisfaction (or, if permissible, waiver by such Party) at or prior to the Closing Date of each of the following conditions:

(a) No Adverse Law. No Governmental Authority shall have issued, enacted, entered, promulgated or enforced any Law (whether temporary, preliminary or permanent) that is in effect and restrains, enjoins, renders illegal or otherwise prohibits the transactions contemplated hereby.

(b) Required Regulatory Approvals. The Consents listed on Schedule D (“Required Regulatory Approvals”) shall have been obtained at or prior to the Closing, such approvals shall have become Final Orders, and, unless waived by Buyer, none of Buyer, any Affiliate of Buyer nor any Company Entity shall have been required to take or agree to any Prescribed Actions pursuant to or with respect to obtaining any Required Regulatory Approval.

(a) Accuracy of Buyer’s Representations and Warranties. The representations and warranties of Buyer contained in this Agreement, disregarding all qualifications contained herein relating to materiality or Material Adverse Effect, shall be true and correct in each case on and as of the Closing Date (except for such representations and warranties which by their express provisions are made only as of an earlier date, in which case, as of such earlier date), except to the extent that the failure of such representations and warranties to be so true and correct would not, individually or in the aggregate, have a Material Adverse Effect on Buyer; *provided*, that (i) the

Fundamental Representations of Buyer shall be true and correct in all material respects in each case on and as of the Closing Date (except for such representations and warranties which by their express provisions are made only as of an earlier date, in which case, as of such earlier date) and (ii) the representations and warranties set forth in Section 4.6 shall be true and correct in all respects in each case on and as of the Closing Date (except for such representations and warranties which by their express provisions are made only as of an earlier date, in which case, as of such earlier date).

(b) Covenants and Agreements of Buyer. Buyer shall have performed and complied in all material respects with all of the covenants and agreements hereunder required to be performed and complied with by it prior to the Closing; *provided* that Buyer shall have performed and complied in all respects with the covenants and agreements set forth in Section 5.4(k) required to be performed and complied with by it prior to the Closing.

(b) Covenants and Agreements of Seller. Seller shall have performed and complied in all material respects with all of the covenants and agreements hereunder required to be performed and complied with by Seller prior to the Closing.

(c) No Material Adverse Effect. From the date of this Agreement there shall not have occurred and be continuing a Material Adverse Effect with respect to the Company Entities.

(d) Membership into the Company. At the Closing, Buyer shall be admitted as a member of the Company and Buyer's ownership of the Purchased Interests and, if applicable, the

Pro Rata Portion of the Additional Interests shall be registered in the books of the Company maintained for such purpose in accordance with the LLC Agreement, and evidence of the foregoing shall have been provided to Buyer.

(e) Closing Documents. On or prior to the Closing Date, Seller shall have delivered, or caused to be delivered, all agreements, instruments and documents required to be delivered by Seller pursuant to Section 2.4(a).

ARTICLE VII.
SURVIVAL, INDEMNIFICATION AND REMEDIES

Section 7.1 Survival. Each and every Fundamental Representation made by Seller and Buyer contained in this Agreement and in any Closing Certificate shall survive for a period of one (1) year following the Closing. Subject to the final sentence of this Section 7.1, none of Seller, Buyer, the Buyer Parent or any of their respective Affiliates shall have any Liability whatsoever with respect to any such representations or warranties from and after the time such representation or warranty ceases to survive hereunder. Each and every representation and warranty (other than any Fundamental Representation) shall expire at the Closing; and, subject to the final sentence of this Section 7.1, none of Seller, Buyer, the Buyer Parent or any of their respective Affiliates shall have any Liability whatsoever with respect to any such representation or warranty thereafter. Each covenant (other than the covenants which by their terms are to be performed by the Parties following the Closing, including, for the avoidance of doubt, Section 5.16 (collectively, the “Surviving Covenants”)) contained in this Agreement (collectively, the “Pre-Closing Covenants”) shall survive for a period of six (6) months following the Closing and, subject to the final sentence of this Section 7.1, none of Seller, Buyer, the Buyer Parent or any of their respective Affiliates shall have any Liability whatsoever pursuant to this Article VII with respect to any such Pre-Closing Covenant thereafter. Each Surviving Covenant shall survive the Closing Date until such Surviving Covenant is fully performed and, subject to the final sentence of this Section 7.1, none of Seller, Buyer, the Buyer Parent or any of their respective Affiliates shall have any Liability whatsoever pursuant to this Article VII with respect to any such Surviving Covenants thereafter. Notwithstanding the foregoing, any representation, warranty or covenant that would otherwise terminate in accordance with this Section 7.1 shall continue to survive if a Claim Notice or Indemnity Notice (as applicable) shall have been timely given in accordance with Section 7.3 on or prior to such termination date, until the related claim for indemnification has been satisfied or otherwise resolved as provided in Section 7.3.

Section 7.2 Indemnification.

(a) Subject to the other provisions of this Article VII, from and after the Closing, Seller shall indemnify the Buyer Indemnified Parties in respect of, and hold each of them harmless from and against, any and all Damages suffered, incurred or sustained by any of them resulting from, arising out of or relating to (i) any breach or inaccuracy of any Fundamental Representation made by Seller herein or in Seller’s Closing Certificate (disregarding all qualifications contained herein relating to materiality or Material Adverse Effect (both with respect to the amount of Damages and whether a breach or inaccuracy has occurred)), or (ii) any breach of or failure to perform any Pre-Closing Covenant or Surviving Covenant on the part of Seller contained in this Agreement.

(b) Subject to the other provisions of this Article VII, from and after the Closing, Buyer shall indemnify the Seller Indemnified Parties in respect of, and hold each of them harmless from and against, any and all Damages suffered, incurred or sustained by any of them resulting from, arising out of or relating to (i) any breach or inaccuracy of any Fundamental Representations made by Buyer herein or in Buyer's Closing Certificate (disregarding all qualifications contained herein relating to materiality or Material Adverse Effect (both with respect to the amount of Damages and whether a breach or inaccuracy has occurred)), or (ii) any breach of or failure to perform any Pre-Closing Covenant or Surviving Covenant on the part of Buyer contained in this Agreement.

(c) Seller shall have no liability to the Buyer Indemnified Parties for Damages suffered, incurred or sustained by any of them resulting from, arising out of or relating to any breach or inaccuracy of any representation and warranty unless and until unless the aggregate amount of all Damages suffered by Buyer Indemnified Parties exceeds \$5 million, and then only for the amount in excess of \$5 million.

(d) Seller's liability for Damages under this Agreement resulting from, arising out of, or relating to any breach or inaccuracy of any Fundamental Representation made by Seller or any breach of or failure to perform any Pre-Closing Covenant or Surviving Covenant on the part of Seller contained in this Agreement shall be limited to, in the aggregate, an amount equal to the Purchase Price.

(e) If a Buyer Indemnified Party provides a Claim Notice or Indemnity Notice (as applicable) in accordance with Section 7.3 and to the extent the Damages claimed with respect thereto are covered by the RWI and EOP, such Buyer Indemnified Party shall first seek to recover the full amount of such Damages covered under the RWI and EOP, and Seller shall have no indemnification obligations and no liability for any such Damages covered under the RWI and EOP under this Article VII unless and until such Indemnified Party shall have sought recovery for such Damages under the RWI and EOP and shall have been denied recovery of the full amount of such Damages (*provided* that, for the avoidance of doubt, nothing in this Section 7.2(e) shall prohibit or limit the right of any Buyer Indemnified Party to take any actions reasonably necessary to preserve their indemnification rights under this Article VII). The amount which an Indemnifying Party is or may be required to pay to an Indemnified Party in respect of Damages for which indemnification is provided under this Agreement shall be reduced by any amounts actually received (including amounts received under the RWI and EOP and any other insurance policies) by or on behalf of any Indemnified Party or its Affiliates from third parties and any Tax benefit to the Indemnified Party or its Affiliates arising in connection with the payment of any such Damages (such amounts and benefits are collectively referred to herein as "Indemnity Reduction Amounts"). If any Indemnified Party or its Affiliates receives any Indemnity Reduction Amounts in respect of a claim for which indemnification is provided under this Agreement after the full amount of such claim has been paid by an Indemnifying Party or after an Indemnifying Party has made a partial payment of such claim and such Indemnity Reduction Amounts exceed the remaining unpaid balance of such claim, then the Indemnified Party shall promptly remit to the Indemnifying Party an amount equal to the excess (if any) of (i) the amount theretofore paid by the Indemnifying Party in respect of such claim, less (ii) the amount of the indemnity payment that would have been due if such Indemnity Reduction Amounts in respect thereof had been received before the indemnity payment was made. An insurer or other third party who would otherwise be obligated to pay any claim shall not be relieved of the responsibility with respect thereto or, solely by virtue of the

indemnification provisions hereof, have any subrogation rights with respect thereto, it being expressly understood and agreed that no insurer or any other third party shall be entitled to any benefit they would not be entitled to receive in the absence of the indemnification provisions by virtue of the indemnification provisions hereof; *provided*, that, for the avoidance of doubt, nothing in this Agreement shall constitute or be deemed to constitute a waiver of any subrogation rights of any insurer under the RWI and EOP in respect of (x) Intentional Fraud or (y) any changes, modifications, or amendments to, or waivers of, the terms of any Other PSA in breach of this Agreement. Each of Seller and Buyer, as appropriate, shall, or shall cause each Indemnified Party to, use its reasonable best efforts to mitigate Damages. For purposes of this Section 7.2(e), any Indemnified Party will be deemed to realize a Tax benefit in a taxable period in respect of any Damages incurred by such Indemnified Party to the extent that the cumulative liability for Taxes of the Indemnified Party for such taxable period through the end of the taxable period, calculated with such Damages excluded, exceeds the actual cumulative liability for Taxes of the Indemnified Party for such taxable period through the end of such taxable period, calculated with such Damages included.

Section 7.3 Method of Asserting Claims. All claims for indemnification by any Indemnified Party under Section 5.2(a) and Section 7.2 shall be asserted and resolved as follows:

(a) In the event that any Action is asserted against or sought to be collected from any Indemnified Party by any Person other than a Party in respect of which an Indemnified Party intends to make a claim for indemnification pursuant to Section 5.2(a) or Section 7.2 (a “Third-Party Claim”), then such Indemnified Party shall promptly deliver a Claim Notice to the Indemnifying Party in accordance with Section 7.3(b). In the event that any such Third-Party Claim is asserted against any Indemnified Party, the Indemnifying Party shall be entitled to assume and control the defense of such Third-Party Claim, with counsel reasonably satisfactory to such Indemnified Party, and, after delivering written notice to such Indemnified Party of its election to assume and control the defense of such Third-Party Claim, the Indemnifying Party shall not be liable to such Indemnified Party for any legal or other expenses subsequently incurred by such Indemnified Party in connection therewith; *provided* that in the event that the Indemnifying Party elects to assume and control the defense thereof, the Indemnified Party may participate in such defense at the Indemnified Party’s expense. If the Indemnifying Party does not elect to assume and control the defense of any Third-Party Claim, then it shall not be obligated to pay the fees and expenses of more than one counsel for the Indemnified Parties with respect to such Third-Party Claim, unless the Indemnified Parties shall have been advised by outside legal counsel that representation of any such Indemnified Parties by the same counsel would be inappropriate under applicable standards of professional conduct due to actual or potential conflicts of interest between them, in which case, the Indemnifying Party shall be obligated to pay the fees and expenses of such additional counsel as is necessary to address such conflicts. No Indemnifying Party shall consent to entry of any judgment or enter into any settlement of any Third-Party Claim of which it has assumed and controls the defense hereunder without the consent of the Indemnified Party, to the extent such judgment or settlement would have an adverse impact on the Indemnified Party, which consent shall not be unreasonably withheld or delayed; *provided*, that such consent shall not be required if (i) the settlement agreement contains a full and unconditional release by all parties asserting the Third-Party Claim of all Indemnified Parties affected by such Third-Party Claim and (ii) the settlement is for money damages only. No Indemnifying Party shall be subject to any

Liability for any settlement of any Third-Party Claim made without its consent, which consent shall not be unreasonably withheld or delayed.

(b) In the event that any Indemnified Party intends to make a claim (including with respect to any Third-Party Claim) for indemnification pursuant to Section 5.2(a) or Section 7.2, such Indemnified Party shall deliver an Indemnity Notice promptly to the Indemnifying Party; *provided*, that the failure by any Indemnified Party to deliver such Indemnity Notice shall not impair such Indemnified Party's rights hereunder except to the extent that any Indemnifying Party has been prejudiced thereby, and then only to the extent of such prejudice. The Indemnifying Party shall notify the Indemnified Party within thirty (30) days after its receipt of such Indemnity Notice as to whether the Indemnifying Party disputes its Liability for any claim set forth in the Indemnity Notice. If the Indemnifying Party notifies the Indemnified Party that it does not dispute the claim set forth in the Indemnity Notice, or fails to notify the Indemnified Party within such thirty (30)-day period whether the Indemnifying Party disputes such claim, then the Indemnifying Party shall be deemed to be liable hereunder for indemnifying the Indemnified Party for indemnifiable Damages in respect of such claim, subject to the other provisions of this Article VII, when such Damages have been finally determined or when the Indemnifying Party and the Indemnified Parties have mutually agreed in writing as to the amount of such Damages, if earlier.

(c) The Parties shall cooperate with one another with respect to resolving any claim or Liability with respect to which one Party is obligated to provide indemnification hereunder.

(d) Notwithstanding anything contained in this Agreement, any amounts payable pursuant to this Article VII shall be paid without duplication, and in no event shall any Indemnified Party be indemnified under different provisions of this Agreement for the same Damages.

Section 7.4 Limitations on Remedies.

(a) EXCEPT FOR ANY REPRESENTATIONS AND WARRANTIES EXPRESSLY SET FORTH IN ARTICLE III OR SELLER'S CLOSING CERTIFICATE, THE PURCHASED ASSETS ARE BEING ACQUIRED "AS IS, WHERE IS," AND EACH OF SELLER AND ITS AFFILIATES EXPRESSLY DISCLAIMS ANY REPRESENTATION OR WARRANTY OF ANY KIND OR NATURE, EXPRESS OR IMPLIED, AS TO THE PURCHASED ASSETS OR THE BUSINESS, OPERATIONS, ASSETS OR CONDITION (FINANCIAL OR OTHERWISE) OF THE COMPANY ENTITIES, AND EACH OF SELLER AND ITS AFFILIATES EXPRESSLY DISCLAIMS, AND BUYER HEREBY WAIVES, ANY REPRESENTATION OR WARRANTY OF QUALITY, MERCHANTABILITY, NON-INFRINGEMENT, USAGE, OR SUITABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE WITH RESPECT TO THE ASSETS OF THE COMPANY ENTITIES, OR ANY PART THEREOF, OR AS TO THE WORKMANSHIP THEREOF, OR THE ABSENCE OF ANY DEFECTS THEREIN, WHETHER LATENT OR PATENT, OR COMPLIANCE WITH AND LIABILITIES ARISING UNDER ENVIRONMENTAL LAWS (INCLUDING WITH RESPECT TO THE USE, PRESENCE, DISPOSAL OR RELEASE OF HAZARDOUS MATERIALS AND ANY LIABILITIES ARISING UNDER OR WITH RESPECT TO THE COMPREHENSIVE ENVIRONMENTAL RESPONSE, COMPENSATION, AND LIABILITY ACT OR ANY OTHER ANALOGOUS LAW), OR AS TO THE CONDITION OF THE ASSETS OF THE COMPANY ENTITIES, OR ANY PART THEREOF, INCLUDING WHETHER THE

COMPANY ENTITIES POSSESS SUFFICIENT REAL PROPERTY OR PERSONAL PROPERTY TO OPERATE THE BUSINESS OF THE COMPANY ENTITIES, IN EACH CASE, EXCEPT AS EXPRESSLY SET FORTH HEREIN.

(b) Except for the express obligations of Seller under this Agreement, for and in consideration of the Purchased Assets owned by Seller, from and after the Closing, Buyer, on behalf of itself and its direct and indirect equity holders and Subsidiaries, Affiliates, Representatives and each of the respective heirs, executors, administrators, successors and assigns of any of the foregoing (each a “Releasor”), hereby absolutely and unconditionally releases, acquits and forever discharges, to the fullest extent permitted by Law, Seller and its past, present and future direct and indirect equity holders, Subsidiaries, Affiliates, and each of its and its Subsidiaries’ and Affiliates’ present and former Representatives, direct and indirect equity holders, and each of the respective heirs, executors, administrators, successors and assigns of any of the foregoing (each, a “Releasee”) of, from and against any and all Actions (including all claims, demands and causes of action for contribution and indemnity under statute or common law), Damages and Liabilities of every kind, nature and description whatsoever, whether known or unknown, both in law and in equity, in each case to the extent arising out of or resulting from (i) Seller’s or such Releasee’s ownership and/or operation of the Purchased Assets or the assets, business, operations, conduct, services, products and/or employees (including former employees) of any of the Company Entities (or its predecessors), whether related to any period of time before or after the Closing, including any Liabilities under Environmental Law or (ii) except as expressly set forth in this Agreement, any representation or warranty as to the accuracy of any projections, estimates or budgets, future revenues, future results from operations, future cash flows, the future condition of the Purchased Assets, any Company Entity or the businesses or assets thereof or any other information provided or not provided by or on behalf of Seller, any Company Entity or any Affiliate or Representative of any of the foregoing in connection with the transactions contemplated hereby, including in any memorandum or management presentation received by Buyer, its Affiliates or its or their respective Representatives, during due diligence, in the Data Room, and in any oral, written or electronic response to any information request provided to Buyer, its Affiliates or its or their respective Representatives. Buyer agrees not to, and agrees to cause the other Releasors not to, assert any claim with respect to any such Actions, Damages or Liabilities against the Releasees; *provided, however*, that notwithstanding the foregoing, neither Buyer nor any other Releasor releases any of its rights and interests under this Agreement.

(c) None of the Seller Indemnified Parties and none of the Buyer Indemnified Parties shall be entitled to any recovery under this Agreement or any other Transaction Document following Closing for any of its or its Affiliates’ special, exemplary, punitive, consequential, or indirect damages; *provided*, that the foregoing shall not apply to (i) Third-Party Claims for which any Party is obligated to provide indemnification hereunder and (ii) any consequential or indirect damages that are a reasonably foreseeable consequence of the applicable breach, inaccuracy or failure to perform (including, to the extent reasonably foreseeable, diminution of value of the Purchased Assets and, if applicable, the Additional Purchased Assets and lost Distributions (provided that, for clarity, all references to Seller in such definition and any related definitions shall be read as Buyer) with respect to the Purchased Assets and, if applicable, the Additional Purchased Assets.

Section 7.5 Exclusive Remedies. From and after the Closing, except for Intentional Fraud, the remedies set forth in this Article VII shall be the sole and exclusive remedy with respect to any and all claims relating, directly or indirectly, to the subject matter of this Agreement. Without limiting the generality of the foregoing and subject to Section 5.13(b), Section 9.12 (including as it relates to Section 5.10, Section 5.13(b), Section 5.15(f) and Section 5.16), this Article VII and Article VIII, Buyer and Seller hereby waive, to the fullest extent permitted under applicable Law, any and all rights, claims and causes of action (except for Intentional Fraud) that it or any of its respective Affiliates may have against any other Party or any of its Affiliates with respect to the subject matter of this Agreement, whether in law or equity.

ARTICLE VIII. TERMINATION

Section 8.1 Termination Events. Without prejudice to other remedies which may be available to the Parties by Law or this Agreement, this Agreement may be terminated and the transactions contemplated hereby may be abandoned at any time prior to the Closing:

- (a) by mutual written consent of Seller and Buyer;
- (b) by Seller, on the one hand, or Buyer, on the other hand, by giving written notice to Buyer or Seller, as the case may be, if the Closing shall not have occurred by the Termination Date; *provided*, that such Termination Date may be extended by written agreement of Seller and Buyer; and *provided further*, that a Party shall not be permitted to terminate this Agreement pursuant to this Section 8.1(b) if such Party has breached any of its covenants, agreements or other obligations hereunder in a manner that would reasonably be expected to cause any condition of the terminating Party set forth in Article VI not to be satisfied or the failure of the Closing to have occurred by the Termination Date;
- (c) by Seller by giving written notice to Buyer if Buyer has breached any of its covenants, agreements or other obligations hereunder in a manner that would reasonably be expected to cause any condition of Seller set forth in Article VI not to be satisfied and, except in the case of any breach of Buyer's obligation to effect the Closing and pay the Preliminary Purchase Price in accordance with the terms of Article II, such breach has not been cured within the earlier of (x) thirty (30) days after written notification thereof and (y) five (5) Business Days prior to the Termination Date; *provided*, that Seller shall not be permitted to terminate pursuant to this subsection (c) if Seller is in breach hereunder;
- (d) by Buyer by giving written notice to Seller if Seller has breached any of its covenants, agreements or other obligations hereunder in a manner that would reasonably be expected to cause any condition of Buyer set forth in Article VI not to be satisfied and such breach has not been cured within the earlier of (x) thirty (30) days after written notification thereof and (y) five (5) Business Days prior to the Termination Date; *provided*, that Buyer shall not be permitted to terminate pursuant to this subsection (d) if Buyer is in breach hereunder;
- (e) by either Seller, on the one hand, or Buyer, on the other hand, by giving written notice to Buyer or Seller, as the case may be, if any Governmental Authority shall have issued, enacted, entered, promulgated or enforced any Law or taken any other action permanently

restraining, enjoining or otherwise prohibiting the transactions contemplated hereby, and such Law shall not be subject to appeal or shall have become final and non-appealable; *provided*, that the right to terminate this Agreement under this subsection (e) shall not be available to any Party if the action of the Governmental Authority was primarily due to the failure of such Party to perform any of its obligations hereunder; or

(f) by Seller by giving written notice to Buyer if the aggregate amount of the Regulatory Commitments exceeds \$ [REDACTED].

Section 8.2 Effect of Termination. In the event of any termination of this Agreement pursuant to Section 8.1, all rights and obligations of the Parties hereunder shall terminate without any Liability on the part of either Party, any Company Entity or any Affiliate of any of the foregoing in respect thereof, except that (a) provisions, and the obligations of Buyer and Seller, as the case may be, in the last two sentences of Section 5.2(a), under Section 5.5, this Article VIII and Article IX of this Agreement shall remain in full force and effect and (b) subject to Section 8.3(c), such termination shall not relieve any Party of any Liability for any intentional and willful breach of this Agreement prior to such termination.

Section 8.3 Buyer Termination Fee.

(a) In the event this Agreement is terminated by Seller pursuant to Section 8.1(c) based on a failure by Buyer to perform its covenants or agreements under Section 5.4 (or by (x) Seller pursuant to Section 8.1(b) or (y) Seller or Buyer pursuant to Section 8.1(e) in either case in circumstances in which Seller could terminate this Agreement pursuant to Section 8.1(c) based on a failure by Buyer to perform its covenants or agreements under Section 5.4), and, at the time of such termination, all other conditions to the Closing set forth in Section 6.1 and Section 6.3 have been satisfied (other than those conditions that by their terms are to be satisfied at the Closing but which are capable of being satisfied at the Closing if the Closing were to occur), or, if permissible, waived, Buyer shall, no later than five (5) Business Days following such termination, pay, or cause to be paid, in immediately available funds by wire transfer, an amount equal to Thirty Million Dollars (\$30,000,000.00) (such amount, the “Buyer Termination Fee”), to Seller (or its designees) to an account or accounts that have been designated by Seller to Buyer in writing.

(b) If Buyer fails to promptly pay the Buyer Termination Fee when due and, in order to obtain such payment, Seller commences an Action to recover the Buyer Termination Fee that results in a final judgment against Buyer for the Buyer Termination Fee, Buyer shall pay to Seller, together with the Buyer Termination Fee, (i) interest on the Buyer Termination Fee from (and including) the date of termination of this Agreement until (and including) the date of payment of the Buyer Termination Fee at a rate per annum equal to the Prime Rate in effect on the date of termination of this Agreement plus two percent (2%) and (ii) any fees, costs and expenses (including legal fees) incurred by Seller, the Company Entities or their respective Affiliates in connection with any such Action.

(c) Without limiting any rights of Seller under Section 9.12 prior to the termination of this Agreement pursuant to Section 8.1, if this Agreement is terminated under circumstances in which Buyer is obligated to pay the Buyer Termination Fee under Section 8.3(a), then upon payment of the Buyer Termination Fee and, if applicable, the costs and expenses of Seller pursuant

to Section 8.3(b) in accordance therewith, Buyer shall not have any further liability with respect to this Agreement or the transactions contemplated hereby to Seller, and payment of the Buyer Termination Fee and such costs and expenses by Buyer shall be Seller's sole and exclusive remedy for any Damages suffered or incurred by Seller, the Company Entities or any of their respective Affiliates or Representatives in connection with this Agreement, the transactions contemplated hereby (and the termination thereof) or any matter forming the basis for such termination; *provided* that nothing in this Section 8.3(c) shall release Buyer from liability for intentional and willful breach of this Agreement prior to such termination. The Parties acknowledge and agree that in no event will Buyer be required to pay the Buyer Termination Fee on more than one occasion.

(d) Each of the Parties acknowledges and agrees that in the circumstances where the Buyer Termination Fee is payable, Seller's damages would be difficult or impossible to quantify with reasonable certainty and accordingly the payment provided for in this Section 8.3 is a payment of liquidated damages (and not penalties) and the agreements contained in this Section 8.3 are an integral part of this Agreement and the transactions contemplated hereby, and that without these agreements, Seller would not enter into this Agreement.

Section 8.4 Seller Termination Fee.

(a) In the event this Agreement is terminated by Seller pursuant to Section 8.1(f), and at the time of such termination all other conditions to the Closing set forth in Section 6.1 and Section 6.2 have been satisfied (other than those conditions that by their terms are to be satisfied at the Closing but which are capable of being satisfied at the Closing if the Closing were to occur), or, if permissible, waived, Seller shall, no later than five (5) Business Days following such termination, pay, or cause to be paid, in immediately available funds by wire transfer, an amount equal to [REDACTED] Dollars (\$ [REDACTED]) (such amount, the "Seller Termination Fee") to Buyer (or its designees) to an account or accounts that have been designated by Buyer to Seller in writing.

(b) If Seller fails to promptly pay the Seller Termination Fee when due and, in order to obtain such payment, Buyer commences an Action to recover the Seller Termination Fee that results in a final judgment against Seller for the Seller Termination Fee, Seller shall pay to Buyer, together with the Seller Termination Fee, (i) interest on the Seller Termination Fee from (and including) the date of termination of this Agreement until (and including) the date of payment of the Seller Termination Fee at a rate per annum equal to the Prime Rate in effect on the date of termination of this Agreement plus two percent (2%) and (ii) any fees, costs and expenses (including legal fees) incurred by Buyer or its Affiliates in connection with any such Action.

(c) Without limiting any rights of Buyer under Section 9.12 prior to the termination of this Agreement pursuant to Section 8.1, if this Agreement is terminated under circumstances in which Seller is obligated to pay the Seller Termination Fee under Section 8.4(a), then upon payment of the Seller Termination Fee and, if applicable, the costs and expenses of Buyer pursuant to Section 8.4(b) in accordance therewith, Seller shall not have any further liability with respect to this Agreement or the transactions contemplated hereby to Buyer, and payment of the Seller Termination Fee and such costs and expenses by Seller shall be Buyer's sole and exclusive remedy for any Damages suffered or incurred by Buyer or any of its Affiliates or Representatives in connection with this Agreement, the transactions contemplated hereby (and the termination

thereof) or any matter forming the basis for such termination; *provided* that nothing in this Section 8.4(c) shall release Seller from liability for intentional and willful breach of this Agreement. The Parties acknowledge and agree that in no event will Seller be required to pay the Seller Termination Fee on more than one occasion.

(d) Each of the Parties acknowledges and agrees that in the circumstances where the Seller Termination Fee is payable, Buyer's damages would be difficult or impossible to quantify with reasonable certainty and accordingly the payment provided for in this Section 8.4 is a payment of liquidated damages (and not penalties) and the agreements contained in this Section 8.4 are an integral part of this Agreement and the transactions contemplated hereby, and that without these agreements, Buyer would not enter into this Agreement.

ARTICLE IX. MISCELLANEOUS

Section 9.1 Parties in Interest. This Agreement shall be binding on, and solely for the benefit of the Parties and their respective successors and permitted assigns, and nothing set forth in this Agreement, express or implied, shall be construed to confer, directly or indirectly, upon or give to any Person other than the Parties any benefits, rights or remedies under or by reason of, or any rights to enforce or cause to enforce, any provisions of this Agreement; *provided*, that each of following Persons shall be third-party beneficiaries hereof, as set forth in the following provisions hereof: (a) the Indemnified Parties, as set forth in Article VII, (b) the directors, managers, committee members and officers of the Company Entities, as set forth in Section 5.8, (c) the Releasees, as set forth in Section 7.4(b), and (d) the applicable investment advisors, as set forth in Section 9.4(d).

Section 9.2 Assignment. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns. No Party may assign (by contract, stock sale, operation of Law or otherwise) either this Agreement or any of its rights, interests, or obligations hereunder without the express prior written consent of the other Parties, and any attempted assignment, without such consent, shall be null and void; *provided* that Buyer may assign this Agreement and its rights and obligations hereunder to a different acquisition vehicle all of the economic interests of which are indirectly owned by Buyer Parent, so long as (a) Buyer is not relieved of its obligations under this Agreement and the other Transaction Documents unless Seller otherwise expressly agrees in writing and (b) such assignee assumes the obligation to perform such obligations in accordance with the terms of this Agreement and the other Transaction Documents, and (c) the Buyer Parent Commitment Letter and the Buyer Parent Guarantee each remain in full force and effect with respect to such assignee.

Section 9.3 Notices. All notices and other communications required or permitted to be given by any provision of this Agreement (or in connection with the matters contemplated hereby) shall be in writing and mailed (certified or registered mail, postage prepaid, return receipt requested) or sent by hand, electronic mail, overnight courier or facsimile transmission (with acknowledgment received), charges prepaid and addressed to the intended recipient as follows, or to such other addresses or numbers as may be specified by a Party from time to time by like notice to the other Parties:

Section 9.4 Amendments and Waivers.

(a) This Agreement may not be amended, supplemented or otherwise modified except in a written instrument executed by each of the Parties.

(b) No delay or omission in the exercise of any right, power or remedy to any Party as a result of any breach or default by any other Party under this Agreement shall impair any such right, power or remedy, nor shall it be construed as a waiver of, or acquiescence in, any such breach or default, or of any similar breach or default occurring later, nor shall any such delay, omission or waiver of any single breach or default be deemed a waiver of any other breach occurring before or after that waiver. No waiver by any of the Parties of any of the provisions hereof shall be effective unless explicitly set forth in writing and executed by the Party sought to be charged with such waiver.

(c) To the extent that Seller is (i) entitled to grant any agreement, consent, waiver or approval to, or (ii) required to obtain the agreement, consent, waiver or approval of, or provide notice to, any other Party (or the Company) under any provision of the LLC Agreement for the execution and delivery of this Agreement, the performance of any obligations hereunder, or the consummation of the transactions contemplated hereby, Seller hereby grants such agreement, consent, waiver or approval (including Seller's approval of Buyer as the transferee of the Purchased Interests), and hereby waives (and shall exercise its Seller Company Rights in such manner consistent with permitting the Company to waive) compliance by the Buyer with such requirement of the LLC Agreement (but not, for the avoidance of doubt, compliance with any requirement under any related provision of this Agreement) with respect to the transactions contemplated by this Agreement.

(d) To the extent that Buyer or any of its Affiliates is an investment advisory client of Seller or any Affiliate thereof (including, without limitation, Macquarie Infrastructure and Real Assets Inc. or any other Macquarie Group entity), Buyer hereby consents to and waives, for the benefit of the applicable investment advisor, any conflicts of interest presented by the transactions contemplated hereby by virtue of Buyer or any such Affiliate thereof being an investment advisory client of such applicable investment advisor.

Section 9.5 Exhibits and Schedules.

(a) All Exhibits and Schedules and the Disclosure Schedules attached hereto are hereby incorporated herein by reference and made a part hereof.

(b) Seller shall have the right (but not the obligation) to deliver to Buyer, at any time prior to the Closing Date, a supplement to the Seller Disclosure Schedule (the "Closing Date Schedule Supplement") to disclose any matter arising or discovered after the date hereof that would have been required to be set forth in the Seller Disclosure Schedule for the representations and warranties of Seller set forth herein to be true and correct, and the Seller Disclosure Schedule shall be deemed to be modified, supplemented and amended to include the items listed in the Closing Date Schedule Supplement for all purposes hereunder, other than to cure any breach or inaccuracy of any representation or warranty of Seller contained in this Agreement for purposes of Article VII. If any item set forth in the Closing Date Schedule Supplement discloses any event, circumstance or development that, individually or in the aggregate when taken together with other previously disclosed events, circumstances or developments, would reasonably be expected to cause the failure of any of the conditions set forth in Section 6.3(a) to be satisfied, then Buyer may terminate this Agreement by delivering notice of termination to Seller within fifteen (15) Business Days of its receipt of such Closing Date Schedule Supplement; *provided* that, if Buyer does not deliver such notice within such fifteen (15)-Business Day period, then Buyer shall be deemed to have irrevocably waived its right to terminate this Agreement with respect to such item and its right to not consummate the transactions contemplated hereby with respect to such item (*provided* that for purposes of determining whether any of the conditions set forth in Section 6.3(a) would reasonably be expected to be satisfied, Buyer shall be entitled to consider and include the aggregate effects of all previously disclosed items in any prior Closing Date Schedule Supplement), in each case, after giving effect to such item under any of the conditions set forth in Section 6.3(a), but shall not be deemed to have irrevocably waived its right to indemnification under Section 7.2 with respect to such item.

Section 9.6 Headings. The table of contents and section headings contained in this Agreement are for reference purposes only and shall not be deemed a part of this Agreement or affect in any way the meaning or interpretation of this Agreement.

Section 9.7 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

Section 9.8 Entire Agreement. This Agreement (including the Schedules and the Exhibits hereto), the other Transaction Documents and the Confidentiality Agreement constitute the entire agreement among the Parties with respect to the subject matter hereof and thereof and supersede any prior understandings, negotiations, agreements, statements or representations among the Parties, the Company Entities or any of their respective Affiliates of any nature, whether written or oral, to the extent they relate in any way to the subject matter hereof or thereof.

Section 9.9 Severability. If any provision of this Agreement or the application of any such provision to any Person or circumstance shall, under applicable Laws, be declared by any court of competent jurisdiction to be invalid, illegal, void or unenforceable in any respect, all other provisions of this Agreement, or the application of such provision to Persons or circumstances other than those as to which it has been held invalid, illegal, void or unenforceable, shall nevertheless remain in full force and effect and shall in no way be affected, impaired or invalidated thereby. Upon such determination that any provision, or the application of any such provision, is invalid, illegal, void or unenforceable under applicable Laws, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible to the fullest extent permitted by applicable Law in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the greatest extent possible. Notwithstanding anything contained herein, under no circumstance shall the obligation of Seller to deliver any of the Purchased Assets be enforceable absent enforceability of the obligation of Buyer to pay the Purchase Price, and vice versa.

Section 9.10 Expenses.

(a) Buyer shall be obligated to pay any and all reasonable out-of-pocket costs of any audit of any Company Entity as may be required to enable Buyer to complete and file any filing by Buyer or an Affiliate of Buyer with any Governmental Authority or otherwise.

(b) Unless otherwise provided herein, including as provided in Section 2.2, (i) each Party agrees to pay, without right of reimbursement from any other Party, all costs and expenses incurred by such Party incident to the performance of its obligations hereunder, including the fees and disbursements of counsel, accountants, financial advisors, experts and consultants employed by the respective Parties in connection with the transactions contemplated hereby, and (ii) Seller agrees to pay, without right of reimbursement from Buyer, all Transaction Expenses incurred by any of the Company Entities, in the case of each of clauses (i) and (ii), whether or not the transactions contemplated by this Agreement are consummated. Seller shall ensure that the payment or reimbursement of Transaction Expenses contemplated by clause (ii) of this Section 9.10(b) shall be paid by the Seller to the applicable vendors or reimbursed to the Company at or prior to the Closing.

Section 9.11 No Recourse Against Non-Party Affiliates; Several Liability. Other than pursuant to and to the extent provided in Section 5.15, the Buyer Parent Commitment Letter and the Buyer Parent Guarantee, each of the Parties covenants, agrees and acknowledges that all claims, obligations, Liabilities, or causes of action (whether in contract or in tort, in equity or at Law, or granted by statute) that may be based upon, in respect of, arise under, out or by reason of, be connected with, or relate in any manner to this Agreement, or the negotiation, execution, or performance of this Agreement (including any representation or warranty made in, in connection with, or as an inducement to, this Agreement), may be made only against (and are those solely of) the entities that are expressly identified as Parties in the preamble to this Agreement (the "Contracting Parties"). Other than pursuant to and to the extent provided in Section 5.15, the Buyer Parent Commitment Letter and the Buyer Parent Guarantee, no Person who is not a Contracting Party, including any (a) past, present or future Representative or Affiliate of such Contracting Party (other than any such Affiliate that is also a Contracting Party, and then solely with respect to such Affiliate Contracting Party's Liability hereunder, and not the Liability of any other Contracting

Party), (b) incorporator, Controlling person or direct or indirect holder of any Equity Interests or securities of any Contracting Party (whether such holder is a limited or general partner, member, stockholder or otherwise), or (c) Representative, Affiliate, incorporator, Controlling person or direct or indirect holder of any Equity Interests or securities of any of the foregoing (the “Non-Party Affiliates”), shall have any Liability (whether in contract or in tort, in equity or at Law, or granted by statute) for any claims, causes of action, obligations, or Liabilities arising under, out of, in connection with, or related in any manner to this Agreement or based on, in respect of, or by reason of this Agreement or in its negotiation, execution, performance, or breach; and, to the maximum extent permitted by applicable Law, each Contracting Party hereby waives and releases all such Liabilities, claims, causes of action and obligations against any such Non-Party Affiliates. Without limiting the generality of the foregoing, to the maximum extent permitted by applicable Law, other than pursuant to and to the extent provided in Section 5.15, the Buyer Parent Commitment Letter and the Buyer Parent Guarantee, (i) each Contracting Party hereby waives and releases any and all rights, claims, demands, or causes of action that may otherwise be available in equity or at Law, or granted by statute, to avoid or disregard the entity form of a Contracting Party or otherwise impose Liability of a Contracting Party on any Non-Party Affiliate, whether granted by statute or based on theories of equity, agency, control, instrumentality, alter ego, domination, sham, single business enterprise, piercing the veil, unfairness, undercapitalization, or otherwise; (ii) each Contracting Party disclaims any reliance upon any Non-Party Affiliates with respect to the performance of this Agreement or any representation or warranty made in, in connection with, or as an inducement to this Agreement; and (iii) each Party hereby waives and releases the Non-Party Affiliates from any personal liability under this Agreement or any documents or instruments delivered in connection herewith or with the transactions contemplated hereby for any claim based on, in respect of or by reason of such obligations or by their creation.

Section 9.12 Specific Performance. Notwithstanding anything in this Agreement to the contrary, but subject to Section 8.3 and Section 8.4, (a) each Party recognizes and acknowledges that a breach by it of any covenants or agreements contained in this Agreement shall cause the other Parties to sustain irreparable harm for which it would not have an adequate remedy at Law, and therefore in the event of any such breach the aggrieved Party shall, without the posting of bond or other security (any requirement for which the Parties hereby waive), be entitled to the remedy of specific performance of such covenants and agreements, including injunctive and other equitable relief, in addition to any other remedy to which it might be entitled, (b) a Party shall be entitled to an injunction or injunctions to prevent breaches of this Agreement, and (c) in the event that any action is brought in equity to enforce the provisions of this Agreement, no Party shall allege, and each Party hereby waives the defense or counterclaim, that there is an adequate remedy at law. Without limiting the foregoing, the Parties agree that any failure by the Parties to comply with their respective obligations under Section 5.10, Section 5.13(b), Section 5.15(f) and Section 5.16 would constitute a material breach of Seller's or Buyer's, as applicable, obligations under this Agreement and Buyer or Seller, as applicable, shall be entitled to specific performance of Seller's or Buyer's as applicable, obligations under such provisions, in each case, pursuant to and in accordance with this Section 9.12.

Section 9.13 No Partnership or Agency; No Voting Agreement. Nothing in the Agreement shall constitute a partnership between the Parties or any of them or constitute any Party as agent of any other Party for any purpose whatsoever. Nothing in this Agreement shall be deemed to constitute a voting agreement among the Parties or between any of them.

Section 9.14 Governing Law. This Agreement, and all claims and causes of action (whether in contract, tort, at law in equity or otherwise) that may be based upon, arise out of, or relate to this Agreement or the Transaction Documents, any of the transactions contemplated hereby or thereby or the negotiation, execution, performance or enforcement of this Agreement shall be governed by and construed in accordance with the Law of the state of Delaware without giving effect to any choice or conflict of laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Delaware.

Section 9.15 Consent to Jurisdiction; Waiver of Jury Trial.

(a) Each of the Parties irrevocably submits to the exclusive jurisdiction of (i) state courts of the State of Delaware located in New Castle County and (ii) the United States District Court for the District of the State of Delaware for the purposes of any suit, Action or other proceeding arising out of or relating to this Agreement, the negotiation, execution, performance and enforcement of this Agreement or any transaction contemplated hereby (and agrees not to commence any Action, suit or proceeding relating hereto except in such courts). Each of the Parties further agrees that service of any process, summons, notice or document hand delivered or sent by recognized overnight carrier to such Party's respective address set forth in Section 9.3 outside the territorial jurisdiction of the courts referred to in this Section 9.15 shall be effective service of process for any Action, suit or proceeding in the State of Delaware with respect to any matters to which it has submitted to jurisdiction as set forth in the immediately preceding sentence. However, the foregoing shall not limit the right of a Party to effect service of process on another Party by any other legally available method. Each of the Parties irrevocably and unconditionally waives any objection to the laying of venue of any Action, suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby in (i) state courts of the State of Delaware located in New Castle County or (ii) the United States District Court for the District of the State of Delaware, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such Action, suit or proceeding brought in any such court has been brought in an inconvenient forum. Notwithstanding the foregoing, each Party agrees that a final judgment in any Action or proceeding so brought shall be conclusive and may be enforced by suit on the judgment in any jurisdiction or in any other manner provided in law or in equity.

(b) EACH OF THE PARTIES IRREVOCABLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER, IN CONNECTION WITH OR RELATING TO THIS AGREEMENT, ANY OF THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR THE ACTIONS OF THE PARTIES IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE OR ENFORCEMENT HEREOF.

Section 9.16 Counterparts. This Agreement may be executed in any number of counterparts (including by telecopy and electronic imaging scans), each of which shall be deemed an original but all of which together shall constitute one and the same instrument. Delivery of an executed counterpart of this Agreement by facsimile or other electronic method of transmission shall be equally effective as delivery of an original executed counterpart.

For purposes of determining whether any Breach of, or inaccuracy in, any representation or warranty set forth in the Covered Representations and Warranties, or in any Ancillary Documents, and the amount of Losses arising therefrom, such determination shall be made disregarding all qualifications as to materiality or Material Adverse Effect contained in such representation or warranty (as if such words were deleted from such representation and warranty); *provided, however*, that if the period between the Inception and the Closing is longer than 14 months and 14 days, the Insurer shall not disregard qualifications as to materiality or Material Adverse Effect from any representation or warranty that is made as of the Closing.

For the avoidance of doubt, Losses incurred directly by the Insureds shall not be subject to the aforementioned proviso. SECTION 2. INSURING AGREEMENT

Subject to the terms and conditions of this Policy, the Insurer shall indemnify the Insureds for, or pay on their behalf, any Loss in excess of the Retention that is reported by the Named Insured to the Insurer during the Policy Period or within the 30 day period immediately following the Expiry Date in accordance with Section 5 of this Policy.

SECTION 3. LIMIT OF LIABILITY; RETENTION; OFFSETTING RECOVERIES

- (a) Limit of Liability. The Insurer’s aggregate liability under this Policy shall not exceed the Limit of Liability.
- (b) Retention. The Retention is an aggregate one. The Insurer shall only be liable for Loss in excess of the Retention. The Retention shall only be eroded by Loss for which the Insurer would be liable under this Policy but for the Retention. The Insureds shall not be required to proceed against the Seller for recovery under the Acquisition Agreement for a claim to be made or a Loss to be payable under this Policy. Any amounts that an Insured may ultimately recover from the Seller in compensation for the Retention borne by the Insureds under this Policy shall be for the sole benefit of the Insureds and shall neither constitute an offsetting recovery nor be reimbursable to the Insurer.
- (c) Offsetting Recoveries. Loss shall be reduced by (i) any related offsetting recoveries (including recoveries from any other insurance policies or indemnities) or (ii) any reduction in tax that has been paid, credited or allowed as a direct result of a Loss that has been or will be paid under this Policy, in each of clauses (i) and (ii) to the extent actually received or actually realized (net of any costs of recovery thereof (including lawyers’, accountants’, consultants’ and experts’ fees, costs and expenses and similar costs and expenses incurred as a result of such recovery) and net of any increase in any

tax paid or payable as a result of the receipt, or right to receive, any payment under this Policy) by any of the Insureds during the period ending on the later of the expiration of the Policy Period or the tax year in which the Expiry Date with respect to such Loss occurs. For the avoidance of doubt, (y) Loss shall not be reduced pursuant to the immediately preceding sentence (i) by deductibles paid by the Insureds under other insurance policies or (ii) if any such other insurance policy does not provide recovery for such Loss and (z) Loss shall include any increase in insurance premiums under other insurance policies resulting from seeking recovery thereunder.

SECTION 4. EXCLUSIONS

The Insurer shall not be liable to pay that portion of Loss:

- (a) arising out of or resulting from any (i) Breach of which any of the Deal Team Members had Actual Knowledge prior to the Inception, (ii) Interim Breach, or (iii) material inaccuracy in any No Claims Declaration (giving effect to the knowledge qualification language contained therein) but only to the extent (A) such Loss is proximately related to the substantive content of such material inaccuracy and (B) the Insurer is actually prejudiced by such material inaccuracy with the Insurer bearing the burden of proving any such actual prejudice;
- (b) arising out of or resulting from any, punitive or exemplary damages or criminal or civil fines or penalties (except, in each case, to the extent (i) insurable by applicable law of the Most Favourable Jurisdiction and (ii) awarded or assessed against the Insureds in connection with a Third Party Demand pursuant to (A) a final settlement consented to in writing by the Insurer in accordance with Section 6 of this Policy or (B) a final and non-appealable (x) order of a governmental or regulatory agency, (y) judgment of a court of competent jurisdiction or (z) award of an arbitrator, arbitration panel or similar adjudicative body); provided that this exclusion shall not apply to Defense Costs relating to Losses that are the subject of the exclusion under this Section 4(c);
- (c) for the non-monetary portion of any injunctive, equitable or other non-monetary relief, provided that this exclusion shall not apply to Defense Costs related thereto or any monetary impact resulting from such injunctive or equitable relief;
- (d) arising out of or resulting from any covenant or breach thereof (other than any covenant to indemnify in respect of a Breach) except to the extent that such Loss would independently arise out of or result from a Breach;
- (e) arising out of or resulting from asbestos or Polychlorinated Biphenyls; or
- (f) for the monetary amount by which any unfunded or underfunded defined benefit plans (including any multiemployer plan withdrawal liability) are unfunded or underfunded.

For certainty, if only part of a Loss is excluded under this Section 4, the Insurer shall remain liable for that part of such Loss which is not so excluded (subject to the terms, conditions and exclusions of this Policy).

SECTION 5. CLAIM FILING PROCEDURE; PAYMENT OF LOSS; NOTICE PROVISIONS

- (a) Claim Notice. The Named Insured shall deliver a Claim Notice to the Insurer, signed by an authorized representative of the Named Insured, as soon as reasonably practicable after any Specified Person obtains Actual Knowledge of any (i) Breach, (ii) Third Party Demand and/or (iii) Loss; provided, that, failure to provide timely notice shall excuse the Insurer from performance hereunder only to the extent that such failure actually

prejudices the Insurer; provided, however, that in no event may a Claim Notice be delivered to the Insurer later than thirty (30) days following the Expiry Date. For the avoidance of doubt, the Named Insured shall deliver a Claim Notice in each such instance regardless of whether the matters described in such Claim Notice will, or are reasonably likely to, give rise to Loss that is within the Retention. Attached to the Claim Notice shall be a description that is as detailed as is reasonably practicable, after reasonable inquiry, of the facts, circumstances and issues leading up to the delivery of the Claim Notice (in light of the Actual Knowledge of the Specified Person), including a specific reference to the implicated representations and warranties. A Claim Notice may be supplemented by the Insureds at any time after such Claim Notice is first submitted. In no event may a Claim Notice be delivered to the Insurer later than thirty (30) days following the Expiry Date; provided, however, if a Claim Notice pursuant to clause (i) or (ii) of this Section 5(a) is delivered to the Insurer on or prior to the thirtieth (30th) day immediately following the Expiry Date, then any subsequent Loss arising out of the Breach, facts, matters or circumstances, or Third Party Demand identified in such Claim Notice shall be deemed reported at the time such Claim Notice was received by the Insurer. Furthermore, the Insurer acknowledges that the Insureds may have incomplete knowledge of a Breach, matter that could reasonably be expected to give rise to a Breach, Third Party Demand and/or Loss at the time that a Claim Notice in connection therewith is delivered to the Insurer hereunder and that any Claim Notice may reflect such incomplete knowledge. In disclosing such information, the Insureds expressly do not waive any attorney-client privilege associated with such information or any protection afforded by the work-product doctrine with respect to any of the matters disclosed or discussed therein. No information contained therein shall be deemed to be an admission by any Insured to any third party of any matter whatsoever (including any violation of law or breach of contract).

- (b) Correspondence. Subsequent to delivery of a Claim Notice, the Named Insured shall provide the Insurer with a copy of any formal and material correspondence between any of the Insureds or their respective representatives, on the one hand, and any other person or entity, on the other hand, relating to such Claim Notice, as well as any pleadings or similar documents relating to such Claim Notice, in each case to the extent in the Insureds' possession. The Insurer shall cooperate in good faith with the Insureds to preserve the privileged status of any such correspondence, pleading or other document; provided that, if after such good faith cooperation the Insureds reasonably determine that the privileged status of any such correspondence, pleadings or other document cannot be preserved, then the Insureds shall not be required to disclose the portion of such correspondence, pleadings or document for which the privileged status cannot be preserved.
- (c) Insurer's Response. The Insurer shall respond to a Claim Notice as soon as reasonably practicable after the Insurer receives a Claim Notice notifying it of a Breach, Third Party Demand or Loss (and in all instances within sixty (60) days after such receipt), and to the extent the Insurer has sufficient information to do so, shall provide its position on coverage based on the information then available to the Insurer. To the extent the Insurer does not possess sufficient information to formulate its position on coverage, in such response, the Insurer shall provide a reasonably detailed explanation to the Insured as to why it is unable to do so. In any event, the Insurer shall use commercially reasonable efforts to meet any litigation or other deadlines provided by the Insured in writing in connection with a Claim Notice.
- (d) Payment of Loss. Any Loss paid by the Insurer pursuant to this Policy shall be paid to the Named Insured as representative of all the Insureds. At the written request of the Named Insured, the Insurer shall pay any Loss payable hereunder to any lender of the Insureds at an address the Named Insured instructs the Insurer in writing pursuant to Section 5(e)

of this Policy, or to such other person or entity as the Named Insured instructs the Insurer in writing pursuant to Section 5(e) of this Policy.

- (e) Notice. Any notice (including a Claim Notice) or other communication concerning the subject matter of this Policy shall be made in writing and shall be effective upon receipt, and (i) if to any of the Insureds, shall be delivered to the Named Insured at its mailing address set forth in Item 1 of the Declarations with a copy to be sent to the Managing Director, Legal at the same address set forth in Item 1 of the Declarations, and (ii) if to the Insurer, shall be delivered to it at the following address:

SECTION 6. DEFENCE COSTS; THIRD PARTY DEMANDS AND CLAIMS PARTICIPATION; SETTLEMENTS AND JUDGMENTS

- (a) Defence Costs. Once the Retention is exhausted, the Insurer shall, within seventy-five (75) days of the Insurer's receipt of an invoice, reimburse the Insureds for any reasonable Defence Costs previously incurred and set forth in such invoice. For the avoidance of doubt, and notwithstanding anything in the Acquisition Agreement or this Policy to the contrary, (i) reasonable Defence Costs are part of Loss and are subject to the Limit of Liability and (ii) unreasonable Defence Costs shall not constitute Loss hereunder. Once the Insureds have provided reasonable support for their Defence Costs, the burden shall be on the Insurer to demonstrate that such Defence Costs are unreasonable.
- (b) Third Party Demands and Claims Participation. The Insurer does not assume any duty to defend the Insureds with respect to any Third Party Demand or otherwise. The Insureds shall, to the extent not prohibited by the Acquisition Agreement, defend and contest any Third Party Demand with counsel consented to by the Insurer in writing (such consent not to be unreasonably withheld, conditioned or delayed); provided that such consent shall

not be required for any representation of the Insureds by Torys LLP. The Insurer, at its sole expense, shall be entitled to effectively associate in, using reasonable efforts to not allow such association to unduly interfere with or unduly impede, the defense, prosecution, negotiation and settlement of any Third Party Demand or any matter that is reasonably likely to involve the Insurer or this Policy to the same extent that any Insured has such rights pursuant to the Acquisition Agreement; provided that, subject to the consent rights expressly given to the Insurer in Sections 6(a) through (c) of this Policy, the Insureds shall control all decisions with respect to the defence, prosecution, negotiation and settlement of any Third Party Demand.

- (c) Settlements and Judgments. With respect to any Third Party Demand, only Loss resulting from settlements or consent judgments consented to by the Insurer in writing (such consent not to be unreasonably withheld, conditioned or delayed), or resulting from a final judgment by a court of competent jurisdiction, an award of an arbitrator or arbitration panel or an order of a governmental or regulatory agency or authority shall deplete the Retention or be recoverable as Loss, provided, however, that consent by the Insurer shall not be required if the amount of such settlement or consent judgment together with any amounts previously reducing the Retention plus Loss reasonably anticipated in respect of pending claims, together with reasonably anticipated Defence Costs, would not exceed the first \$750,000 of the Retention, in the aggregate.
- (d) Territory. This Policy extends to Breaches and Losses taking place or being incurred, as applicable, anywhere in the world.

SECTION 7. CERTAIN COVENANTS OF THE INSURED

- (a) Mitigation. With respect to any Loss or potential Loss, the Insureds shall, and to the extent reasonably possible shall cause their respective Affiliates to, take all commercially reasonable actions required by applicable law to mitigate such Loss or potential Loss after any Specified Person acquiring Actual Knowledge of any event that would reasonably be expected to give rise to any Losses; provided that the failure of any Insured to so mitigate shall only reduce the rights of the Insureds to recover for Loss under this Policy to the extent of the Loss that would have been avoided by such mitigation and the burden of proving such amount shall be on the Insurer; provided further that the Insureds shall not be required or obligated to seek recovery or recourse under the Acquisition Agreement. The reasonable costs of efforts to mitigate shall be considered Losses under this Policy, subject to the terms, conditions and exclusions of this policy.
- (b) Cooperation and Information. In addition to the obligations set forth in Section 5 of this Policy, the Insureds shall, and to the extent reasonably possible shall use commercially reasonable efforts to cause their respective Affiliates to, reasonably cooperate with the Insurer and, in a timely manner, provide the Insurer with reasonably complete and accurate information in the possession of the Insureds that the Insurer reasonably requests in connection with any Claim Notice or other matter relating to this Policy. Such cooperation shall include, upon the Insurer's written request, given reasonably in advance, and at the Insurer's cost and expense, subject to the terms of existing confidentiality agreements, permitting the Insurer to examine, photocopy and/or take extracts during normal business hours from the books, records, data, files and information of the Insureds and their respective Affiliates and reasonable access to the Insureds' and their respective Affiliates' representatives for interviews and depositions under oath during normal business hours and at reasonable locations in a manner that does not unreasonably interfere with the Insureds' business. The Insurer and the Insureds shall cooperate in good faith to preserve the privileged status of any information provided pursuant to this Section 7(b); provided that, if after such good faith cooperation the Insureds reasonably determine that the privileged status of information cannot be

preserved, then the Insureds shall not be required to disclose the portion of such information for which the privileged status cannot be preserved.

- (c) Acquisition Agreement. The Insureds shall not, and to the extent reasonably possible shall cause their respective Affiliates not to, (i) amend, supplement or rescind the Acquisition Agreement (or enter into any agreement or arrangement that would have such an effect), (ii) give any consent or waiver thereunder or (iii) grant any authority to take any of the actions in clauses (i) or (ii) above, in each case, without the prior written consent of the Insurer (such consent not to be unreasonably withheld, conditioned or delayed) if such amendment, supplement, rescission, agreement, arrangement, consent, waiver or grant would actually prejudice the Insurer or its rights or liability under this Policy.
- (d) Maintenance of Due Diligence Records. Until the later of 90 days after (i) the expiration of the Policy Period and (ii) to the extent that there are any pending claims or disputes, the final resolution of all claims or disputes relating to this Policy, the Insureds shall, and to the extent reasonably possible shall cause their respective Affiliates to, use commercially reasonable efforts to maintain one copy (which may be an electronic copy) or to instruct its advisors to retain such a copy of all of their respective materials relating to the due diligence conducted in connection with the Acquisition; provided that the Insureds may destroy documents in the ordinary course of their business consistent with past practices and their document retention guidelines so long as such destruction is not done with the intent to harm the Insurer.
- (e) Other Insurance Coverage. The Insurer acknowledges that (i) the insurance coverage in place at the Company Entities was commercially reasonable at the time of Closing and (ii) any modification to such insurance coverage done in the ordinary course of such business is commercially reasonable. The coverage provided under this Policy shall, subject to Section 3(c) of this Policy, be excess coverage of any other valid and collectible insurance policy with respect to any loss arising out of or resulting from the underlying facts and circumstances of any (i) Breach or matter that would reasonably be expected to give rise to a Breach, (ii) Third Party Demand and/or (iii) Loss. The Named Insured shall investigate, and shall discuss with the Insurer, whether any bond, indemnity or other insurance policy is applicable or available with respect to the matters described in any Claim Notice; provided that any dispute as to the applicability of, or delay in obtaining, coverage pursuant such bond, indemnity or other insurance policy shall not be a basis for refusal of payment hereunder. Without limiting any obligation of the Insured pursuant to Section 7(a) of this Policy, the Named Insured shall not be obligated to first pursue claims for Breach against any other insurance policy or other source of recovery prior to being eligible for any payment under this Policy and if there is a dispute as to whether the coverage under this Policy shall be excess of other coverage or if other coverage shall be excess of the coverage under this Policy, the Insured may recover under this Policy and the Insurer shall be subrogated to the extent provided in Section 8 of this Policy to the Insured's rights to such other coverage.
- (f) Reimbursements. After any payment by the Insurer in connection with this Policy, (i) if it is finally determined pursuant to the procedures set forth in Section 9 of this Policy that all or any portion of the amount paid did not constitute Loss or is excluded from coverage under this Policy or (ii) if any of the Insureds or their respective Affiliates actually receive amounts from any insurance, indemnification or other source, which, when netted against any cost of recovery or other Loss, reduces the amount of Loss actually incurred, then the Insureds or such Affiliate shall promptly, and in no event later than 60 days after such determination or receipt, but subject to the provisions of Section 3(c) of this Policy, reimburse or refund to the Insurer the amount overpaid. For the avoidance of doubt, to the extent the remaining Limit of Liability was depleted in respect of any payment by the Insurer pursuant to the immediately preceding sentence, the remaining Limit of Liability

shall, following its reimbursement or refund to the Insurer, immediately be increased by such amount.

- (g) Failure to Comply. Any failure of the Insureds to comply with any of the provisions of Sections 5, 7 or 8 of this Policy shall not relieve the Insurer of its obligations under this Policy except to the extent (and then only to the extent) the Insurer is actually prejudiced thereby; provided, however, that in no event may a Claim Notice be delivered to the Insurer later than thirty (30) days following the Expiry Date.

SECTION 8. SUBROGATION

- (a) Subject to Section 8(b), after a Specified Person has Actual Knowledge of any (i) Breach or matter that would reasonably be expected to give rise to a Breach, (ii) Third Party Demand and/or (iii) Loss, the Insureds shall take commercially reasonable steps to preserve (i) any indemnification or other rights against any other person or entity for such Loss and (ii) preserve the Insurer's subrogation rights with respect thereto; provided that in no event shall the Insureds waive any subrogation rights of Insurer under the Acquisition Agreement in respect of Intentional Fraud (as defined in the Acquisition Agreement) (including, for the avoidance of doubt, any such subrogation rights against the Seller in respect of Intentional Fraud) or in respect of any changes, modifications, or amendments to, or waivers of, the terms of any Other PSA (as defined in the Acquisition Agreement) which results in a breach of the Acquisition Agreement.
- (b) Except as provided in Sections 8(c) and 8(d) below, in the event and to the extent of any payment by the Insurer in connection with this Policy, the Insurer shall be subrogated to, and the Insureds shall assign to the Insurer, all of the Insureds' respective rights of recovery against any person or entity (other than (i) the Company Entities, (ii) the Seller, (iii) any Insured (other than any Insured who held a direct or indirect ownership interest in the Seller prior to Closing) or (iv) any direct or indirect parent, subsidiary, Affiliate, shareholder, member, director, officer or partner (or the functional equivalent of any such position), of any of the foregoing, except, in the case of the foregoing clauses (iii) and (iv), if such entity or individual was affiliated with the Company Entities or any of their Affiliates prior to the Closing and is not an Affiliate of any Company Entities following the Closing) based upon, arising out of or relating to such payment. With respect to subrogation claims against customers, clients or suppliers of any person or entity described in clauses (i) through (iii) of the preceding sentence, the Insurer shall not be entitled to subrogate against such customers, clients or suppliers for Losses without the express prior written consent of the Named Insured (such consent not to be unreasonably withheld, conditioned or delayed) until the aggregate amount of all such Losses exceeds \$600,000 ("Subrogation Threshold"); provided that after such Losses exceed the Subrogation Threshold, the Insurer shall be permitted to subrogate against such customers (except with respect to sales taxes), clients or suppliers without the consent of the Named Insured and the Insurer shall only be required to provide notice to the Named Insured of its intent to institute such subrogation claim. If the Insureds are unable to assign such rights to the Insurer, then, instead of assigning such rights to the Insurer, the Insureds shall allow the Insurer to bring suit in their name. The Insureds shall, and to the extent reasonably possible shall cause their respective subsidiaries to, cooperate with the Insurer and use commercially reasonable efforts (including execution of any papers and the taking of other actions as the Insurer may reasonably request) to secure and further such subrogation and assignment rights, all at the sole cost and expense of the Insurer. In no event shall the Insureds or their respective Affiliates knowingly waive any rights in a manner that would reasonably be expected to adversely affect any such subrogation or assignment rights.
- (c) The Insurer waives and releases all rights of subrogation or contribution, or rights acquired by assignment against: (i) the Company Entities and (ii) any Insured.

- (d) The Insurer hereby agrees to waive any right of subrogation arising hereunder against the Seller and any direct or indirect parent, subsidiary, Affiliate, shareholder, member, director, officer or partner (or the functional equivalent of such position) of the Seller, except (i) in instances of Intentional Fraud by the Seller in connection with the Acquisition Agreement and the transactions contemplated thereby and (ii) in instances of any changes, modifications, or amendments to, or waivers of, the terms of any Other PSA (as defined in the Acquisition Agreement) which results in a breach of the Acquisition Agreement.
- (e) Any amounts recovered by the Insurer as a result of the exercise of subrogation rights shall be applied in the following order: (i), to reimburse the Insurer for any costs and expenses incurred in connection with such recovery; (ii) to reimburse the Insured for any Loss borne by it in excess of the Limit of Liability under this Policy (but for avoidance of doubt, only to the extent of such excess); (iii) to reimburse the Insurer in respect of any Loss which the Insurer has paid under this Policy; and (iv) to reimburse the Insureds in respect of any Loss which the Insureds have retained by reason of the Retention. For the avoidance of doubt, the remaining Limit of Liability shall immediately be increased by any amount paid to the Insurer pursuant to clause (iii) of the precedent sentence.
- (f) The Insurer shall bear all costs and expenses incurred in connection with any subrogation efforts or actions taken by the Insurer and the Insurer shall promptly reimburse the Insureds, and their Affiliates for any reasonable costs and expenses incurred in connection with any subrogation efforts in connection with this Section. Notwithstanding the foregoing, in the event of any cross-claim, counterclaim or third party demand asserted against the Insured in connection with any assignment or subrogation claim pursued by the Insurer, which counterclaim or third party demand arises out of the same or similar facts and allegations out of which such subrogation or assignment arose or would itself lead to a Breach, the Insurer shall, subject to the terms and conditions of this Policy (including without limitation, the Retention, Limit of Liability and exclusions), indemnify the Insureds (including, but not limited to the reimbursement for Defense Costs in accordance with Section 6(a) hereof) with respect to such cross-claim, counterclaim or third party demand. Except for the foregoing, the Insureds shall defend at their own expense, and satisfy any liability with respect to, any counterclaim or third party demand asserted in connection with any subrogation or assignment claim pursued by the Insurer, except to the extent such counterclaim or third party demand, if determined adversely to the Insureds or their Affiliates, would reasonably be expected to give rise to Loss, in which case the Insurer shall, subject to the terms and conditions of this Policy (including without limitation, the Retention, Limit of Liability and exclusions) indemnify the Insureds (including, but not limited to the reimbursement for Defense Costs in accordance with Section 6(a) hereof) with respect to such counterclaim or third party demand and satisfy any liability with respect to Loss covered hereunder.

SECTION 9. ARBITRATION; CHOICE OF LAW; INTERPRETATION AND RULES OF CONSTRUCTION

- (a) It is hereby understood and agreed that all disputes or differences which may arise under this Policy, whether arising before or after termination of this Policy, including any determination of the amount of Loss, shall be referred to and finally resolved by arbitration under the Ontario *Arbitration Act, 1991*, S.O., 1991, c. 17, and shall be conducted in accordance with its provisions, rules and regulations. The place of the arbitration shall be the City of Toronto in the Province of Ontario. The language of the arbitration shall be English. With regard to any specific arbitration, there shall be three arbitrators. The arbitrators shall be disinterested individuals having knowledge of the legal, corporate or insurance issues relevant to the matters in dispute. The Insurer shall appoint one arbitrator and the Insureds shall appoint one arbitrator. The third arbitrator shall be the chairman and shall be appointed by agreement of the two party-appointed

arbitrators. The written decision of the arbitrators shall be provided to both parties and shall be binding on them. The arbitrators' award shall not include costs or legal fees or other costs and disbursements. Each party shall bear equally the expenses of the arbitration.

- (b) The construction, validity and performance of this Policy shall be interpreted under the substantive laws of the State of Delaware, without reference to conflicts-of-laws principles that would require or allow for the application of the law of any other jurisdiction. Nothing in this Section 9(b) shall affect or override the definition and use of "Most Favorable Jurisdiction" in this Policy. In connection with any dispute hereunder, no award or judgment, including any award or judgment of expenses or costs, shall be entered or payable in an amount exceeding the remaining Limit of Liability.
- (a) This Policy shall be construed in the manner most consistent with the relevant terms and conditions of this Policy without regard to authorship of language and without any presumption in favor of either party. The descriptions in the headings of this Policy are solely for convenience, and form no part of the interpretation or the terms and conditions of coverage. The words "include" or "including" in this Policy shall be deemed to be followed by the words "without limitation".

SECTION 10. ACKNOWLEDGEMENTS AND REPRESENTATIONS

- (a) By accepting this Policy, the Named Insured, on behalf of itself and each of the Additional Insureds, acknowledges that (i) the Named Insured was represented by competent and experienced legal counsel of its choice in connection with this Policy, and (ii) the Insureds are purchasing the coverage described in this Policy with full knowledge and acceptance of its terms and conditions without any reliance on any representation, warranty, advice or other statement not set forth in this Policy by the Insurer or any of its representatives or advisors regarding any legal, tax or accounting implications or requirements of the coverage described in this Policy.
- (b) By accepting this Policy, the Named Insured acknowledges to the Insurer that the Insurer shall not be liable in any manner for any action taken or not taken in reliance upon any notice given by the Named Insured.

SECTION 11. SERVICE OF SUIT

- (a) Subject to any provision in this Policy requiring or allowing for arbitration, in the event of failure of the Insurer to pay any amount claimed to be due hereunder, the Insurer and the Insured shall submit to the jurisdiction of the Courts in the Province of Ontario, located in the City of Toronto. Nothing in this Section 11 constitutes or should be understood to constitute a waiver of the Insurer's rights to commence or remove an action to a federal court located in the Province of Ontario Canada, as permitted by the laws of Canada. It is further agreed that service of process in such suit may be made upon General Counsel, AIG Insurance Company of Canada, 120 Bremner Boulevard, Suite 2200, Toronto, Ontario, Canada M5J 0A8, or his or her representative, and that in any suit instituted against the Insurer upon this Policy, the Insurer will abide by the final decision of such court or of any appellate court in the event of any appeal.

SECTION 12. OTHER MATTERS

- (a) Cancellation and Renewal. This Policy is non-renewable. Subject to Section 12(e) below, this Policy is non-cancelable, except in the event that the Insureds fail to pay the Premium within thirty (30) days of Inception.

- (b) Waiver and Amendment. The terms of this Policy may not be waived or amended except pursuant to a written endorsement executed and issued by the Insurer and consented to by the Named Insured.
- (c) Assignment. This Policy and the rights and obligations hereunder are not assignable by the Insureds without the prior written consent of the Insurer (such consent not to be unreasonably withheld, conditioned or delayed); provided that, with prior notice to the Insurer, this Policy and the rights and obligations hereunder may be assigned by the Named Insured (i) to a subsidiary or an Affiliate of the Named Insured, (ii) to a subsequent purchaser, assignee, transferee or successor in interest, whether by amalgamation, merger, stock or asset acquisition of the Named Insured, or (iii) as collateral security to any creditor or lender in respect of borrowed monies (it being understood that any such assignment shall become effective upon written notice to the Insurer); provided, however, that no assignment of this Policy under this Policy shall otherwise alter the terms of coverage for a pending or threatened claim or to create multiple claims or multiple payees for the same claim. Notwithstanding anything to the contrary in this Policy, in no event may an assignee of the Named Insured be an entity formed in a jurisdiction outside of Canada or an individual that is not a citizen of Canada. The Insurer may assign this Policy to another insurer that is a subsidiary or affiliate of the Insurer without the consent of the Insureds provided such other insurer's financial strength rating (AM Best or Standard & Poor's) is equal to or better than that of the Insurer at the time of such assignment.
- (d) Entire Agreement. This Policy (together with all of the documents, amendments and schedules referenced herein, but solely to the extent reference herein) constitutes the entire agreement and understanding concerning the subject matter of this Policy and supersedes any prior oral or written agreements, discussions or other communications entered into between the Insurer and/or its Affiliates (including their respective representatives), on the one hand, and the Insureds and/or their respective Affiliates (including their respective representatives), on the other hand, concerning the subject matter of this Policy.
- (e) Statutory Conditions. It is hereby understood and agreed that only in the event that this Policy is made or deemed to be made in the provinces of Alberta, British Columbia or Manitoba pursuant to the provisions of the Insurance Acts of Alberta, British Columbia or Manitoba, the following "Change of Interest", "Termination of Insurance", "Notice" and "Statute of Limitation" provisions will apply to this Policy:
- (i) Change of Interest. The Insurer is liable for covered loss or damage occurring after an authorized assignment under the *Bankruptcy and Insolvency Act (Canada)* or a change of title by succession, by operation of law or by death.
- (ii) Termination of Insurance. This Policy may be terminated by the Named Insured at any time on request. If this Policy is terminated by the Named Insured, the Insurer must refund as soon as practicable the excess of premium actually paid by the Named Insured over the short rate Premium for the expired time specified in the Policy, but in no event may the short rate premium for the expired time be less than any minimum retained premium specified in this Policy.
- (iii) Notice. Written notice to the Insurer may be delivered at, or sent by registered mail to, the chief agency or head office of the Insurer in the province. Written notice to the Insured may be personally delivered at, or sent by registered mail addressed to, the Insured's last known address as provided to the Insurer by the Insured.

- (iv) Statute of Limitation. Every action or proceeding against the Insurer for the recovery of insurance money payable under this Policy is absolutely barred unless commenced within the time set out in the Insurance Act.

- (f) Facsimile and Email Signatures. Delivery of an executed counterpart of a signature page to this Policy by facsimile, electronic transmission or scanned pages shall be effective as delivery of a manually executed counterpart signature page to this Policy.

**CUSTOMER ADVISORY
REGARDING THE ENFORCEMENT OF
ECONOMIC EMBARGOES AND TRADE SANCTIONS**

This Trade Sanction Advisory is part of **AIG Insurance Company of Canada** comprehensive compliance program and is meant to serve as a reminder of the existing applicable legal requirements with respect to Trade Sanctions.

Your rights as a policyholder and payments to you, any insured or claimant, for loss under this policy may be affected by the administration and enforcement of economic embargoes and trade sanctions applicable to you, any insured, claimant and/or to the insurer and their respective controlling entities (hereinafter "Trade Sanctions").

WHAT IS AN ECONOMIC EMBARGO AND/OR TRADE SANCTION

Trade Sanctions involve the imposition by a country of legal measures to restrict or prohibit trade, services or other economic activity with a target country, entity or individual. For example, the Parliament of Canada has enacted legislation authorizing the imposition of Trade Sanctions through the *United Nations Act*, the *Special Economic Measures Act* and some provisions of the *Export and Import Permits Act*.

Depending upon the identity, domicile, place of incorporation or nationality of the policyholder, insured, claimant, insurer, or the parent company and ultimate controlling entity of the policyholder, insured, claimant or insurer, or the country where the claim arises, Trade Sanctions of foreign countries, including the United States of America, may be applicable. The application of sanctions could necessitate the seizure or freezing of property, including but not limited to the payment of a claim.

Existing Trade Sanctions can be amended, and new Trade Sanctions can be imposed, at any time.

OBLIGATIONS PLACED ON US AS A RESULT OF TRADE SANCTIONS

If we determine that you or any insured, additional insured, loss payee, or claimant are on a prohibited list or are connected to a sanctioned country, entity or individual, or a prohibited activity, as designated by the relevant Trade Sanction, we may be required to comply with the requirements of the applicable Trade Sanction, which by way of example, may include blocking or "freezing" property and payment of any funds and the reporting of such occurrences to the relevant authorities within the prescribed time periods, if any.

POTENTIAL ACTIONS BY US

Depending upon the requirements of the relevant Trade Sanction:

1. We may be required to immediately cancel your coverage effective on the day that we determine that we have transacted business with an individual or entity associated with your policy on a prohibited list or connected to a sanctioned country as described in the relevant Trade Sanction.
2. If we cancel your coverage, you may not receive a return premium unless permitted pursuant to the relevant Trade Sanction. All blocked or frozen funds will be placed in an interest bearing blocked account established on the books of a financial institution.
3. We may not pay a claim, accept premium or exchange monies or assets of any kind to or with individuals, entities or companies (including a bank) on a prohibited list or connected to, or carrying on business in, a sanctioned country as designated by the relevant Trade Sanction. Furthermore, we may not defend or provide any other benefits under your policy to individuals, entities or companies on a prohibited list or connected to, or carrying on business in, a sanctioned country as designated by the relevant Trade Sanction.

**AVIS À LA CLIENTÈLE
CONCERNANT L'APPLICATION DES
EMBARGOS ÉCONOMIQUES ET DES SANCTIONS COMMERCIALES**

Le présent avis concernant les sanctions commerciales fait partie du programme intégré de conformité de Compagnie d'Assurance AIG du Canada et vise à rappeler les exigences juridiques actuelles applicables quant aux sanctions commerciales.

Vos droits à titre de titulaire de police et les paiements qui sont dus à vous, à un assuré ou à un demandeur, à la suite d'un sinistre aux termes de la présente police, peuvent être touchés par l'administration et l'application d'embargos économiques et de sanctions commerciales qui sont applicables contre vous ou contre un assuré, un demandeur ou l'assureur et leurs entités contrôlantes (ci-après appelées les « sanctions commerciales »).

DÉFINITION D'UN EMBARGO ÉCONOMIQUE OU D'UNE SANCTION COMMERCIALE

Un pays impose des sanctions commerciales lorsqu'il prend des mesures juridiques pour restreindre ou interdire le commerce, les services ou d'autres activités économiques avec un pays, une entité ou une personne en particulier. Par exemple, le Parlement du Canada a adopté une législation permettant l'imposition de sanctions commerciales en vertu de la *Loi sur les Nations Unies*, de la *Loi sur les mesures économiques spéciales* et de certaines dispositions de la *Loi sur les licences d'exportation et d'importation*.

Selon l'identité, le domicile, le lieu de constitution ou la nationalité du titulaire de police, de l'assuré, du demandeur, de l'assureur ou de la société mère et de l'entité contrôlante finale du titulaire de police, de l'assuré, du demandeur ou de l'assureur, ou selon le pays où le sinistre a eu lieu, des sanctions commerciales imposées par des pays étrangers, notamment les États-Unis d'Amérique, peuvent s'appliquer. L'application de sanctions pourrait nécessiter la saisie ou le gel d'un bien, notamment de l'indemnité d'assurance.

Les sanctions commerciales actuelles peuvent être modifiées et de nouvelles sanctions commerciales peuvent être imposées à tout moment.

OBLIGATIONS NOUS INCOMBANT EN RAISON DE SANCTIONS COMMERCIALES

Si vous ou un assuré, un assuré supplémentaire, un bénéficiaire ou un demandeur êtes sur une liste d'interdiction ou êtes liés à un pays, à une entité ou à une personne faisant l'objet d'une sanction ou à une activité interdite, visé par la sanction commerciale pertinente, nous pourrions devoir nous conformer aux exigences de la sanction commerciale applicable, qui, par exemple, peut inclure le blocage ou le gel d'un bien ou du paiement de fonds et la déclaration de cette mesure aux autorités compétentes dans les délais prescrits, le cas échéant.

MESURES ÉVENTUELLES DE NOTRE PART

Selon les exigences de la sanction commerciale pertinente :

1. Nous pourrions être tenus de résilier immédiatement votre couverture, avec prise d'effet le jour où nous estimons que nous avons fait affaires avec une personne ou une entité associée à votre police qui se trouve sur une liste d'interdiction ou liée à un pays visé par la sanction commerciale pertinente.
2. Si nous résilions votre couverture, vous ne recevrez peut-être pas un remboursement de prime si la sanction commerciale applicable ne le permet pas. Tous les fonds bloqués ou gelés seront placés dans un compte bloqué portant intérêt ouvert auprès d'une institution financière.

3. Il est possible que nous ne puissions pas régler un sinistre, accepter une prime ou échanger de l'argent ou des biens de quelque sorte que ce soit lorsque la personne, l'entité ou la société intéressée (y compris une banque) se trouve sur une liste d'interdiction, est liée à un pays sanctionné ou exerce des activités dans un pays visé par la sanction commerciale pertinente. De plus, il pourrait nous être impossible de défendre ou d'indemniser par ailleurs aux termes de votre police des personnes, des entités ou des sociétés qui se trouvent sur une liste d'interdiction, sont liées à un pays sanctionné ou exercent des activités dans un pays visé par la sanction commerciale pertinente.

I. INSURING AGREEMENT – FOLLOW FORM COVERAGE

This Policy shall provide coverage in excess of the Underlying Limit of Liability and the aggregate Retention of the Primary Policy. Coverage shall follow form to the same terms, conditions, and limitations as are contained in the Primary Policy as of the inception of this Policy, except as otherwise provided herein. In no event shall this Policy grant broader coverage than is provided by the Primary Policy.

II. PRIMARY POLICY

A. *EXHAUSTION OR REDUCTION*: It is expressly agreed that liability for any Loss shall attach to the Underwriter only after either: (i) the insurer(s) of the Primary Policy has paid the full amount of their respective liability for such Loss; or (ii) the Insureds shall have paid or incurred any portion of such Loss that, together with any payments by such insurer(s) above, exceeds the Retention and the Underlying Limit of Liability of the Primary Policy; or (iii) the Insured(s) shall have (a) entered into a settlement in accordance with the provisions of the Primary Policy and, if applicable, this Policy, obligating it to pay a Loss that exceeds the Retention and the Underlying Limit of Liability of the Primary Policy, or (b) been held in court or arbitral order to be obligated to pay a Loss that exceeds the Retention and the Underlying Limit of Liability of the Primary Policy. The Underwriter shall then be liable to pay Loss that exceeds the Retention and the Underlying Limit of Liability of the Primary Policy up to the Limit of Liability. In the event such payments described above exhaust the Primary Policy but not this Policy, then this Policy shall continue as primary insurance, subject to its terms, conditions and limitations. In the event such payments described above only reduce the Primary Policy, then this policy shall continue as excess of the reduced Primary Policy. In no way shall any payments by the Insureds constitute a waiver of any terms, conditions or limitations of the Primary Policy or of this Policy. The risk of uncollectability of any Primary Policy (in whole or in part), whether because of financial impairment or insolvency of an underlying insurer or for any other reason, is expressly retained by the Insureds and is not insured by or assumed by the Underwriter.

B. *MAINTENANCE*: The Insureds agree that the Primary Policy shall be maintained in full effect while this Policy is in force. If the Insureds fail to do so, the Underwriter shall only be liable under this Policy to the extent it would have been liable had the Insureds maintained such insurance and the Insureds shall be self-insured for the amount of any Primary Policy which is not maintained.

III. PARTICIPATION, COOPERATION, NOTICE AND CANCELLATION

The Underwriter may, at its sole option and expense, elect to participate in the investigation, settlement or defense of any Breach or potential Breach, even if the Primary Policy has not been exhausted, to the extent that such Breach or potential Breach is reasonably likely to involve this Policy. The Insured shall not admit or assume any liability, enter into any settlement agreement, or stipulate to any judgment without the prior written consent of the Underwriter, which consent shall not be unreasonably withheld, conditioned or delayed, in each case with respect to a Breach or potential Breach for which a claim is made under this Policy. Only those settlements and stipulated judgments that have been consented (such consent not to be unreasonably, withheld or conditioned) to by the Insurer shall be recoverable as Loss under the terms of this Policy.

The Insureds shall give the Underwriter all information and cooperation as the Underwriter may reasonably require, subject to the limitations, terms and conditions of the Primary Policy. All notices shall be given to the Underwriter at the applicable address set forth in either Item E or Item F of the Declarations and in accordance with all appropriate notice provisions of the Primary Policy. This Policy may only be cancelled in accordance with the appropriate cancellation provisions of the Primary Policy. All notices given to the Insureds shall be delivered to the Named Insured at its mailing address set forth in Item A of the Declarations with a copy sent to the Managing Director, Legal, at the same address set forth in Item 1 of the Declarations.

ENDORSEMENT NO: 1
TERRORISM ENDORSEMENT
EFFECTIVE: POLICY INCEPTION

TERRORISM RISK INSURANCE ACT

CONFIRMATION OF ACCEPTANCE OF CERTIFIED ACTS OF TERRORISM

We previously notified you that in accordance with the federal Terrorism Risk Insurance Act, as amended (TRIA), we must make “certified acts of terrorism” coverage available in the policies we offer.

A “Certified act of terrorism” means an act that is certified by the Secretary of the Treasury in accordance with the provisions of TRIA to be an act of terrorism under TRIA. The criteria contained in TRIA for “certified act of terrorism” include the following:

1. The act results in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to TRIA; and
2. The act results in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of an United States mission; and
3. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals acting as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

The United States Department of the Treasury will reimburse insurers for 85% of that portion of insured losses attributable to certified acts of terrorism that exceeds the applicable insurer deductible. Effective January 1, 2016, this percentage will be reduced to 84%, effective January 1, 2017 to 83%, effective January 1, 2018 to 82%, effective January 1, 2019 to 81%, and effective January 1, 2020 to 80%. However, if aggregate insured losses under TRIA exceed \$100 billion in a Calendar Year the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion. The United States government has not charged any premium for their participation in covering terrorism losses.

If aggregate insured losses attributable to terrorist acts certified under TRIA exceed \$100 billion in a Calendar Year and we have met, or will meet, our insurer deductible under TRIA, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion. In such case, your coverage for terrorism losses may be reduced on a pro rata basis in accordance with procedures established by the Treasury, based on its estimates of aggregate industry losses and our estimate that we will exceed our insurer deductible. In accordance with the Treasury’s procedures, amounts paid for losses may be subject to further adjustments based on differences between actual losses and estimates.

At that time we advised you that you will not be required to pay a premium for “certified acts of terrorism” coverage at this time. As a result of our notification, you have accepted “certified acts of terrorism” coverage.

AIG DRAFT 8-7-2018

In consideration of the payment of the premium, the **Insurer** and the **Policyholder** agree as follows:

INSURING AGREEMENT	<p>The Insurer agrees to provide insurance coverage to the Insureds in accordance with the terms and conditions of this policy. This policy provides coverage in accordance with and subject to the same terms, conditions and limitations of the Followed Policy, as modified by and subject to the terms, conditions and limitations of this policy. Any capitalized terms used but not defined herein shall have the meaning set forth in the Followed Policy.</p> <p>The Insurer's coverage obligations under this policy attach to the Insurer only after the Insureds have suffered Losses equal to or exceeding the Total Underlying Limits and covered under the Underlying Policies (irrespective of whether any portion thereof has been (or ever is) paid by or on behalf of the Insurers under the Underlying Policies), including (i) the Insureds having paid or incurred part or all of such covered amounts or (ii) the Insureds having (a) entered into a settlement in accordance with the provisions of the Followed Policy and, if applicable, this Policy, obligating it to pay such covered amounts, or (b) been held in a final, non-appealable court or arbitral order to be obligated to pay such covered amounts that fully exhausted the Total Underlying Limits. This policy shall continue in force as primary insurance only upon the exhaustion of the Total Underlying Limits by reason of such Losses and satisfaction of any applicable retention. This policy shall recognize erosion of an Underlying Limit of an Underlying Policy through payments by others of covered amounts under that Underlying Policy, including the Insurer thereunder. The risk of uncollectability of any part of the Total Underlying Limits, for any reason, is expressly retained by the Policyholder and any insureds, and is not insured under this policy or assumed by the Insurer.</p>
LIMIT OF LIABILITY	<p>The Limit of Liability is the aggregate limit of the Insurer's liability for all coverage under this policy.</p>
NOTICES	<p>Where the Followed Policy requires or permits a Claim Notice to be delivered to the insurer under such policy, the Policyholder has the same obligations and rights to notify the Insurer under this policy, except that with respect to this policy, any notice to the Insurer must be directed as follows: (i) for claims-related matters, by mail or e-mail to the Claims Address; and (ii) for all other notices, by mail to the Insurer Address. Any failure to comply with the immediately preceding sentence shall not relieve the Insurer of its obligations hereunder, except and only to the extent that the Insurer is actually prejudiced thereby; provided, however, that in no event may a Claim Notice be delivered to the Insurer later than thirty days following the end of the Policy Period, except as set forth in Section 5(a) of the Followed Policy. The burden of proving any such actual prejudice shall be on the Insurer. All notices given to the Insureds shall be delivered to the Named Insured at its mailing address set forth in Item A of the Declarations with a copy sent to the Managing Director, Legal, at the same address set forth in Item 1 of the Declarations.</p>
RIGHTS	<p>The Insurer shall have the same rights, privileges and protections afforded to the Underlying Insurer of the Followed Policy in accordance with and subject to the terms, conditions and limitations of the Followed Policy. The Insurer shall also have the right, in its sole discretion and at its sole expense, but not the obligation, to effectively associate with the Insureds in the defense and settlement of any claim that would reasonably be expected to result in a Loss (including in aggregate any other claim under the Followed Policy) to exceed 50% of the Total Underlying Limits. The Policyholder and any insureds shall provide the Insurer with such information, assistance and cooperation as the Insurer may reasonably request. Subject to the other terms and conditions in the Followed Policy and this Policy, the Insureds shall not knowingly and intentionally waive any rights in a manner that would reasonably be expected to actually prejudice any subrogation or assignment right set forth in Section 8(b) and 8(d) of the Followed Policy, with the Insurer bearing the burden of proving any such actual prejudice. For the avoidance of doubt, to the extent that the Policyholder fails to take an action required or requested under this policy because it is prohibited from taking such action, or cannot on its own cause the Underlying Insurer to take such action, under the Followed Policy, the Policyholder shall not be in breach of this policy for failure to take such action.</p>
RELIANCE	<p>In issuing this Policy the Insurer is entitled to rely, to the same extent as the Underlying Insurer, upon the completeness and accuracy of the No Claims Declarations, which shall be deemed attached hereto and made a part hereof.</p>
CHANGES	<p>If, subsequent to the issuance of the Followed Policy, the terms, conditions or limitations of an Underlying Policy are modified in any material respect, the Policyholder must notify the Insurer in writing, as soon as practicable, of such modification. If any changes to the Followed Policy: (i) expand</p>

coverage, (ii) change the policyholder name or address, or (iii) modify the Premium, this policy shall not follow those changes unless the **Insurer** reflects its agreement to do so in a written endorsement to this policy; provided, however, that any failure by **Insurer** to provide any such endorsement shall relieve the **Insurer** of its obligations hereunder solely to the extent that the Insurer is actually prejudiced thereby. The burden of proving any such actual prejudice shall be on the **Insurer**.

SERVICE OF
SUIT

Subject to any provision in the **Followed Policy** requiring or allowing for arbitration, in the event of failure of the **Insurer** to pay any amount claimed to be due hereunder, the **Insurer** and the **Policyholder**, will submit to the jurisdiction of a court of competent jurisdiction of a court in the Province of Ontario, located in the City of Toronto. Nothing in this Clause constitutes or should be understood to constitute a waiver of the **Insurer's** rights to commence or remove an action to a federal court located in the Province of Ontario as permitted by the laws of Canada or of any province in Canada. The law governing the construction, validity and performance of this policy, and the process for resolving any disputes between the Insurer and the Insureds arising under or in connection with this policy, shall be governed by the relevant provisions of the Followed Policy. It is further agreed that service of process in such suit may be made upon General Counsel, AIG Insurance Company of Canada, 120 Bremner Boulevard, Suite 2200, Toronto, Ontario, Canada M5J 0A8, or his or her representative, and that in any suit or arbitration instituted against the **Insurer** upon this contract of insurance, the **Insurer** will abide by the final decision of such court (or of any appellate court in the event of any appeal). Nothing in this Clause, however, shall affect the right of any party to serve legal process by any other means permitted by law.

IN WITNESS WHEREOF, the **Insurer** has caused this policy to be signed below by its President and Chief Executive Officer.

**CUSTOMER ADVISORY
REGARDING THE ENFORCEMENT OF
ECONOMIC EMBARGOES AND TRADE SANCTIONS**

This Trade Sanction Advisory is part of **AIG Insurance Company of Canada** comprehensive compliance program and is meant to serve as a reminder of the existing applicable legal requirements with respect to Trade Sanctions.

Your rights as a policyholder and payments to you, any insured or claimant, for loss under this policy may be affected by the administration and enforcement of economic embargoes and trade sanctions applicable to you, any insured, claimant and/or to the insurer and their respective controlling entities (hereinafter "Trade Sanctions").

WHAT IS AN ECONOMIC EMBARGO AND/OR TRADE SANCTION

Trade Sanctions involve the imposition by a country of legal measures to restrict or prohibit trade, services or other economic activity with a target country, entity or individual. For example, the Parliament of Canada has enacted legislation authorizing the imposition of Trade Sanctions through the *United Nations Act*, the *Special Economic Measures Act* and some provisions of the *Export and Import Permits Act*.

Depending upon the identity, domicile, place of incorporation or nationality of the policyholder, insured, claimant, insurer, or the parent company and ultimate controlling entity of the policyholder, insured, claimant or insurer, or the country where the claim arises, Trade Sanctions of foreign countries, including the United States of America, may be applicable. The application of sanctions could necessitate the seizure or freezing of property, including but not limited to the payment of a claim.

Existing Trade Sanctions can be amended, and new Trade Sanctions can be imposed, at any time.

OBLIGATIONS PLACED ON US AS A RESULT OF TRADE SANCTIONS

If we determine that you or any insured, additional insured, loss payee, or claimant are on a prohibited list or are connected to a sanctioned country, entity or individual, or a prohibited activity, as designated by the relevant Trade Sanction, we may be required to comply with the requirements of the applicable Trade Sanction, which by way of example, may include blocking or "freezing" property and payment of any funds and the reporting of such occurrences to the relevant authorities within the prescribed time periods, if any.

POTENTIAL ACTIONS BY US

Depending upon the requirements of the relevant Trade Sanction:

1. *We may be required to immediately cancel your coverage effective on the day that we determine that we have transacted business with an individual or entity associated with your policy on a prohibited list or connected to a sanctioned country as described in the relevant Trade Sanction.*
2. *If we cancel your coverage, you may not receive a return premium unless permitted pursuant to the relevant Trade Sanction. All blocked or frozen funds will be placed in an interest bearing blocked account established on the books of a financial institution.*
3. *We may not pay a claim, accept premium or exchange monies or assets of any kind to or with individuals, entities or companies (including a bank) on a prohibited list or connected to, or carrying on business in, a sanctioned country as designated by the relevant Trade Sanction. Furthermore, we may not defend or provide any other benefits under your policy to individuals, entities or companies on a prohibited list or connected to, or carrying on business in, a sanctioned country as designated by the relevant Trade Sanction.*

**AVIS À LA CLIENTÈLE
CONCERNANT L'APPLICATION DES
EMBARGOS ÉCONOMIQUES ET DES SANCTIONS COMMERCIALES**

Le présent avis concernant les sanctions commerciales fait partie du programme intégré de conformité de Compagnie d'Assurance AIG du Canada et vise à rappeler les exigences juridiques actuelles applicables quant aux sanctions commerciales.

Vos droits à titre de titulaire de police et les paiements qui sont dus à vous, à un assuré ou à un demandeur, à la suite d'un sinistre aux termes de la présente police, peuvent être touchés par l'administration et l'application d'embargos économiques et de sanctions commerciales qui sont applicables contre vous ou contre un assuré, un demandeur ou l'assureur et leurs entités contrôlantes (ci-après appelées les « sanctions commerciales »).

DÉFINITION D'UN EMBARGO ÉCONOMIQUE OU D'UNE SANCTION COMMERCIALE

Un pays impose des sanctions commerciales lorsqu'il prend des mesures juridiques pour restreindre ou interdire le commerce, les services ou d'autres activités économiques avec un pays, une entité ou une personne en particulier. Par exemple, le Parlement du Canada a adopté une législation permettant l'imposition de sanctions commerciales en vertu de la *Loi sur les Nations Unies*, de la *Loi sur les mesures économiques spéciales* et de certaines dispositions de la *Loi sur les licences d'exportation et d'importation*.

Selon l'identité, le domicile, le lieu de constitution ou la nationalité du titulaire de police, de l'assuré, du demandeur, de l'assureur ou de la société mère et de l'entité contrôlante finale du titulaire de police, de l'assuré, du demandeur ou de l'assureur, ou selon le pays où le sinistre a eu lieu, des sanctions commerciales imposées par des pays étrangers, notamment les États-Unis d'Amérique, peuvent s'appliquer. L'application de sanctions pourrait nécessiter la saisie ou le gel d'un bien, notamment de l'indemnité d'assurance.

Les sanctions commerciales actuelles peuvent être modifiées et de nouvelles sanctions commerciales peuvent être imposées à tout moment.

OBLIGATIONS NOUS INCOMBANT EN RAISON DE SANCTIONS COMMERCIALES

Si vous ou un assuré, un assuré supplémentaire, un bénéficiaire ou un demandeur êtes sur une liste d'interdiction ou êtes liés à un pays, à une entité ou à une personne faisant l'objet d'une sanction ou à une activité interdite, visé par la sanction commerciale pertinente, nous pourrions devoir nous conformer aux exigences de la sanction commerciale applicable, qui, par exemple, peut inclure le blocage ou le gel d'un bien ou du paiement de fonds et la déclaration de cette mesure aux autorités compétentes dans les délais prescrits, le cas échéant.

MESURES ÉVENTUELLES DE NOTRE PART

Selon les exigences de la sanction commerciale pertinente :

- 1. Nous pourrions être tenus de résilier immédiatement votre couverture, avec prise d'effet le jour où nous estimons que nous avons fait affaires avec une personne ou une entité associée à votre police qui se trouve sur une liste d'interdiction ou liée à un pays visé par la sanction commerciale pertinente.*
- 2. Si nous résilions votre couverture, vous ne recevrez peut-être pas un remboursement de prime si la sanction commerciale applicable ne le permet pas. Tous les fonds bloqués ou gelés seront placés dans un compte bloqué portant intérêt ouvert auprès d'une institution financière.*
- 3. Il est possible que nous ne puissions pas régler un sinistre, accepter une prime ou échanger de l'argent ou des biens de quelque sorte que ce soit lorsque la personne, l'entité ou la société intéressée (y compris une banque) se trouve sur une liste d'interdiction, est liée à un pays sanctionné ou exerce des activités dans un pays visé par la sanction commerciale pertinente. De plus, il pourrait nous être impossible de défendre ou d'indemniser par ailleurs aux termes de votre police des personnes, des entités ou des sociétés qui se trouvent sur une liste d'interdiction, sont liées à un pays sanctionné ou exercent des activités dans un pays visé par la sanction commerciale pertinente.*

Notwithstanding that the Insured may have a right to claim against the Seller or Seller Parent Guarantor in respect of the subject matter out of which any Loss arises pursuant to the Agreement, the Insured shall not be required to proceed against the Seller or Seller Parent Guarantors at any time, under any circumstances, including prior to: i) delivering a Notification of Circumstance and/or Claim under this Policy; ii) for a Loss to be capable of eroding the Deductible; or iii) recovering Loss from the Insurer.

2.5 Proceeds under this Policy and gross up

If any deduction or withholding is required by law to be made from any payment of Loss made by the Insurer under this Policy or if the Insured or any Group Member is subject to tax in respect of its receipt of such payment of Loss, the Insurer shall increase the amount of the payment (subject always to the Limit of Liability) to the extent necessary to ensure that the net amount received (after taking into account such deduction, withholding or taxation, as applicable) is equal to the amount that it would have received had the payment not been subject to any such deduction, withholding or taxation, as applicable.

2.6 No recourse and subrogation

The Insurer agrees that it will not have any right of action against any Team Members, nor will the Team Members have any liability in their personal capacity in relation to any No Claims Declaration or otherwise under this Policy.

The Insurer shall have no, and hereby waives any, rights of subrogation against: i) the Seller or Seller Parent Guarantors, save in respect of any Loss that arises directly from the Seller's

Policy Number: 00-37229918J0

or any Seller Parent Guarantor's Intentional Fraud; ii) any Group Member, iii) the Insured or any Affiliate of the Insured; or (iv) any external advisers of the Insured, Seller and/or Group Member, in each case, in connection with such advisers' services in, under and/or in respect of the completion of the transaction evidenced by the Agreement, save in respect of any Loss that arises directly from such advisers' Intentional Fraud.

In the event of Intentional Fraud, the Insurer shall only be entitled to subrogate against such Person whose conduct has been Intentional Fraud and the Intentional Fraud of any individual Person shall not be imputed to another.

Any Team Member, the Seller, Seller Parent Guarantors and the aforementioned advisers shall be entitled to enforce the provisions of this Clause 2.6.

2.7 Policy Period

The Insurer shall not be liable for Loss unless the respective Notification of Circumstance has been delivered to the Insurer during the Policy Period or within thirty (30) Business Days after the expiration date of the Policy Period.

If a Notification of Circumstance is given, then any subsequent Loss arising out of the facts, matters or circumstances notified shall be deemed reported at the time the Notification of Circumstance was received by the Insurer.

3. CALCULATING LOSS

Loss means:

1. all losses, liabilities, damages, claims, awards, judgements, payments, costs and expenses actually suffered or incurred by the Insured; and
2. any Authorized Expenses to the extent not included in (1) above.
3. Losses shall not include punitive damages except to the extent awarded to a third party in a Third Party Claim.
4. Losses shall include any consequential or indirect damages that are a reasonably foreseeable consequence of the applicable breach, inaccuracy or failure to perform (including, to the extent reasonably foreseeable, diminution of value).

4. INSURED EVENTS

On the Commencement Date and/or the Closing Date:

1. prior to the Closing, the Seller is not, and therefore following the Closing, the Insured is not, the record and/or beneficial owner of the Purchased Interests, free and clear of all Liens, other than: i) Liens arising under the Agreement and/or the LLC Agreement, and/or ii) restrictions on sales of securities under applicable securities Laws;
2. there is a Right of any Person, other than the Insured, to purchase and/or acquire from the Seller the Purchased Interests, other than such Rights: i) as set forth in the LLC Agreement, and/or ii) of the Buyer under the Agreement;

Policy Number: 00-37229918J0

3. any of the Purchased Interests: i) are not validly issued, ii) are not fully paid (to the extent required by the LLC Agreement), and/or iii) are not non-assessable (except as such non-assessability may be affected by Sections 18-607 and 18-804 of the Delaware Limited Liability Company Act);
4. any of the Purchased Interests were issued to and/or acquired by the Seller in violation of: i) any Law, ii) any Contract, and/or iii) the preemptive rights of any Person;
5. prior to the Closing the Seller does not have, and therefore following the Closing, the Insured does not have, good and/or valid title to the Purchased Loan, free and clear of all Liens, other than Liens arising under the Agreement and/or the Loan Agreement;
6. there is a Right of any Person other than the Insured to purchase and/or acquire from the Seller all and/or any portion of the Loan under the Loan Agreement, other than: i) as set forth in the Loan Agreement, and/or ii) the Buyer's rights under the Agreement.

5. EXCLUSIONS

5.1 - General

Notwithstanding anything else in this Policy or elsewhere, the Insurer shall not be liable for that part of Loss:

1. subject to Section 6.4, resulting from a Third Party Claim brought by any Person to whom the Insured has disclosed the existence of this Policy prior to the initiation of such Third Party Claim, provided that this Clause 5.1(1) shall not apply to: (i) the Seller and its Affiliates; (ii) the any Group Member; (iii) a potential purchaser with whom the Insured is negotiating the sale of any Group Member; (iv) any Finance Party; (v) the advisers of the aforementioned, to whom, in each case, the Insured is entitled to disclose this Policy to and/or (vi) as required by Law or in order to implement or enforce the Insured's rights under this policy;
2. being legal fees, other expenses and/or Authorized Expenses which the Insurer did not authorize in writing before they were incurred (such authorisation not to be unreasonably withheld, conditioned or delayed), unless retrospective approval was obtained (such authorisation not to be unreasonably withheld, conditioned or delayed);
or
3. arising from pollution, flooding, contamination, war, invasion, riot, civil commotion and/or revolution;

5.2 – Known issues and fraud

Notwithstanding anything else in this Policy or elsewhere, the Insurer shall not be liable for that part of Loss:

1. arising from any material inaccuracy in any No Claims Declaration, but only to the extent such Loss is directly related to the substantive content of such material inaccuracy which shall be the Insurer's burden to prove;
2. arising from any fact, matter or circumstance disclosed in the Agreement and/or Disclosure Schedules, to the extent reasonably apparent on the face of such disclosure

Policy Number: 00-37229918J0

that such Loss would reasonably be expected to arise out of such fact, matter or circumstance;

3. arising from a fraudulent Claim made by or on behalf of the Insured;

5.3 Closing No Claims Declarations

If the Closing No Claims Declaration contains details of any Interim Event: (i) the Insurer shall not be entitled to terminate this Policy and this Policy will continue, save that the Insurer shall not be liable to pay any Loss based upon, arising out of, or to the extent Loss is increased by (in which case only to the extent of such increase), any such Interim Event; and (ii) the cover of any Insured Event that is not an Interim Event shall not be impacted upon whatsoever.

5.4 Other Insurance Policies

The Insured shall not be required to seek recovery under the Representations & Warranties Insurance Policy prior to delivering a Notification of Circumstance or recovering Loss under this Policy.

The coverage provided under this Policy shall be excess coverage of any other valid and collectible insurance policy with respect to any Loss. The Insured shall not be obligated to first pursue claims for any Loss against any other insurance policy or other source of recovery prior to being eligible for any payment under this Policy and if there is a dispute as to whether the coverage under this Policy shall be excess of other coverage or if other coverage shall be excess of the coverage under this Policy, the Insured may recover under this Policy.

6. CONDITIONS

6.1 Notifying a Claim and mitigation

The Insured must notify DUAL Asset Underwriting as soon as reasonably practical of the chief executive officer, chief financial officer or general counsel (or the functional equivalent of the foregoing) of the Insured obtaining Actual Knowledge of a fact, matter or circumstance that may reasonably result in any Loss under this Policy (a “**Notification of Circumstance**”) or of an occurrence giving rise to a Claim, provided that any delay in providing a Notification of Circumstance shall not prejudice the liability of the Insurer to the Insured under the Policy.

To make a Claim, contact DUAL Asset Underwriting, by email or in writing at the address shown below.

DUAL Asset Underwriting

Attn: Managing Director

A copy of such notice should be provided to Atlantic at the following address:

Atlantic Global Risk LLC

New York, NY, 10169

Policy Number: 00-37229918J0

Attn: Managing Director

claims@atlanticgrp.com

If a Claim has been accepted by the Insurer, it is the Insurer's aim (without limiting the Insurer's other obligations hereunder):

- to resolve the fact, matter or circumstance giving rise to the Claim in order to mitigate any Loss; or
- to defend the Insured, at the Insurer's expense, to resolve any Third Party Claim as efficiently as possible.

The Insured shall, and to the extent reasonably practicable and permitted by Law, take reasonable steps to mitigate any Loss or potential Loss. For the avoidance of doubt, nothing in this Clause 6.1 shall require the Insured to forego any legal rights or breach any legal obligation (including any such right or obligation which may arise pursuant to any rule of dispute resolution procedure, or as may arise out of or in connection with the Agreement or any other agreement) or do or not do any other thing where to do or not do so would in any way have a detrimental effect on the respective rights, obligations and interests of the Insured.

For any matter that does not require a Notification of Circumstance under this Policy, but is recoverable under the Representations & Warranties Insurance Policy (and therefore erodes the Deductible under this Policy pursuant to Clause 2.3), the Insured shall keep the Insurer reasonably informed of such matters.

6.2 Dealing with Claims and Third Party Claims under this Policy

In respect of a Third Party Claim, the Insured must not negotiate, admit fault or make any payment, settlement offer or promise of payment, unless it has obtained the Insurer's written permission to do so (such written permission will not be unreasonably withheld, conditioned or unduly delayed). The Insurer has the right to refuse to indemnify the Insured for any payment, settlement offer or promise of payment that does not have the Insurer's prior written permission (provided that such permission was not unreasonably withheld, conditioned or delayed), unless resulting from a Final Judgment; provided that such permission shall not be required (but you shall keep the Insurer informed) if the amount of such payment, settlement offer or promise of payment does not exceed 33 1/3% of the then-available Deductible.

To the extent reasonably permitted by the circumstances, and without placing the Insured under any obligation to contravene any applicable law or regulation or endanger any legal privilege, the Insured shall reasonably co-operate with the Insurer in relation to Claims, including by providing the Insurer with information that is within the Insured's possession, is reasonable to provide, and is relevant to such a Claim. The Insurer has the right to reduce Loss paid to the extent that a material non-co-operation affects its ability to assist the Insured, but only to the extent such non-co-operation actually and materially prejudices the Insurer.

In dealing with any Claim under this Policy arising from a Third Party Claim, the Insurer will choose whether to defend the Insured or pay a cash amount to settle such Third Party Claim. At any time, the Insurer can pay the Insured an amount equal to the applicable Limit of Liability or any lower amount for which the Third Party Claim can, pursuant to a written offer, be settled in full in cash at such time (provided that such offer must include including a full and unconditional release of all Third Party Claims against Insured and its Affiliates and Representatives), after deduction of any money already paid in connection with such Third

Policy Number: 00-37229918J0

Party Claim. The Insurer shall then give up control of, and have no further liability in connection with such Third Party Claim.

The Insurer may carry out the defense or settlement of any Third Party Claim and subject to Section 2.6: (i) take any reasonable legal action in the name of any Person covered by this Policy; (ii) if necessary, choose a Legal Representative, who will act for the Insured in any legal action provided that the Insurer shall reasonably cooperate with the Insured to transition control of such Third Party Claim to the Insured.

Subject to Clause 6.5, if the Insurer decides to take legal action, they will not be obliged to settle such Third Party Claim until there is a Final Judgment. Whilst the Insurer is taking legal action on behalf of the Insured, if it is reasonably likely that the Insurer will not be successful in such legal action, the Insurer shall have the discretion to agree a reasonable settlement with the Insured sufficient to resolve such Third Party Claim in full and settle the Claim on behalf of the Insured, provided that such settlement is solely for money damages and includes a full and unconditional release of all Third Party Claims against Insured and its Affiliates and Representatives.

For any Claim or Third Party Claim that is recoverable under the Representations & Warranties Insurance Policy, the Insurer acknowledges that the insurance carriers providing such Representations & Warranties Insurance Policy may require conduct of such Claim or Third Party Claim. For as long as Loss arising from the aforementioned Claim or Third Party Claim falls within the Deductible of this Policy, the Insured shall not be required to take any action under this Policy if such action prejudices its rights of recovery under the Representations & Warranties Insurance Policy.

6.3 Choice of Law and Jurisdiction and Service of Suit

The construction, interpretation and meaning of the terms, exclusions, limitations and conditions of this Policy shall be determined in accordance with the laws of the State of Delaware, as applicable to insurance contracts entered into in that State between citizens of that State, and in accordance with the text as it appears in this Policy.

Subject to any provision in this Policy requiring or allowing for arbitration, in the event of failure of the Insurer to pay any amount claimed to be due hereunder, the Insurer and the Insured shall submit to the jurisdiction of the Courts in the Province of Ontario, located in the City of Toronto. Nothing in this Section 6.3 constitutes or should be understood to constitute a waiver of the Insurer's rights to commence or remove an action to a federal court located in the Province of Ontario Canada, as permitted by the laws of Canada. It is further agreed that service of process in such suit may be made upon Clyde & Co Canada LLP, 401 Bay Street, Suite 2500 P.O. Box 25, Toronto, Ontario, M5H 2Y4, Canada, or his or her representative, and that in any suit instituted against the Insurer upon this Policy, the Insurer will abide by the final decision of such court or of any appellate court in the event of any appeal.

It is hereby understood and agreed that all disputes or differences which may arise under this Policy, whether arising before or after termination of this Policy, including any determination of the amount of Loss, shall be referred to and finally resolved by arbitration under the Ontario Arbitration Act, 1991, S.O., 1991, c. 17, and shall be conducted in accordance with its provisions, rules and regulations. The place of the arbitration shall be the City of Toronto in the Province of Ontario. The language of the arbitration shall be English. With regard to any specific arbitration, there shall be three arbitrators. The arbitrators shall be disinterested individuals having knowledge of the legal, corporate or insurance issues relevant to the matters in dispute. The Insurer shall appoint one arbitrator and the Insureds shall appoint one arbitrator. The third arbitrator shall be the chairman and shall be appointed by agreement of

Policy Number: 00-37229918J0

the two party-appointed arbitrators. The written decision of the arbitrators shall be provided to both parties and shall be binding on them. The arbitrators' award shall not include costs or legal fees or other costs and disbursements. Each party shall bear equally the expenses of the arbitration.

6.4 Inadvertent Breach and Innocent Non-Disclosure

Without prejudice to Clause 5 of this Policy, the consequences under this Policy of any inadvertent action, inadvertent breach, inadvertent inaction or inadvertent omission taken or made, or failed to be taken or made, in each case, by or on behalf of the Insured, shall not relieve the Insurer of its obligations to pay Loss under this Policy. However, the Insurer shall be entitled to reduce Loss to the extent that such inadvertent action, inadvertent breach, inadvertent inaction or inadvertent omission has actually and materially prejudiced the Insurer.

6.5 Payment of Loss and reimbursement of Authorized Expenses

When the extent of the Insurer's liability to the Insured under this Policy with respect to any Claim has been finally determined, the Insurer will pay the Insured within thirty (30) Business Days of that determination.

Notwithstanding that any Third Party Claim that may not have been settled or finally determined, if the Insured requests in writing, the Insurer shall, provided that the Deductible has been fully eroded, reimburse the Insured after each calendar month for Authorized Expenses incurred during such calendar month.

6.6 Premium, Taxes & Cancellation

6.6.1

This Policy is non-cancellable, and the Premium hereunder is earned fully and non-refundable on the Closing Date.

6.6.2

The Insurer's obligation under this Policy shall be conditional upon:

1. delivery to DUAL Asset Underwriting within 5 Business Days from the Commencement Date of a PDF copy of the duly executed Signing No Claims Declaration
2. Closing occurring in accordance with the Agreement Closing Conditions without any waiver or amendments to the parties' obligations under those provisions which would reasonably be expected to have an adverse and material impact on the Insurer, unless the Insurer has given its prior written consent (such consent not to be unreasonably withheld, conditioned or delayed);
3. delivery to DUAL Asset Underwriting within 5 Business Days from the Closing Date of a PDF copy of the Closing No Claims Declaration duly executed by or on behalf of the Insured; and
4. delivery to DUAL Asset Underwriting within 20 Business Days from the Closing Date: (i) a PDF copy of the executed Agreement; and (ii) a PDF copy of the executed Disclosure Schedules;
5. payment of 10% of the Premium (including applicable taxes) to the Insurer (or broker in respect of taxes) in cleared funds within: (i) 20 Business Days from the Commencement Date; and (ii) the remaining 90% of the Premium (and applicable taxes) within 20 Business Days from the Closing Date, or such other date as is agreed in writing between the Insured and the Insurer.

Policy Number: 00-37229918J0

If any conditions in Clauses 6.6.2 (1), (3), (4) or (5) are not fully met, the Insurer shall be entitled to terminate this Policy by written notice to the Insured, provided that the Insured has the opportunity to cure conditions which have not been satisfied within 10 Business Days following receipt of the Insurer's written notice to terminate this Policy. If the Insurer terminates this Policy in accordance with this Clause:

1. the Insurer shall have no liability under this Policy in respect of any Loss or otherwise; and
2. the Insurer shall refund 95% of the Premium (if it has been paid by the Insured to the Insurer) or the Insured shall pay to the Insurer 5% of the Premium.

Should a Loss be discovered after the Commencement Date, but prior to the conditions under this Clause 6.6.2 being met, the Insurer shall not be relieved of its obligations under this Policy, so long as the conditions under this Clause 6.6.2 are met within the respective time periods.

6.6.3

If Closing does not occur, the Insurer, or notwithstanding any other provisions in the Policy, the Insured shall be entitled to terminate and render void ab initio this Policy by written notice to the other party, in which case the Insurer shall have no liability under this Policy in respect of any Loss or otherwise and the Insurer shall refund the Premium (if it has been paid by the Insured to the Insurer).

6.7 Finance Party Protection Clause

Any act, neglect, error, omission or non-compliance with the terms of this Policy by the Insured, which invalidates or vitiates the cover provided by this Policy or would allow a defense as against the payment of a Claim shall not affect the entitlement of any Finance Party to make a Claim under this Policy or otherwise prejudice the interest of any Finance Party under this Policy.

6.8 Assignment and Additional Insureds

The Insured may not assign any of the rights under this Policy without the Insurer's express written permission (such permission not to be unreasonably withheld, conditioned or delayed) save that the Insured may:

1. assign any or all of its interest in this Policy to any Group Member or Affiliate of the Insured;
2. assign any or all of its interest in the proceeds of this Policy to a Finance Party.

6.9 Fraud

If the Insured, or anyone acting on its behalf, makes a Claim under this Policy which is fraudulent and/or supported by a fraudulent statement, the Insurer shall not pay any part of that Claim or any other Claim which has been made under this Policy. In addition, the Insurer shall have the right to:

1. treat this Policy as if it never existed, or at the Insurer's option, terminate this Policy, without returning any Premium that has been paid to the Insurer; and
2. refuse any other benefit under this Policy.

If required by mandatory law, the Insurer may also notify the relevant authorities, so that they may consider criminal proceedings.

Policy Number: 00-37229918J0

6.10 Notices and changes to Policy terms

Every notice that is given under this Policy must be done so in writing (by email or post) and should include the Policy Number.

To be effective, any change to the terms of this Policy must be in writing and agreed between the Insured and the Insurer and noted by way of an Endorsement in the form attached at Appendix C.

If the Insured gives notice under this Policy, it must send it to DUAL Asset Underwriting at the address shown in Clause 6.1 of this Policy. If the Insurer gives notice, they must send it to the Insured's address shown in Item 1 of the Declarations, with a copy to be sent to:

6.11 Sanctions

The Insurer shall not provide any benefit under this Policy to the extent providing cover, payment of any Claim or Third Party Claim or the provision of any benefit would breach any sanction, prohibition or restriction imposed by law or regulation.

6.12 Complaints

If the Insured wishes to make a complaint, written notice should be provided to DUAL Asset Underwriting at the following address:

To: Moby Canada Limited Partnership
c/o OMERS Infrastructure Management Inc.

Dear Sirs/Mesdames:

Re: **Purchase and Sale Agreement (the “PSA”) made and entered into as of August 8, 2018, by and among MIP Padua Holdings, L.P. (f/k/a MIP Padua Holdings, GP) (the “Seller”), and Moby Canada Limited Partnership, a limited partnership formed under the laws of Ontario (the “Buyer”), and the other parties thereto.**

1. OMERS Administration Corporation, for and on behalf of the OMERS pension plans (the “**Sponsor**”), refers to the proposed acquisition by Buyer of the Purchased Assets pursuant to the terms and conditions of the PSA (the “**Transaction**”).
2. The Sponsor shall fund, or cause an affiliate to fund, Buyer, through direct or indirect equity contributions and/or shareholder loans, in immediately available funds, an amount in cash equal to \$1,670,375,175 (the “**Commitment**”), immediately prior to the time that Buyer becomes obligated under the PSA to effect the Closing. The Sponsor’s obligation to fund the Commitment is subject to the satisfaction in full or, in the sole discretion of Buyer, waiver of each of the conditions precedent to the Closing set out in Sections 6.1 and 6.3 of the PSA (other than those conditions that by their nature are to be, can be, and concurrently are satisfied at the Closing).

The Commitment shall be used solely to fund the payment by Buyer of the Purchase Price pursuant to the PSA, and for no other purpose, and the Sponsor shall not under any circumstances be obligated to fund any of the Commitment except in connection with the Closing. The Sponsor’s obligation to fund the Commitment and this Section 2 shall terminate in their entirety and cease to be of any force or effect upon the earlier of (i) the Closing occurring, and (ii) the date the PSA terminates in accordance with its terms (the “**Termination Date**”). Notwithstanding anything herein, in no circumstances shall the Sponsor’s liability under this commitment letter exceed the amount of the Commitment.

3. Notwithstanding anything that may be expressed or implied in this commitment letter, by their acceptance hereof, Buyer and any other party in interest to this commitment letter (including, without limitation, the Seller) acknowledge and

agree that, except in the case of fraud, (i) notwithstanding that the Sponsor is a corporation, no recourse hereunder or under any documents or instruments delivered in connection herewith may be had against any director, officer, agent or employee of the Sponsor (other than Buyer), any affiliate or related party of the Sponsor (other than Buyer), or any direct or indirect director, officer, trustee, employee, partner, affiliate, manager, shareholder, member, stockholder, controlling person, agent or representative of any of the foregoing (other than the Sponsor and Buyer) (any such person or entity, a "**Related Person**"), whether by the enforcement of any judgment or assessment or by any legal or equitable proceeding, or by virtue of any statute, regulation or other applicable law, and (ii) no personal liability whatsoever will attach to, be imposed on or otherwise be incurred by Related Persons under this commitment letter or any documents or instruments delivered in connection herewith or with the Transaction for any claim based on, in respect of or by reason of such obligations or by their creation.

4. No person or entity other than Buyer shall be entitled to rely upon this commitment letter; provided, however, that the parties hereto acknowledge and agree that the Seller will be relying on this commitment letter in entering into the PSA with Buyer and that the Seller is an express third party beneficiary of, and shall be entitled to enforce (by specific performance or otherwise) without bond or other security being required, all obligations of the Sponsor in this commitment letter. Each of the parties hereto irrevocably agrees and acknowledges that the rights of the other parties and Seller hereunder are special, unique and of extraordinary character, and that if any party hereto violates or fails or refuses to perform any covenant or agreement made by it herein, the non-breaching parties and Seller, as the case may be, shall be without an adequate remedy at law. Each party hereto agrees that it shall not oppose the granting of an injunction, specific performance or other equitable relief on the basis that (a) the other party or Seller has an adequate remedy at law or (b) an award of specific performance is not an appropriate remedy for any reason at law or in equity, and each party hereto waives any defense thereto, including the defenses of: (i) failure of consideration, (ii) breach of any other provision of this commitment letter and (iii) availability of relief in damages. This commitment letter shall be binding upon and inure solely to the benefit of each party hereto and, except as set forth above, nothing herein, express or implied, is intended or shall confer upon any other person any rights, benefits or remedies whatsoever under or by reason of this commitment letter.
5. Representations of the Sponsor. The Sponsor hereby represents and warrants to Buyer that (a) it is duly organized, validly existing and in good standing under the Laws of the jurisdiction of its organization; (b) it has all corporate power and authority to execute, deliver and perform this commitment letter; (c) the execution, delivery and performance of this commitment letter by it has been duly and validly authorized and approved by all necessary corporate action by it; (d) this commitment letter has been duly and validly executed and delivered by it and constitutes a valid and legally binding obligation of it, enforceable against it in accordance with the terms of this commitment letter, subject to the Remedies Exception; (e) it has, and will at all times prior to the termination of this commitment letter in accordance with Section 2 of this commitment letter have, sufficient funds to pay the Commitment, and is not aware of any reason why such funds will not be available when required; and (f) all consents, approvals,

authorizations and permits of, filings with, and notifications to, any Governmental Authority necessary for the due execution, delivery and performance of this commitment letter by it have been obtained or made and all conditions thereof have been duly complied with, and no other action by, and no notice to or filing with, any Governmental Authority is required in connection with the execution, delivery or performance of this commitment letter.

6. The rights and obligations of Buyer under this commitment letter shall not be assignable (by operation of law or otherwise) without each of the Sponsor's and the Seller's prior written consent, and the granting of such consent shall be solely in the discretion each of the Sponsor and the Seller. If any such prior written consent is granted, it shall not constitute a waiver by the Sponsor or Seller, as the case may be, of this requirement as to any subsequent assignment. The Sponsor's obligation to fund the Commitment may not be assigned by the Sponsor without the consent of the Seller other than to an affiliate of the Sponsor and, in any event, no assignment by the Sponsor of its obligation to fund the Commitment shall relieve the Sponsor of its obligations hereunder. Any purported assignment of this commitment letter in contravention of this Section 6 shall be null and void. Upon the valid assignment of this commitment letter by the Sponsor pursuant to and in accordance with this Section 6, the assignee shall, by accepting such assignment, be deemed to make the representations and warranties set forth in Section 2 of this commitment letter.
7. All capitalized terms used, but not defined, in this commitment letter shall have the meanings attributed to such terms in the PSA.
8. This commitment letter and its contents are considered confidential and may not be disclosed in any part without the prior written consent of the other parties hereto; provided that the Sponsor and the Seller shall be entitled to disclose this commitment letter and its contents (i) to their respective officers, directors, members, Affiliates, advisors and consultants who, in each case, need to know the terms of this commitment letter in connection with the negotiation or furtherance of the transactions contemplated by the PSA and who are directed to treat this commitment letter as confidential; (ii) where required (x) by any Governmental Authority to be disclosed under applicable law or any applicable listing agreement with, or rules and regulations of, an applicable securities exchange, or in connection with any required regulatory filings relating to the transactions contemplated by the PSA or (y) for purposes of compliance with any bona fide financial reporting obligation (in case of either (x) or (y) the Seller (if applicable), to the extent legally permissible, shall provide the Sponsor with prompt written notice so that the Sponsor may seek a protective order or other appropriate remedy and/or waive compliance with the provisions of this Section 8), (iii) in connection with any litigation to enforce the terms of this commitment letter and (iv) in connection with a routine audit or examination by, or a blanket document request from, a regulatory or self-regulatory authority, bank examiner or auditor.
9. Following the termination of this commitment letter in accordance with and pursuant to Section 2 hereof, this commitment letter and all of the obligations remaining hereunder shall terminate in their entirety and cease to be of any force or effect.

10. This commitment letter may not be amended except by an instrument in writing signed by the Sponsor, Buyer and Seller.
11. This commitment letter, and all claims and causes of action (whether in contract, tort, at law, in equity or otherwise) that may be based upon, arise out of, or relate to this commitment letter, any of the transactions contemplated hereby or the negotiation, execution, performance or enforcement of this commitment letter shall be governed by and construed in accordance with the law of the State of Delaware without giving effect to any choice or conflict of laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.
12. Each of the Parties irrevocably submits to the exclusive jurisdiction of (i) state courts of the State of Delaware located in New Castle County and (ii) the United States District Court for the District of the State of Delaware for the purposes of any suit, action or other proceeding arising out of or relating to this commitment letter, the negotiation, execution, performance and enforcement of this commitment letter or any transaction contemplated hereby (and agrees not to commence any action, suit or proceeding relating hereto except in such courts). Each of the Parties further agrees that service of any process, summons, notice or document hand delivered or sent by recognized overnight carrier to such party's respective address set forth on the first page of this commitment letter outside the territorial jurisdiction of the courts referred to in this Section 12 shall be effective service of process for any action, suit or proceeding in the State of Delaware with respect to any matters to which it has submitted to jurisdiction as set forth in the immediately preceding sentence. However, the foregoing shall not limit the right of a party to effect service of process on another party by any other legally available method. Each of the parties irrevocably and unconditionally waives any objection to the laying of venue of any action, suit or proceeding arising out of or relating to this commitment letter or the transactions contemplated hereby in (i) state courts of the State of Delaware located in New Castle County or (ii) the United States District Court for the District of the State of Delaware, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum. Notwithstanding the foregoing, each party agrees that a final judgment in any action or proceeding so brought shall be conclusive and may be enforced by suit on the judgment in any jurisdiction or in any other manner provided in law or in equity.
13. EACH OF THE PARTIES IRREVOCABLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER, IN CONNECTION WITH OR RELATING TO THIS COMMITMENT LETTER, ANY OF THE TRANSACTIONS CONTEMPLATED BY THIS COMMITMENT LETTER OR THE ACTIONS OF THE PARTIES IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE OR ENFORCEMENT HEREOF.

14. This commitment letter constitutes the entire agreement between the parties hereto and supersedes all other prior agreements and undertakings, both written and oral, between the parties with respect to the subject matter hereof, including, without limitation, any term sheets, letters of intent, proposals, bids or similar agreements.
15. This commitment letter may be executed and delivered (including by facsimile, email or other electronic transmission (including in .pdf or .tif formats) signature pages) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same instrument.
16. Any term or provision of this commitment letter that is invalid or unenforceable in any situation in any jurisdiction will not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction; provided, however, that this commitment letter may not be enforced without giving effect to the limitation of any amounts payable hereunder as provided hereunder. No party hereto shall assert, and each party shall cause its respective affiliates or related parties not to assert, that this commitment letter or any part hereof is invalid, illegal or unenforceable.
17. The Sponsor hereby waives all claims that it may have against Buyer until the Termination Date.
18. The Sponsor confirms that except as expressly set forth herein there are no conditions precedent or subsequent to its performance of any provision hereof.

Execution Version

LIMITED GUARANTY

This Limited Guaranty, dated as of August 8, 2018 (this "**Limited Guaranty**"), by OMERS Administration Corporation (the "**Guarantor**") is made in favor of MIP Padua Holdings, L.P. (f/k/a MIP Padua Holdings, GP) (the "**Guaranteed Party**") under the Purchase Agreement (as defined below). Capitalized terms used herein but not otherwise defined shall have the respective meanings given to them in the Purchase Agreement.

1. **LIMITED GUARANTY.** To induce the Guaranteed Party to enter into that certain Purchase and Sale Agreement (as amended, restated, supplemented or otherwise modified from time to time, the "**Purchase Agreement**") of even date herewith by and between Moby Canada Limited Partnership, a limited partnership formed under the laws of Ontario ("**Buyer**"), and the Guaranteed Party, the Guarantor, intending to be legally bound, hereby absolutely, unconditionally and irrevocably guarantees to the Guaranteed Party, pursuant to the terms and subject to the conditions herein, the due and punctual payment, observance, performance and discharge of the payment obligations of Buyer under the Purchase Agreement, including, without limitation, to pay (a) the Buyer Termination Fee pursuant to Section 8.3 of the Purchase Agreement, if and when due, (b) any other amounts, including, without limitation, interest, fees, costs and expenses to be paid by Buyer, that may be owed pursuant to Section 8.3 of the Purchase Agreement, (c) any reimbursement obligations of Buyer that may arise prior to the Closing, (d) any liability of Buyer for any breach by it of the Purchase Agreement prior to the Closing, and (e) any reasonable out-of-pocket fees and expenses incurred by the Guaranteed Party in enforcing its rights hereunder, but only to the extent the Guaranteed Party prevails in such enforcement (the amounts described in the foregoing clauses (a), (b), (c), (d) and (e), collectively, the "**Obligations**"), it being understood and agreed that this Limited Guaranty may not be enforced against the Guarantor without giving effect to the provisions set forth in this Limited Guaranty. Notwithstanding anything to the contrary herein, under no circumstances shall the Obligations exceed \$100,000,000 (One Hundred Million U.S. Dollars). If Buyer fails to discharge its Obligations when due, the Guaranteed Party may at any time and from time to time, at the Guaranteed Party's option, and so long as Buyer has failed to perform any of its Obligations, take any and all actions available hereunder or under applicable Law to enforce the Guarantor's obligations hereunder in respect of such Obligations, subject to the terms and conditions of this Limited Guaranty. Notwithstanding anything to the contrary herein, and except as otherwise expressly set forth herein, the Guarantor reserves the right to assert any and all defenses which Buyer may have to payment of the Obligations (including, without limitation, any contained in the Purchase Agreement). The guarantee by the Guarantor of the Obligations under this Limited Guaranty may be enforced for the payment of money only. All payments hereunder shall be made in lawful money of the United States, in immediately available funds. The Guarantor promises and undertakes to make all payments required hereunder free and clear of any deduction, offset, claim or counterclaim of any kind.

2. **NATURE OF LIMITED GUARANTY.** Subject to the express terms and conditions of this Limited Guaranty, the Guarantor's liability hereunder is absolute, unconditional, irrevocable and continuing irrespective of any modification, amendment or waiver of or any consent to departure from the Purchase Agreement that may be agreed to by Buyer (with the Guarantor's prior written consent). Without limiting the foregoing, the Guaranteed Party shall not be obligated to file any claim relating to the Obligations in the event that Buyer

becomes subject to a bankruptcy, reorganization or similar proceeding, and the failure of the Guaranteed Party to so file shall not affect the Guarantor's obligations hereunder. In the event that any payment to the Guaranteed Party in respect of the Obligations is rescinded or must otherwise be returned for any reason whatsoever (other than as set forth in the last sentence of Section 8), the Guarantor shall remain liable hereunder with respect to the Obligations as if such payment had not been made. This Limited Guaranty is an unconditional guarantee of payment and not of collectability.

3. CHANGES IN OBLIGATIONS, CERTAIN WAIVERS. The Guarantor agrees that the Guaranteed Party may, in its sole discretion, at any time and from time to time, without notice to or further consent of the Guarantor, extend the time of payment of the Obligations, and may also make any agreement with Buyer or with any other Person now or hereafter interested in the transactions contemplated by the Purchase Agreement, for the extension, renewal, payment, compromise, discharge or release thereof, in whole or in part, or for any modification of the terms thereof or of any agreement between the Guaranteed Party and Buyer or any such other Person without in any way impairing or affecting any obligations of the Guarantor under, or affecting the validity or enforceability of, this Limited Guaranty. The Guarantor agrees that its obligations hereunder shall not be released or discharged, in whole or in part, or otherwise affected by: (a) the failure or delay of the Guaranteed Party to assert any claim or demand or to enforce any right or remedy against Buyer or any other Person now or hereafter interested in the transactions contemplated by the Purchase Agreement or the Buyer Parent Commitment Letter; (b) any change in the time, place or manner of payment of, performance of, renewal or alteration of, any of the Obligations, any escrow arrangement or other security therefor, any liability incurred directly or indirectly in respect thereof, or any agreement entered into by the Sellers on the one hand, and the Buyer, on the other hand, in connection therewith, or any rescission, waiver, compromise, consolidation or other amendment or modification of any of the terms of the Purchase Agreement, the Buyer Parent Commitment Letter or any other agreement evidencing, securing or otherwise executed by Buyer and the Guaranteed Party in connection with the Obligations; (c) the addition, substitution or release of any Person now or hereafter interested in the transactions contemplated by the Purchase Agreement or the Buyer Parent Commitment Letter; (d) any change in the corporate existence, structure or direct or indirect ownership of Buyer, the Guarantor or any other Person now or hereafter liable with respect to the Obligations or otherwise interested in the transactions contemplated by the Purchase Agreement or the Buyer Parent Commitment Letter; (e) any insolvency, bankruptcy, reorganization, moratorium or other similar proceeding affecting Buyer, the Guarantor or any other Person now or hereafter liable with respect to any of the Obligations, or any of their respective assets, or otherwise interested in the transactions contemplated by the Purchase Agreement or the Buyer Parent Commitment Letter; (f) the adequacy of any other means the Guaranteed Party may have of obtaining payment related to any of the Obligations; (g) the value, genuineness, validity, regularity, illegality or enforceability of the Purchase Agreement or any other Transaction Document; (h) any discharge of the Guarantor as a matter of law or equity (other than as a result of payment of the Obligations in accordance with their terms); and (i) the existence of any claim, set off or other right that the Guarantor may have at any time against Buyer, the Guaranteed Party or the Company other than those available to Buyer against the Guaranteed Party under the Purchase Agreement or the Buyer Parent Commitment Letter. To the fullest extent permitted by applicable Law, the Guarantor hereby expressly waives any and all rights or defenses arising by reason of any Law which would otherwise require any election

of remedies by the Guaranteed Party. The Guaranteed Party shall not be required to proceed against Buyer first before proceeding against the Guarantor hereunder, and the Guarantor waives promptness, diligence, notice of the acceptance of this Limited Guaranty and of the Obligations, presentment, demand for payment, notice of non-performance, default, dishonor and protest, notice of the incurrence of the Obligations and all other notices or similar requirements of any kind (except for notices to be provided to Buyer and Buyer's counsel in accordance with Section 9.3 of the Purchase Agreement), all defenses which may be available by virtue of any valuation, stay, moratorium law or other similar Law now or hereafter in effect, any right to require the marshalling of assets of Buyer or any other Person now or hereafter liable with respect to the Obligations or otherwise interested in the transactions contemplated by the Purchase Agreement, and all suretyship defenses generally (other than fraud or intentional misconduct by the Guaranteed Party or any of its Affiliates, defenses to the payment of the Obligations that are available to Buyer under the Purchase Agreement or breach by the Guaranteed Party of this Limited Guaranty). The Guarantor acknowledges that it will receive substantial direct and indirect benefits from the transactions contemplated by the Purchase Agreement and that the waivers set forth in this Limited Guaranty are knowingly made in contemplation of such benefits.

The Guaranteed Party hereby covenants and agrees that it shall not institute, and shall cause its Affiliates not to institute, any proceeding or bring any other claim arising under, or in connection with, this Limited Guaranty, the Purchase Agreement or any other agreement entered into in connection therewith or the transactions contemplated hereby or thereby, against the Guarantor or other Buyer Affiliate (as hereinafter defined), except for (i) actions or claims against the Guarantor for the Obligations under this Limited Guaranty and/or for breaches of the representations and warranties set forth in Section 5 below and/or, subject to Section 8.3 of the Purchase Agreement, the Buyer Parent Commitment Letter, (ii) subject to Section 8.3 of the Purchase Agreement, actions or claims seeking specific enforcement of the Purchase Agreement as contemplated under Section 9.12 of the Purchase Agreement or of the Buyer Parent Commitment Letter. This paragraph shall not prohibit (i) actions or claims against Buyer under the Purchase Agreement or the other Transaction Documents to which Buyer is a party, or (ii) actions or claims under the Confidentiality Agreement against the party thereto.

Nothing set forth in this Limited Guaranty shall confer or give to any Person other than the Guaranteed Party any rights or remedies against any Person, including, without limitation, the Guarantor, except as expressly set forth herein (including, without limitation, Section 9 below). Notwithstanding anything to the contrary contained in this Limited Guaranty, the Guaranteed Party hereby agrees that to the extent Buyer is relieved for any reason from its obligations under the Purchase Agreement pursuant to the terms thereof that correspond to the Obligations hereunder, the Guarantor shall be similarly relieved of the Obligations under this Limited Guaranty to the extent thereof. The Guaranteed Party acknowledges that the Guarantor is agreeing to enter into this Limited Guaranty in reliance on the provisions set forth in this Section 3. This Section 3 shall survive termination of this Limited Guaranty.

The Guarantor hereby covenants and agrees that it shall not institute, directly or indirectly, and shall cause its Affiliates not to institute, any proceeding asserting that this Limited Guaranty is illegal, invalid or unenforceable in accordance with its terms. The Guarantor hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or may

hereafter acquire against the Guaranteed Party, Buyer or any other Person interested in the transactions contemplated by the Purchase Agreement that arise from the existence, payment, performance or enforcement of the Guarantor's Obligations under or in respect of this Limited Guaranty or any other agreement in connection therewith, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of the Guaranteed Party against Buyer or such other Person, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from Buyer or such other Person, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the Guarantor's Obligations and all other amounts payable under this Limited Guaranty shall have been paid in full in cash. If any amount shall be paid to the Guarantor in violation of the immediately preceding sentence at any time prior to the payment in full in cash of the Guarantor's Obligations, such amount shall be received and held in trust for the benefit of the Guaranteed Party, shall be segregated from other property and funds of the Guarantor and shall forthwith be paid or delivered to the Guaranteed Party in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the Obligations, in accordance with the terms of the Purchase Agreement, whether matured or unmatured.

4. NO WAIVER; CUMULATIVE RIGHTS; AMENDMENTS. No failure on the part of the Guaranteed Party to exercise, and no delay in exercising, any right, remedy or power hereunder or under the Buyer Parent Commitment Letter or the Purchase Agreement shall operate as a waiver thereof, nor shall any single or partial exercise by the Guaranteed Party of any right, remedy or power hereunder preclude any other or future exercise of any right, remedy or power hereunder. Each and every right, remedy and power hereby granted to the Guaranteed Party or allowed it by applicable Law or other agreement shall be cumulative and not exclusive of any other, and may be exercised by the Guaranteed Party at any time or from time to time. No provision hereof shall be modified, altered or limited except by written instrument expressly referring to this Limited Guaranty and to such provision, and executed by the Guaranteed Party and the Guarantor.

5. REPRESENTATIONS AND WARRANTIES. The Guarantor hereby represents and warrants to the Guaranteed Party that:

(a) (i) it is duly incorporated and in good standing under the Laws of the jurisdiction of its incorporation, (ii) it has all requisite power and authority to execute, deliver and perform this Limited Guaranty and (iii) the execution, delivery and performance of this Limited Guaranty (x) has been duly authorized by all necessary corporate action and no other action is necessary on the part of the Guarantor to authorize this Limited Guaranty and (y) does not contravene any provision of the Guarantor's organizational documents, or any Law or contractual restriction binding on the Guarantor or its assets;

(b) all consents, approvals, authorizations, permits of, filings with and notifications to, any Governmental Authority necessary for the due execution, delivery and performance of this Limited Guaranty by the Guarantor have been obtained or made and all conditions thereof have been duly complied with, and no other action by, and no notice to or filing

with, any Governmental Authority or regulatory body is required in connection with the execution, delivery or performance of this Limited Guaranty;

(c) this Limited Guaranty constitutes a legal, valid and binding obligation of the Guarantor enforceable against the Guarantor in accordance with its terms, subject to the Remedies Exception; and

(d) the Guarantor has the financial capacity to pay and perform, or cause to be paid or performed, its obligations under this Limited Guaranty, and all funds necessary for the Guarantor to fulfill the Obligations under this Limited Guaranty are and shall be available to the Guarantor for so long as this Limited Guaranty shall remain in effect in accordance with Section 8.

6. NO ASSIGNMENT. Neither the Guarantor nor the Guaranteed Party may assign its rights, interests or obligations hereunder to any other Person (except by operation of law) without the prior written consent of the Guaranteed Party or the Guarantor, as the case may be.

8. CONTINUING LIMITED GUARANTY. This Limited Guaranty may not be revoked or terminated and shall remain in full force and effect and shall be binding on the Guarantor, its successors and permitted assigns until all of the Obligations have been indefeasibly paid, observed, performed or satisfied in full. Notwithstanding the foregoing, this Limited Guaranty shall terminate and the Guarantor shall have no further obligations under this Limited Guaranty as of the earlier of (a) the Closing and (b) the date that is sixty (60) days after any termination of the Purchase Agreement in accordance with its terms, except that if any claim to enforce the payment of the Obligations is made by the Guaranteed Party to or against Buyer or the Guarantor prior to such date, the expiration of this Limited Guaranty shall be automatically extended until the date immediately following the date upon which such claim is finally satisfied or otherwise resolved by agreement of the parties thereto or by a final, non-appealable judgment of a court of competent jurisdiction (subject to Section 11). Notwithstanding the foregoing, in the event that the Guaranteed Party, or any of its Affiliates expressly asserts in writing in any litigation or other legal or arbitration proceeding that any of the other provisions of this Limited Guaranty are illegal, invalid or unenforceable in whole or in part, or asserts in writing in any litigation or other legal or arbitration proceeding any theory of liability against the Guarantor or any other Buyer Affiliates (as defined below) (other than Buyer under the Purchase Agreement, the Guarantor under this Limited Guaranty or the parties to the Buyer Parent Commitment Letter (in their capacity thereunder) under the Buyer Parent Commitment Letter) with respect to the transactions contemplated by the Purchase Agreement, then (i) the obligations of the Guarantor under this Limited Guaranty shall terminate *ab initio* and be null and void, (ii) if the Guarantor has previously made any payments under this Limited Guaranty, it shall be entitled to receive the amount of all such payments from the Guaranteed Party and (iii) neither the Guarantor nor any other Buyer Affiliates shall have any liability to the Guaranteed Party with respect to the transactions contemplated by the Purchase Agreement or under this Limited Guaranty.

9. NO RECOURSE. Notwithstanding anything to the contrary in this Limited Guaranty, and notwithstanding the fact that the Guarantor may be a corporation, partnership or limited liability company, by its acceptance of the benefits of this Limited Guaranty, the Guaranteed Party acknowledges and agrees that, (a) it has no right of recovery

against, and no personal liability shall attach to, the former, current or future stockholders, directors, officers, trustees, employees, agents, Affiliates, members, managers, owners, general or limited partners or assignees of the Guarantor (other than Buyer) or Buyer (other than the Guarantor) or any former, current or future stockholder, director, officer, trustee, employee, general or limited partner, member, manager, Affiliate, agent or representative of any of the foregoing (other than under the Confidentiality Agreement, Buyer under the Purchase Agreement or the other Transaction Documents to which it is a party, and the Guarantor hereunder and under the Buyer Parent Commitment Letter) (collectively, the “**Buyer Affiliates**”), through Buyer or otherwise, whether by or through attempted piercing of the corporate veil, by or through a claim by or on behalf of Buyer against any such Buyer Affiliate, by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any applicable Law, or otherwise, except for the Guaranteed Party’s right to recover from Buyer or the Guarantor (but not any other Buyer Affiliate (including, without limitation, any general partner, managing member or other controlling party)) under and to the extent provided in the Purchase Agreement, this Limited Guaranty, the Confidentiality Agreement or the Buyer Parent Commitment Letter and the limitations described herein and (b) other than with respect to any recourse against the Guarantor and the other Buyer Affiliates pursuant the Buyer Parent Commitment Letter, recourse against the Guarantor under this Limited Guaranty shall be the sole and exclusive remedy of the Guaranteed Party and all of its Affiliates against the Guarantor and the other Buyer Affiliates (other than Buyer) in respect of any payment liabilities or payment obligations arising under, or in connection with, the Purchase Agreement or the transactions contemplated thereby (provided, that, following the Closing, this Section 9 shall not in any way limit claims by the Guaranteed Party for indemnification or other post-Closing obligations contemplated by the Purchase Agreement or the other Transaction Documents). Nothing set forth in this Limited Guaranty shall affect or be construed to affect or limit any liability of Buyer to the Guaranteed Party or shall confer or give or shall be construed to confer or give to any Person other than the Guaranteed Party (including, without limitation, any Person acting in a representative capacity) any rights or remedies against any Person other than the Guarantor as expressly set forth herein.

10. CONFIDENTIAL TREATMENT. This Limited Guaranty shall be treated as confidential and is being provided to the Guaranteed Party solely in connection with the execution and delivery of the Purchase Agreement and may not be used, circulated, quoted or otherwise referred to in any document (other than the Purchase Agreement), except (a) with the prior written consent of the Guarantor, (b) as disclosed to the Guaranteed Party’s Affiliates and the Guaranteed Party’s and its Affiliates’ respective officers, directors, members, Affiliates, advisors and consultants who, in each case, need to know the terms of this Limited Guaranty in connection with the negotiation or furtherance of the transactions contemplated by the Purchase Agreement and who are directed to treat this Limited Guaranty as confidential or (c)(i) as otherwise required by any Governmental Authority to be disclosed under applicable Law or any applicable listing agreement with, or rules and regulations of, an applicable securities exchange, or in connection with any required regulatory filings relating to the transactions contemplated by the Purchase Agreement, (ii) for purposes of compliance with any bona fide financial reporting obligation (in case of either (i) or (ii) the Guaranteed Party, to the extent legally permissible, shall provide the Sponsor with prompt written notice so that the Sponsor may seek a protective order or other appropriate remedy and/or waive compliance with the provisions of this Section 10) or (iii) in connection with a routine audit or examination by, or a blanket document request from, a regulatory or self-regulatory authority, bank examiner or auditor. Notwithstanding the

foregoing, nothing in this Section 10 shall restrict the Company, the Sellers, the Sellers' Representative or any of their respective Affiliates and their respective advisors from disclosing any information regarding this Limited Guaranty to a court or tribunal (including, without limitation, in any pleadings or filings therewith) in connection with any action brought by such person to enforce the Purchase Agreement or by the Guaranteed Party to enforce this Limited Guaranty, each in accordance with their terms.

11. GOVERNING LAW. This Limited Guaranty, and all claims and causes of action (whether in contract, tort, at law, in equity or otherwise) that may be based upon, arise out of, or relate to this Limited Guaranty, any of the transactions contemplated hereby or the negotiation, execution, performance or enforcement of this Limited Guaranty shall be governed by and construed in accordance with the law of the State of Delaware without giving effect to any choice or conflict of laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

12. CONSENT TO JURISDICTION. Each of the parties irrevocably submits to the exclusive jurisdiction of (i) state courts of the State of Delaware located in New Castle County and (ii) the United States District Court for the District of the State of Delaware for the purposes of any suit, action or other proceeding arising out of or relating to this Limited Guaranty, the negotiation, execution, performance and enforcement of this Limited Guaranty or any transaction contemplated hereby (and agrees not to commence any action, suit or proceeding relating hereto except in such courts). Each of the Parties further agrees that service of any process, summons, notice or document hand delivered or sent by recognized overnight carrier to such party's respective address set forth in Section 7 of this Limited Guaranty outside the territorial jurisdiction of the courts referred to in this Section 12 shall be effective service of process for any action, suit or proceeding in the State of Delaware with respect to any matters to which it has submitted to jurisdiction as set forth in the immediately preceding sentence. However, the foregoing shall not limit the right of a party to effect service of process on another party by any other legally available method. Each of the parties irrevocably and unconditionally waives any objection to the laying of venue of any action, suit or proceeding arising out of or relating to this Limited Guaranty or the transactions contemplated hereby in (i) state courts of the State of Delaware located in New Castle County or (ii) the United States District Court for the District of the State of Delaware, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum. Notwithstanding the foregoing, each party agrees that a final judgment in any action or proceeding so brought shall be conclusive and may be enforced by suit on the judgment in any jurisdiction or in any other manner provided in law or in equity.

13. WAIVER OF JURY TRIAL. EACH OF THE PARTIES IRREVOCABLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER, IN CONNECTION WITH OR RELATING TO THIS LIMITED GUARANTY, ANY OF THE TRANSACTIONS CONTEMPLATED BY THIS LIMITED GUARANTY OR THE ACTIONS OF THE PARTIES

IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE OR ENFORCEMENT
HEREOF.

14. ENTIRE AGREEMENT. Form of Assignment and Assumption Agreement

See attached.

FORM OF ASSIGNMENT AND ASSUMPTION AGREEMENT

This ASSIGNMENT AND ASSUMPTION AGREEMENT (this “Agreement”) is entered into as of [●], by and between MIP Padua Holdings, L.P., a Delaware limited partnership (“Seller”), and Moby Canada Limited Partnership, an Ontario limited partnership (“Buyer”). The parties to this Agreement shall be individually referred to as a “Party” and collectively referred to as the “Parties.” All capitalized terms used but not defined herein shall have the meanings given to them in the Purchase Agreement (as defined below).

RECITALS

WHEREAS, as of the date hereof, Seller owns 43.8882% of the issued and outstanding Class A Interests (the “Company Interests”) of Puget Holdings LLC, a Delaware limited liability company (the “Company”);

WHEREAS, Seller is party to that certain Second Amended and Restated Senior Secured Loan Agreement, dated as of January 20, 2015, by and between Puget Intermediate Holdings Inc., as the borrower therein, and Seller, as the lender therein (the “Loan Agreement”); and

WHEREAS, Seller and Buyer have entered into that certain Purchase and Sale Agreement, dated as of August 8, 2018 (the “Purchase Agreement”), pursuant to which, among other things, Seller has agreed to sell, grant, convey, assign, transfer and deliver to Buyer, and Buyer has agreed to purchase, acquire, assume and accept from Seller, (a) all of Seller’s right, title and interest in and to (i) 23.8872% of the issued and outstanding Company Interests (the “Purchased Interests”) and (ii) the Loan Agreement with respect to the Pro Rata Portion of the Loan (as defined in the Loan Agreement) owing at the Closing to Seller thereunder (the “Purchased Loan”) (clauses (i) and (ii), collectively, the “Purchased Assets”), and (b) all the obligations, liabilities, covenants, duties and agreements arising out of, under or relating to, the Purchased Assets from and after the Closing, in each case, upon the terms and subject to the conditions set forth in the Purchase Agreement.

AGREEMENT

NOW THEREFORE, in consideration of the mutual covenants and agreements set forth herein and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Buyer and Seller hereby agree as follows:

1. Assignment and Assumption. In accordance with the terms of the Purchase Agreement, (a) Seller hereby sells, grants, conveys, assigns, transfers and delivers to Buyer, free and clear of any and all Liens (other than Liens arising under the LLC Agreement or the Loan Agreement, as the case may be, and restrictions on sales of securities under applicable securities Laws), (i) all of Seller’s right, title and interest in and to the Purchased Assets and (ii) all of the obligations, liabilities, covenants, duties and agreements arising out of, under or relating to, the Purchased Assets, and (b) Buyer hereby accepts such sale, grant, conveyance, assignment, transfer and delivery, and assumes and agrees to pay, perform and discharge all of Seller’s obligations, liabilities, covenants, duties and agreements arising out of, under or relating to, the Purchased Assets from and after the Closing. For the avoidance of doubt, Buyer is not assuming any of Seller’s obligations, Liabilities, covenants, duties or agreements arising out of, under or relating to

(i) any action or omission of Seller at or prior to the Closing, (ii) the period prior to the Closing, or (iii) Section 7.04(f) of the LLC Agreement with respect to any of the Required Regulatory Approvals in connection with the transactions contemplated hereby or any Other PSA.

2. Terms of the Purchase Agreement. The Parties acknowledge and agree that the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.

3. Delivery of LLC Agreement. Buyer acknowledges that Seller has delivered to it a copy of the LLC Agreement (including all exhibits thereto).

4. Amendments. This Agreement may not be amended, supplemented or otherwise modified except in a written instrument executed by each of the Parties.

5. Severability. If any provision of this Agreement or the application of any such provision to any Person or circumstance shall, under applicable Laws, be declared by any court of competent jurisdiction to be invalid, illegal, void or unenforceable in any respect, all other provisions of this Agreement, or the application of such provision to Persons or circumstances other than those as to which it has been held invalid, illegal, void or unenforceable, shall nevertheless remain in full force and effect and shall in no way be affected, impaired or invalidated thereby. Upon such determination that any provision, or the application of any such provision, is invalid, illegal, void or unenforceable under applicable Laws, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible to the fullest extent permitted by applicable Law in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the greatest extent possible. Notwithstanding anything contained herein, under no circumstance shall the obligation of Seller to deliver the Purchased Assets be enforceable absent enforceability of the obligation of Buyer to pay the Purchase Price, and vice versa.

6. Governing Law. This Agreement, and all claims and causes of action (whether in contract, tort, at law in equity or otherwise) that may be based upon, arise out of, or relate to this Agreement, any of the transactions contemplated hereby or the negotiation, execution, performance or enforcement of this Agreement shall be governed by and construed in accordance with the Law of the state of Delaware without giving effect to any choice or conflict of laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Delaware.

7. Consent to Jurisdiction; Waiver of Jury Trial.

(a) Each of the Parties irrevocably submits to the exclusive jurisdiction of (i) state courts of the State of Delaware located in New Castle County and (ii) the United States District Court for the District of the State of Delaware for the purposes of any suit, Action or other proceeding arising out of or relating to this Agreement, the negotiation, execution, performance and enforcement of this Agreement or any transaction contemplated hereby (and agrees not to commence any Action, suit or proceeding relating hereto except in such courts). Each of the Parties further agrees that service of any process, summons, notice or document hand delivered or sent by

recognized overnight carrier to such Party's respective address set forth in Section 9.3 of the Purchase Agreement outside the territorial jurisdiction of the courts referred to in this Section 7(a) shall be effective service of process for any Action, suit or proceeding in the State of Delaware with respect to any matters to which it has submitted to jurisdiction as set forth in the immediately preceding sentence. However, the foregoing shall not limit the right of a Party to effect service of process on another Party by any other legally available method. Each of the Parties irrevocably and unconditionally waives any objection to the laying of venue of any Action, suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby in (i) state courts of the State of Delaware located in New Castle County or (ii) the United States District Court for the District of the State of Delaware, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such Action, suit or proceeding brought in any such court has been brought in an inconvenient forum. Notwithstanding the foregoing, each Party agrees that a final judgment in any Action or proceeding so brought shall be conclusive and may be enforced by suit on the judgment in any jurisdiction or in any other manner provided in law or in equity.

(b) EACH OF THE PARTIES IRREVOCABLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER, IN CONNECTION WITH OR RELATING TO THIS AGREEMENT, ANY OF THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR THE ACTIONS OF THE PARTIES IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE OR ENFORCEMENT HEREOF.

8. Entire Agreement. This Agreement, together with the Purchase Agreement and each of the other Transaction Documents and the Confidentiality Agreement, constitute the entire agreement among the Parties with respect to the subject matter hereof and thereof and supersede any prior understandings, negotiations, agreements, statements or representations among the Parties, the Company Entities or any of their respective Affiliates of any nature, whether written or oral, to the extent they relate in any way to the subject matter hereof or thereof.

9. Assignment. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns. No Party may assign (by contract, stock sale, operation of Law or otherwise) either this Agreement or any of its rights, interests, or obligations hereunder without the express prior written consent of the other Parties, and any attempted assignment, without such consent, shall be null and void; *provided* that Buyer may assign this Agreement and its rights and obligations hereunder to the extent permitted by the Purchase Agreement.

10. Counterparts. This Agreement may be executed in any number of counterparts (including by telecopy and electronic imaging scans), each of which shall be deemed an original but all of which together shall constitute one and the same instrument. Delivery of an executed counterpart of this Agreement by facsimile or other electronic method of transmission shall be equally effective as delivery of an original executed counterpart.

11. Further Assurances. The Parties shall each execute and deliver such additional documents, instruments, conveyances and assurances and take such further actions as may be reasonably required to carry out the provisions hereof and give effect to the transactions contemplated by this Agreement.

[Signature pages follow.]

IN WITNESS WHEREOF, the Parties execute and deliver this Agreement, effective as of the date first above written.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and promises herein made, and in consideration of the representations and warranties herein contained, and for other good and valuable consideration the adequacy of which is hereby acknowledged, the Parties, intending to become legally bound, hereby agree as follows:

ARTICLE I.
JOINDER; PURCHASE AGREEMENT OBLIGATIONS

By execution and delivery of this Agreement:

Section 1.2 Subject to Section 1.3, effective as of the date hereof, the Additional Seller hereby agrees to join and agrees to comply with and to be bound by, the terms of the Purchase Agreement applicable to Seller and the Purchased Assets (which shall be applied *mutatis mutandis* to Additional Seller and the Additional Purchased Assets), including, without limitation: (i) on a several and not joint basis and, where applicable, solely with respect to Additional Seller and not with respect to Seller, those representations and warranties set forth in Article III of the Purchase Agreement, (ii) the conditions set forth in Article VI of the Purchase Agreement to the consummation of the transactions contemplated hereby and thereby, (iii) on a several and not joint basis, the indemnification obligations forth in Article VII of the Purchase Agreement, (iv) the releases and limitations on liability in the Purchase Agreement (both for the benefit of Buyer and the benefit of Seller); (v) the covenants and agreements in the Purchase Agreement, in each case that are applicable to Seller and the Purchased Assets, as if Additional Seller had executed the Purchase Agreement on the Agreement Date. Dear Sirs/Mesdames:

Re: **Purchase and Sale Agreement (the “PSA”) made and entered into as of August 8, 2018, by and among MIP Padua Holdings, L.P. (f/k/a MIP Padua Holdings, GP) (the “Seller”), and Moby Canada Limited Partnership, a limited partnership formed under the laws of Ontario (the “Buyer”), and the other parties thereto.**

1. OMERS Administration Corporation, for and on behalf of the OMERS pension plans (the “**Sponsor**”), refers to the proposed acquisition by Buyer of the Purchased Assets pursuant to the terms and conditions of the PSA (the “**Transaction**”).
2. The Sponsor shall fund, or cause an affiliate to fund, Buyer, through direct or indirect equity contributions and/or shareholder loans, in immediately available funds, an amount in cash equal to \$1,670,375,175 (the “**Commitment**”), immediately prior to the time that Buyer becomes obligated under the PSA to effect the Closing. The Sponsor’s obligation to fund the Commitment is subject to the satisfaction in full or, in the sole discretion of Buyer, waiver of each of the conditions precedent to the Closing set out in Sections 6.1 and 6.3 of the PSA (other than those conditions that by their nature are to be, can be, and concurrently are satisfied at the Closing).

The Commitment shall be used solely to fund the payment by Buyer of the Purchase Price pursuant to the PSA, and for no other purpose, and the Sponsor shall not under any circumstances be obligated to fund any of the Commitment except in connection with the Closing. The Sponsor’s obligation to fund the Commitment and this Section 2 shall terminate in their entirety and cease to be of any force or effect upon the earlier of (i) the Closing occurring, and (ii) the date the PSA terminates in accordance with its terms (the “**Termination Date**”). Notwithstanding anything herein, in no circumstances shall the Sponsor’s liability under this commitment letter exceed the amount of the Commitment.

3. Notwithstanding anything that may be expressed or implied in this commitment letter, by their acceptance hereof, Buyer and any other party in interest to this commitment letter (including, without limitation, the Seller) acknowledge and

agree that, except in the case of fraud, (i) notwithstanding that the Sponsor is a corporation, no recourse hereunder or under any documents or instruments delivered in connection herewith may be had against any director, officer, agent or employee of the Sponsor (other than Buyer), any affiliate or related party of the Sponsor (other than Buyer), or any direct or indirect director, officer, trustee, employee, partner, affiliate, manager, shareholder, member, stockholder, controlling person, agent or representative of any of the foregoing (other than the Sponsor and Buyer) (any such person or entity, a "**Related Person**"), whether by the enforcement of any judgment or assessment or by any legal or equitable proceeding, or by virtue of any statute, regulation or other applicable law, and (ii) no personal liability whatsoever will attach to, be imposed on or otherwise be incurred by Related Persons under this commitment letter or any documents or instruments delivered in connection herewith or with the Transaction for any claim based on, in respect of or by reason of such obligations or by their creation.

4. No person or entity other than Buyer shall be entitled to rely upon this commitment letter; provided, however, that the parties hereto acknowledge and agree that the Seller will be relying on this commitment letter in entering into the PSA with Buyer and that the Seller is an express third party beneficiary of, and shall be entitled to enforce (by specific performance or otherwise) without bond or other security being required, all obligations of the Sponsor in this commitment letter. Each of the parties hereto irrevocably agrees and acknowledges that the rights of the other parties and Seller hereunder are special, unique and of extraordinary character, and that if any party hereto violates or fails or refuses to perform any covenant or agreement made by it herein, the non-breaching parties and Seller, as the case may be, shall be without an adequate remedy at law. Each party hereto agrees that it shall not oppose the granting of an injunction, specific performance or other equitable relief on the basis that (a) the other party or Seller has an adequate remedy at law or (b) an award of specific performance is not an appropriate remedy for any reason at law or in equity, and each party hereto waives any defense thereto, including the defenses of: (i) failure of consideration, (ii) breach of any other provision of this commitment letter and (iii) availability of relief in damages. This commitment letter shall be binding upon and inure solely to the benefit of each party hereto and, except as set forth above, nothing herein, express or implied, is intended or shall confer upon any other person any rights, benefits or remedies whatsoever under or by reason of this commitment letter.
5. Representations of the Sponsor. The Sponsor hereby represents and warrants to Buyer that (a) it is duly organized, validly existing and in good standing under the Laws of the jurisdiction of its organization; (b) it has all corporate power and authority to execute, deliver and perform this commitment letter; (c) the execution, delivery and performance of this commitment letter by it has been duly and validly authorized and approved by all necessary corporate action by it; (d) this commitment letter has been duly and validly executed and delivered by it and constitutes a valid and legally binding obligation of it, enforceable against it in accordance with the terms of this commitment letter, subject to the Remedies Exception; (e) it has, and will at all times prior to the termination of this commitment letter in accordance with Section 2 of this commitment letter have, sufficient funds to pay the Commitment, and is not aware of any reason why such funds will not be available when required; and (f) all consents, approvals,

authorizations and permits of, filings with, and notifications to, any Governmental Authority necessary for the due execution, delivery and performance of this commitment letter by it have been obtained or made and all conditions thereof have been duly complied with, and no other action by, and no notice to or filing with, any Governmental Authority is required in connection with the execution, delivery or performance of this commitment letter.

6. The rights and obligations of Buyer under this commitment letter shall not be assignable (by operation of law or otherwise) without each of the Sponsor's and the Seller's prior written consent, and the granting of such consent shall be solely in the discretion each of the Sponsor and the Seller. If any such prior written consent is granted, it shall not constitute a waiver by the Sponsor or Seller, as the case may be, of this requirement as to any subsequent assignment. The Sponsor's obligation to fund the Commitment may not be assigned by the Sponsor without the consent of the Seller other than to an affiliate of the Sponsor and, in any event, no assignment by the Sponsor of its obligation to fund the Commitment shall relieve the Sponsor of its obligations hereunder. Any purported assignment of this commitment letter in contravention of this Section 6 shall be null and void. Upon the valid assignment of this commitment letter by the Sponsor pursuant to and in accordance with this Section 6, the assignee shall, by accepting such assignment, be deemed to make the representations and warranties set forth in Section 2 of this commitment letter.
7. All capitalized terms used, but not defined, in this commitment letter shall have the meanings attributed to such terms in the PSA.
8. This commitment letter and its contents are considered confidential and may not be disclosed in any part without the prior written consent of the other parties hereto; provided that the Sponsor and the Seller shall be entitled to disclose this commitment letter and its contents (i) to their respective officers, directors, members, Affiliates, advisors and consultants who, in each case, need to know the terms of this commitment letter in connection with the negotiation or furtherance of the transactions contemplated by the PSA and who are directed to treat this commitment letter as confidential; (ii) where required (x) by any Governmental Authority to be disclosed under applicable law or any applicable listing agreement with, or rules and regulations of, an applicable securities exchange, or in connection with any required regulatory filings relating to the transactions contemplated by the PSA or (y) for purposes of compliance with any bona fide financial reporting obligation (in case of either (x) or (y) the Seller (if applicable), to the extent legally permissible, shall provide the Sponsor with prompt written notice so that the Sponsor may seek a protective order or other appropriate remedy and/or waive compliance with the provisions of this Section 8), (iii) in connection with any litigation to enforce the terms of this commitment letter and (iv) in connection with a routine audit or examination by, or a blanket document request from, a regulatory or self-regulatory authority, bank examiner or auditor.
9. Following the termination of this commitment letter in accordance with and pursuant to Section 2 hereof, this commitment letter and all of the obligations remaining hereunder shall terminate in their entirety and cease to be of any force or effect.

10. This commitment letter may not be amended except by an instrument in writing signed by the Sponsor, Buyer and Seller.
11. This commitment letter, and all claims and causes of action (whether in contract, tort, at law, in equity or otherwise) that may be based upon, arise out of, or relate to this commitment letter, any of the transactions contemplated hereby or the negotiation, execution, performance or enforcement of this commitment letter shall be governed by and construed in accordance with the law of the State of Delaware without giving effect to any choice or conflict of laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.
12. Each of the Parties irrevocably submits to the exclusive jurisdiction of (i) state courts of the State of Delaware located in New Castle County and (ii) the United States District Court for the District of the State of Delaware for the purposes of any suit, action or other proceeding arising out of or relating to this commitment letter, the negotiation, execution, performance and enforcement of this commitment letter or any transaction contemplated hereby (and agrees not to commence any action, suit or proceeding relating hereto except in such courts). Each of the Parties further agrees that service of any process, summons, notice or document hand delivered or sent by recognized overnight carrier to such party's respective address set forth on the first page of this commitment letter outside the territorial jurisdiction of the courts referred to in this Section 12 shall be effective service of process for any action, suit or proceeding in the State of Delaware with respect to any matters to which it has submitted to jurisdiction as set forth in the immediately preceding sentence. However, the foregoing shall not limit the right of a party to effect service of process on another party by any other legally available method. Each of the parties irrevocably and unconditionally waives any objection to the laying of venue of any action, suit or proceeding arising out of or relating to this commitment letter or the transactions contemplated hereby in (i) state courts of the State of Delaware located in New Castle County or (ii) the United States District Court for the District of the State of Delaware, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum. Notwithstanding the foregoing, each party agrees that a final judgment in any action or proceeding so brought shall be conclusive and may be enforced by suit on the judgment in any jurisdiction or in any other manner provided in law or in equity.
13. EACH OF THE PARTIES IRREVOCABLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER, IN CONNECTION WITH OR RELATING TO THIS COMMITMENT LETTER, ANY OF THE TRANSACTIONS CONTEMPLATED BY THIS COMMITMENT LETTER OR THE ACTIONS OF THE PARTIES IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE OR ENFORCEMENT HEREOF.

14. This commitment letter constitutes the entire agreement between the parties hereto and supersedes all other prior agreements and undertakings, both written and oral, between the parties with respect to the subject matter hereof, including, without limitation, any term sheets, letters of intent, proposals, bids or similar agreements.
15. This commitment letter may be executed and delivered (including by facsimile, email or other electronic transmission (including in .pdf or .tif formats) signature pages) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same instrument.
16. Any term or provision of this commitment letter that is invalid or unenforceable in any situation in any jurisdiction will not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction; provided, however, that this commitment letter may not be enforced without giving effect to the limitation of any amounts payable hereunder as provided hereunder. No party hereto shall assert, and each party shall cause its respective affiliates or related parties not to assert, that this commitment letter or any part hereof is invalid, illegal or unenforceable.
17. The Sponsor hereby waives all claims that it may have against Buyer until the Termination Date.
18. The Sponsor confirms that except as expressly set forth herein there are no conditions precedent or subsequent to its performance of any provision hereof.

[Remainder of page left intentionally blank.]

IN WITNESS WHEREOF, the undersigned have executed this letter agreement as of the date first set forth above.

LIMITED GUARANTY

This Limited Guaranty, dated as of August 8, 2018 (this “**Limited Guaranty**”), by OMERS Administration Corporation (the “**Guarantor**”) is made in favor of MIP Padua Holdings, L.P. (f/k/a MIP Padua Holdings, GP) (the “**Guaranteed Party**”) under the Purchase Agreement (as defined below). Capitalized terms used herein but not otherwise defined shall have the respective meanings given to them in the Purchase Agreement.

1. **LIMITED GUARANTY.** To induce the Guaranteed Party to enter into that certain Purchase and Sale Agreement (as amended, restated, supplemented or otherwise modified from time to time, the “**Purchase Agreement**”) of even date herewith by and between Moby Canada Limited Partnership, a limited partnership formed under the laws of Ontario (“**Buyer**”), and the Guaranteed Party, the Guarantor, intending to be legally bound, hereby absolutely, unconditionally and irrevocably guarantees to the Guaranteed Party, pursuant to the terms and subject to the conditions herein, the due and punctual payment, observance, performance and discharge of the payment obligations of Buyer under the Purchase Agreement, including, without limitation, to pay (a) the Buyer Termination Fee pursuant to Section 8.3 of the Purchase Agreement, if and when due, (b) any other amounts, including, without limitation, interest, fees, costs and expenses to be paid by Buyer, that may be owed pursuant to Section 8.3 of the Purchase Agreement, (c) any reimbursement obligations of Buyer that may arise prior to the Closing, (d) any liability of Buyer for any breach by it of the Purchase Agreement prior to the Closing, and (e) any reasonable out-of-pocket fees and expenses incurred by the Guaranteed Party in enforcing its rights hereunder, but only to the extent the Guaranteed Party prevails in such enforcement (the amounts described in the foregoing clauses (a), (b), (c), (d) and (e), collectively, the “**Obligations**”), it being understood and agreed that this Limited Guaranty may not be enforced against the Guarantor without giving effect to the provisions set forth in this Limited Guaranty. Notwithstanding anything to the contrary herein, under no circumstances shall the Obligations exceed \$100,000,000 (One Hundred Million U.S. Dollars). If Buyer fails to discharge its Obligations when due, the Guaranteed Party may at any time and from time to time, at the Guaranteed Party’s option, and so long as Buyer has failed to perform any of its Obligations, take any and all actions available hereunder or under applicable Law to enforce the Guarantor’s obligations hereunder in respect of such Obligations, subject to the terms and conditions of this Limited Guaranty. Notwithstanding anything to the contrary herein, and except as otherwise expressly set forth herein, the Guarantor reserves the right to assert any and all defenses which Buyer may have to payment of the Obligations (including, without limitation, any contained in the Purchase Agreement). The guarantee by the Guarantor of the Obligations under this Limited Guaranty may be enforced for the payment of money only. All payments hereunder shall be made in lawful money of the United States, in immediately available funds. The Guarantor promises and undertakes to make all payments required hereunder free and clear of any deduction, offset, claim or counterclaim of any kind.

2. **NATURE OF LIMITED GUARANTY.** Subject to the express terms and conditions of this Limited Guaranty, the Guarantor’s liability hereunder is absolute, unconditional, irrevocable and continuing irrespective of any modification, amendment or waiver of or any consent to departure from the Purchase Agreement that may be agreed to by Buyer (with the Guarantor’s prior written consent). Without limiting the foregoing, the Guaranteed Party shall not be obligated to file any claim relating to the Obligations in the event that Buyer

becomes subject to a bankruptcy, reorganization or similar proceeding, and the failure of the Guaranteed Party to so file shall not affect the Guarantor's obligations hereunder. In the event that any payment to the Guaranteed Party in respect of the Obligations is rescinded or must otherwise be returned for any reason whatsoever (other than as set forth in the last sentence of Section 8), the Guarantor shall remain liable hereunder with respect to the Obligations as if such payment had not been made. This Limited Guaranty is an unconditional guarantee of payment and not of collectability.

3. CHANGES IN OBLIGATIONS, CERTAIN WAIVERS. The Guarantor agrees that the Guaranteed Party may, in its sole discretion, at any time and from time to time, without notice to or further consent of the Guarantor, extend the time of payment of the Obligations, and may also make any agreement with Buyer or with any other Person now or hereafter interested in the transactions contemplated by the Purchase Agreement, for the extension, renewal, payment, compromise, discharge or release thereof, in whole or in part, or for any modification of the terms thereof or of any agreement between the Guaranteed Party and Buyer or any such other Person without in any way impairing or affecting any obligations of the Guarantor under, or affecting the validity or enforceability of, this Limited Guaranty. The Guarantor agrees that its obligations hereunder shall not be released or discharged, in whole or in part, or otherwise affected by: (a) the failure or delay of the Guaranteed Party to assert any claim or demand or to enforce any right or remedy against Buyer or any other Person now or hereafter interested in the transactions contemplated by the Purchase Agreement or the Buyer Parent Commitment Letter; (b) any change in the time, place or manner of payment of, performance of, renewal or alteration of, any of the Obligations, any escrow arrangement or other security therefor, any liability incurred directly or indirectly in respect thereof, or any agreement entered into by the Sellers on the one hand, and the Buyer, on the other hand, in connection therewith, or any rescission, waiver, compromise, consolidation or other amendment or modification of any of the terms of the Purchase Agreement, the Buyer Parent Commitment Letter or any other agreement evidencing, securing or otherwise executed by Buyer and the Guaranteed Party in connection with the Obligations; (c) the addition, substitution or release of any Person now or hereafter interested in the transactions contemplated by the Purchase Agreement or the Buyer Parent Commitment Letter; (d) any change in the corporate existence, structure or direct or indirect ownership of Buyer, the Guarantor or any other Person now or hereafter liable with respect to the Obligations or otherwise interested in the transactions contemplated by the Purchase Agreement or the Buyer Parent Commitment Letter; (e) any insolvency, bankruptcy, reorganization, moratorium or other similar proceeding affecting Buyer, the Guarantor or any other Person now or hereafter liable with respect to any of the Obligations, or any of their respective assets, or otherwise interested in the transactions contemplated by the Purchase Agreement or the Buyer Parent Commitment Letter; (f) the adequacy of any other means the Guaranteed Party may have of obtaining payment related to any of the Obligations; (g) the value, genuineness, validity, regularity, illegality or enforceability of the Purchase Agreement or any other Transaction Document; (h) any discharge of the Guarantor as a matter of law or equity (other than as a result of payment of the Obligations in accordance with their terms); and (i) the existence of any claim, set off or other right that the Guarantor may have at any time against Buyer, the Guaranteed Party or the Company other than those available to Buyer against the Guaranteed Party under the Purchase Agreement or the Buyer Parent Commitment Letter. To the fullest extent permitted by applicable Law, the Guarantor hereby expressly waives any and all rights or defenses arising by reason of any Law which would otherwise require any election

of remedies by the Guaranteed Party. The Guaranteed Party shall not be required to proceed against Buyer first before proceeding against the Guarantor hereunder, and the Guarantor waives promptness, diligence, notice of the acceptance of this Limited Guaranty and of the Obligations, presentment, demand for payment, notice of non-performance, default, dishonor and protest, notice of the incurrence of the Obligations and all other notices or similar requirements of any kind (except for notices to be provided to Buyer and Buyer's counsel in accordance with Section 9.3 of the Purchase Agreement), all defenses which may be available by virtue of any valuation, stay, moratorium law or other similar Law now or hereafter in effect, any right to require the marshalling of assets of Buyer or any other Person now or hereafter liable with respect to the Obligations or otherwise interested in the transactions contemplated by the Purchase Agreement, and all suretyship defenses generally (other than fraud or intentional misconduct by the Guaranteed Party or any of its Affiliates, defenses to the payment of the Obligations that are available to Buyer under the Purchase Agreement or breach by the Guaranteed Party of this Limited Guaranty). The Guarantor acknowledges that it will receive substantial direct and indirect benefits from the transactions contemplated by the Purchase Agreement and that the waivers set forth in this Limited Guaranty are knowingly made in contemplation of such benefits.

The Guaranteed Party hereby covenants and agrees that it shall not institute, and shall cause its Affiliates not to institute, any proceeding or bring any other claim arising under, or in connection with, this Limited Guaranty, the Purchase Agreement or any other agreement entered into in connection therewith or the transactions contemplated hereby or thereby, against the Guarantor or other Buyer Affiliate (as hereinafter defined), except for (i) actions or claims against the Guarantor for the Obligations under this Limited Guaranty and/or for breaches of the representations and warranties set forth in Section 5 below and/or, subject to Section 8.3 of the Purchase Agreement, the Buyer Parent Commitment Letter, (ii) subject to Section 8.3 of the Purchase Agreement, actions or claims seeking specific enforcement of the Purchase Agreement as contemplated under Section 9.12 of the Purchase Agreement or of the Buyer Parent Commitment Letter. This paragraph shall not prohibit (i) actions or claims against Buyer under the Purchase Agreement or the other Transaction Documents to which Buyer is a party, or (ii) actions or claims under the Confidentiality Agreement against the party thereto.

Nothing set forth in this Limited Guaranty shall confer or give to any Person other than the Guaranteed Party any rights or remedies against any Person, including, without limitation, the Guarantor, except as expressly set forth herein (including, without limitation, Section 9 below). Notwithstanding anything to the contrary contained in this Limited Guaranty, the Guaranteed Party hereby agrees that to the extent Buyer is relieved for any reason from its obligations under the Purchase Agreement pursuant to the terms thereof that correspond to the Obligations hereunder, the Guarantor shall be similarly relieved of the Obligations under this Limited Guaranty to the extent thereof. The Guaranteed Party acknowledges that the Guarantor is agreeing to enter into this Limited Guaranty in reliance on the provisions set forth in this Section 3. This Section 3 shall survive termination of this Limited Guaranty.

The Guarantor hereby covenants and agrees that it shall not institute, directly or indirectly, and shall cause its Affiliates not to institute, any proceeding asserting that this Limited Guaranty is illegal, invalid or unenforceable in accordance with its terms. The Guarantor hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or may

hereafter acquire against the Guaranteed Party, Buyer or any other Person interested in the transactions contemplated by the Purchase Agreement that arise from the existence, payment, performance or enforcement of the Guarantor's Obligations under or in respect of this Limited Guaranty or any other agreement in connection therewith, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of the Guaranteed Party against Buyer or such other Person, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from Buyer or such other Person, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the Guarantor's Obligations and all other amounts payable under this Limited Guaranty shall have been paid in full in cash. If any amount shall be paid to the Guarantor in violation of the immediately preceding sentence at any time prior to the payment in full in cash of the Guarantor's Obligations, such amount shall be received and held in trust for the benefit of the Guaranteed Party, shall be segregated from other property and funds of the Guarantor and shall forthwith be paid or delivered to the Guaranteed Party in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the Obligations, in accordance with the terms of the Purchase Agreement, whether matured or unmatured.

4. NO WAIVER; CUMULATIVE RIGHTS; AMENDMENTS. No failure on the part of the Guaranteed Party to exercise, and no delay in exercising, any right, remedy or power hereunder or under the Buyer Parent Commitment Letter or the Purchase Agreement shall operate as a waiver thereof, nor shall any single or partial exercise by the Guaranteed Party of any right, remedy or power hereunder preclude any other or future exercise of any right, remedy or power hereunder. Each and every right, remedy and power hereby granted to the Guaranteed Party or allowed it by applicable Law or other agreement shall be cumulative and not exclusive of any other, and may be exercised by the Guaranteed Party at any time or from time to time. No provision hereof shall be modified, altered or limited except by written instrument expressly referring to this Limited Guaranty and to such provision, and executed by the Guaranteed Party and the Guarantor.

5. REPRESENTATIONS AND WARRANTIES. The Guarantor hereby represents and warrants to the Guaranteed Party that:

8. CONTINUING LIMITED GUARANTY. This Limited Guaranty may not be revoked or terminated and shall remain in full force and effect and shall be binding on the Guarantor, its successors and permitted assigns until all of the Obligations have been indefeasibly paid, observed, performed or satisfied in full. Notwithstanding the foregoing, this Limited Guaranty shall terminate and the Guarantor shall have no further obligations under this Limited Guaranty as of the earlier of (a) the Closing and (b) the date that is sixty (60) days after any termination of the Purchase Agreement in accordance with its terms, except that if any claim to enforce the payment of the Obligations is made by the Guaranteed Party to or against Buyer or the Guarantor prior to such date, the expiration of this Limited Guaranty shall be automatically extended until the date immediately following the date upon which such claim is finally satisfied or otherwise resolved by agreement of the parties thereto or by a final, non-appealable judgment of a court of competent jurisdiction (subject to Section 11). Notwithstanding the foregoing, in the event that the Guaranteed Party, or any of its Affiliates expressly asserts in writing in any litigation or other legal or arbitration proceeding that any of the other provisions of this Limited Guaranty are illegal, invalid or unenforceable in whole or in part, or asserts in writing in any litigation or other legal or arbitration proceeding any theory of liability against the Guarantor or any other Buyer Affiliates (as defined below) (other than Buyer under the Purchase Agreement, the Guarantor under this Limited Guaranty or the parties to the Buyer Parent Commitment Letter (in their capacity thereunder) under the Buyer Parent Commitment Letter) with respect to the transactions contemplated by the Purchase Agreement, then (i) the obligations of the Guarantor under this Limited Guaranty shall terminate *ab initio* and be null and void, (ii) if the Guarantor has previously made any payments under this Limited Guaranty, it shall be entitled to receive the amount of all such payments from the Guaranteed Party and (iii) neither the Guarantor nor any other Buyer Affiliates shall have any liability to the Guaranteed Party with respect to the transactions contemplated by the Purchase Agreement or under this Limited Guaranty.

9. NO RECOURSE. Notwithstanding anything to the contrary in this Limited Guaranty, and notwithstanding the fact that the Guarantor may be a corporation, partnership or limited liability company, by its acceptance of the benefits of this Limited Guaranty, the Guaranteed Party acknowledges and agrees that, (a) it has no right of recovery

against, and no personal liability shall attach to, the former, current or future stockholders, directors, officers, trustees, employees, agents, Affiliates, members, managers, owners, general or limited partners or assignees of the Guarantor (other than Buyer) or Buyer (other than the Guarantor) or any former, current or future stockholder, director, officer, trustee, employee, general or limited partner, member, manager, Affiliate, agent or representative of any of the foregoing (other than under the Confidentiality Agreement, Buyer under the Purchase Agreement or the other Transaction Documents to which it is a party, and the Guarantor hereunder and under the Buyer Parent Commitment Letter) (collectively, the “**Buyer Affiliates**”), through Buyer or otherwise, whether by or through attempted piercing of the corporate veil, by or through a claim by or on behalf of Buyer against any such Buyer Affiliate, by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any applicable Law, or otherwise, except for the Guaranteed Party’s right to recover from Buyer or the Guarantor (but not any other Buyer Affiliate (including, without limitation, any general partner, managing member or other controlling party)) under and to the extent provided in the Purchase Agreement, this Limited Guaranty, the Confidentiality Agreement or the Buyer Parent Commitment Letter and the limitations described herein and (b) other than with respect to any recourse against the Guarantor and the other Buyer Affiliates pursuant the Buyer Parent Commitment Letter, recourse against the Guarantor under this Limited Guaranty shall be the sole and exclusive remedy of the Guaranteed Party and all of its Affiliates against the Guarantor and the other Buyer Affiliates (other than Buyer) in respect of any payment liabilities or payment obligations arising under, or in connection with, the Purchase Agreement or the transactions contemplated thereby (provided, that, following the Closing, this Section 9 shall not in any way limit claims by the Guaranteed Party for indemnification or other post-Closing obligations contemplated by the Purchase Agreement or the other Transaction Documents). Nothing set forth in this Limited Guaranty shall affect or be construed to affect or limit any liability of Buyer to the Guaranteed Party or shall confer or give or shall be construed to confer or give to any Person other than the Guaranteed Party (including, without limitation, any Person acting in a representative capacity) any rights or remedies against any Person other than the Guarantor as expressly set forth herein.

10. CONFIDENTIAL TREATMENT. This Limited Guaranty shall be treated as confidential and is being provided to the Guaranteed Party solely in connection with the execution and delivery of the Purchase Agreement and may not be used, circulated, quoted or otherwise referred to in any document (other than the Purchase Agreement), except (a) with the prior written consent of the Guarantor, (b) as disclosed to the Guaranteed Party’s Affiliates and the Guaranteed Party’s and its Affiliates’ respective officers, directors, members, Affiliates, advisors and consultants who, in each case, need to know the terms of this Limited Guaranty in connection with the negotiation or furtherance of the transactions contemplated by the Purchase Agreement and who are directed to treat this Limited Guaranty as confidential or (c)(i) as otherwise required by any Governmental Authority to be disclosed under applicable Law or any applicable listing agreement with, or rules and regulations of, an applicable securities exchange, or in connection with any required regulatory filings relating to the transactions contemplated by the Purchase Agreement, (ii) for purposes of compliance with any bona fide financial reporting obligation (in case of either (i) or (ii) the Guaranteed Party, to the extent legally permissible, shall provide the Sponsor with prompt written notice so that the Sponsor may seek a protective order or other appropriate remedy and/or waive compliance with the provisions of this Section 10) or (iii) in connection with a routine audit or examination by, or a blanket document request from, a regulatory or self-regulatory authority, bank examiner or auditor. Notwithstanding the

foregoing, nothing in this Section 10 shall restrict the Company, the Sellers, the Sellers' Representative or any of their respective Affiliates and their respective advisors from disclosing any information regarding this Limited Guaranty to a court or tribunal (including, without limitation, in any pleadings or filings therewith) in connection with any action brought by such person to enforce the Purchase Agreement or by the Guaranteed Party to enforce this Limited Guaranty, each in accordance with their terms.

11. GOVERNING LAW. This Limited Guaranty, and all claims and causes of action (whether in contract, tort, at law, in equity or otherwise) that may be based upon, arise out of, or relate to this Limited Guaranty, any of the transactions contemplated hereby or the negotiation, execution, performance or enforcement of this Limited Guaranty shall be governed by and construed in accordance with the law of the State of Delaware without giving effect to any choice or conflict of laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

12. CONSENT TO JURISDICTION. Each of the parties irrevocably submits to the exclusive jurisdiction of (i) state courts of the State of Delaware located in New Castle County and (ii) the United States District Court for the District of the State of Delaware for the purposes of any suit, action or other proceeding arising out of or relating to this Limited Guaranty, the negotiation, execution, performance and enforcement of this Limited Guaranty or any transaction contemplated hereby (and agrees not to commence any action, suit or proceeding relating hereto except in such courts). Each of the Parties further agrees that service of any process, summons, notice or document hand delivered or sent by recognized overnight carrier to such party's respective address set forth in Section 7 of this Limited Guaranty outside the territorial jurisdiction of the courts referred to in this Section 12 shall be effective service of process for any action, suit or proceeding in the State of Delaware with respect to any matters to which it has submitted to jurisdiction as set forth in the immediately preceding sentence. However, the foregoing shall not limit the right of a party to effect service of process on another party by any other legally available method. Each of the parties irrevocably and unconditionally waives any objection to the laying of venue of any action, suit or proceeding arising out of or relating to this Limited Guaranty or the transactions contemplated hereby in (i) state courts of the State of Delaware located in New Castle County or (ii) the United States District Court for the District of the State of Delaware, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum. Notwithstanding the foregoing, each party agrees that a final judgment in any action or proceeding so brought shall be conclusive and may be enforced by suit on the judgment in any jurisdiction or in any other manner provided in law or in equity.

13. WAIVER OF JURY TRIAL. EACH OF THE PARTIES IRREVOCABLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER, IN CONNECTION WITH OR RELATING TO THIS LIMITED GUARANTY, ANY OF THE TRANSACTIONS CONTEMPLATED BY THIS LIMITED GUARANTY OR THE ACTIONS OF THE PARTIES

IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE OR ENFORCEMENT
HEREOF.

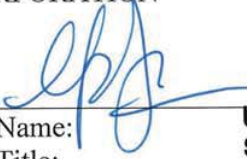

14. ENTIRE AGREEMENT. Together with the Purchase Agreement and any other agreement entered into in connection therewith, including, without limitation, the Buyer Parent Commitment Letter and the Confidentiality Agreement, this Limited Guaranty contains the complete agreement among the parties hereto and supersedes any prior understandings, agreements or representations by or between such parties, whether written or oral, or any prior course of dealing among them, which may have related to the subject matter hereof in any way.

15. COUNTERPARTS. This Limited Guaranty may be executed in multiple counterparts (including, without limitation, by means of facsimile, email or other electronic transmission (including, without limitation, in .pdf or .tif formats) signature pages), all of which, taken together, shall constitute one and the same Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and the mutual covenants and promises herein made, and in consideration of the representations and warranties herein contained, and for other good and valuable consideration the adequacy of which is hereby acknowledged, the Parties, intending to become legally bound, hereby agree as follows:

ARTICLE I.
JOINDER; PURCHASE AGREEMENT OBLIGATIONS

By execution and delivery of this Agreement:

Section 1.1 Upon the terms and subject to the conditions of this Agreement and the Purchase Agreement applicable to Seller and the Purchased Assets (which shall be applied *mutatis mutandis* to Additional Seller and the Additional Purchased Assets), Additional Seller shall sell, grant, convey, assign, transfer and deliver to Buyer, and Buyer hereby agrees to purchase, acquire, assume and accept from Additional Seller, free and clear of any and all Liens (other than Liens arising under the LLC Agreement or the Loan Agreement, as the case may be, and restrictions on sales of securities under applicable securities Laws) (i) all of Additional Seller's right, title and interest in and to the Additional Purchased Assets and (ii) all of the obligations, liabilities, covenants, duties and agreements arising out of, under or relating to, the Additional Purchased Assets from and after the Closing, for an amount equal to the Purchase Price (calculated pursuant to and in accordance with the Purchase Agreement), divided by (i) 23.88717940 and then multiplied by (ii) 0.05442739772; *provided* that, for the avoidance of doubt, Buyer is not assuming any of the Additional Seller's obligations, Liabilities, covenants, duties or agreements arising out of, under or relating to (i) any action or omission of Additional Seller at or prior to the Closing, (ii) the period prior to the Closing, or (iii) Section 7.04(f) of the LLC Agreement with respect to any of the Required Regulatory Approvals in connection with the transactions contemplated hereby or any Other PSA.

Section 1.2 Subject to ARTICLE I. Section 1.3, effective as of the date hereof, the Additional Seller hereby agrees to join and agrees to comply with and to be bound by, the terms of the Purchase Agreement applicable to Seller and the Purchased Assets (which shall be applied *mutatis mutandis* to Additional Seller and the Additional Purchased Assets), including, without limitation: (i) on a several and not joint basis and, where applicable, solely with respect to Additional Seller and not with respect to Seller, those representations and warranties set forth in Article III of the Purchase Agreement, (ii) the conditions set forth in Article VI of the Purchase Agreement to the consummation of the transactions contemplated hereby and thereby, (iii) on a several and not joint basis, the indemnification obligations forth in Article VII of the Purchase Agreement, (iv) the releases and limitations on liability in the Purchase Agreement (both for the benefit of Buyer and the benefit of Seller); (v) the covenants and agreements in the Purchase Agreement, in each case that are applicable to Seller and the Purchased Assets, as if Additional Seller had executed the Purchase Agreement on the Agreement Date. For purposes of this Agreement and the Purchase Agreement, "Knowledge" means, with respect to Additional Seller, the actual knowledge of any individual set forth on Schedule I attached hereto.

Section 1.3 Additional Seller shall not be responsible for the breach by Seller of any of the representations, warranties or covenants made by Seller with respect to itself (and Seller shall not be responsible for the breach by Additional Seller of any of the representations, warranties or covenants made by Additional Seller with respect to itself), and each of Seller and Additional Seller shall only be severally and not jointly responsible for its Pro Rata Share (as defined below) of any indemnifiable Damages for the breach of any of the representations, warranties or covenants (or parts thereof) made by Seller and Additional Seller with respect to any of the Company Entities. Further, each of Seller and Additional Seller shall only be severally

and not jointly responsible for, without right of reimbursement from Buyer, its Pro Rata Share of all Transaction Expenses incurred by any of the Company Entities to be borne by Seller pursuant to Sections 9.10 (b) and (c) of the Purchase Agreement whether or not the transactions contemplated by the Purchase Agreement and this Agreement are consummated. “Pro Rata Share,” with respect to Seller and Additional Seller, means the ratio that (x) the number of Class A Units being acquired by Buyer from Seller or Additional Seller, as the case may be, bears to (y) the total number of Class A Units being acquired by Buyer from both Seller and Additional Seller. Notwithstanding anything to the contrary herein, each of Seller and Additional Seller shall only be severally and not jointly liable for its Pro Rata Share of any liability arising from or in connection with this Agreement or the Purchase Agreement (*provided*, that each of Seller and Additional Seller shall be solely responsible for any breach of any representation or warranty made by it herein or therein with respect to itself and any breach or non-performance of any covenant of itself herein or therein).

Section 1.4 For the avoidance of doubt, the Seller Parent Guarantee shall not cover, nor be deemed to cover, any of the obligations of Additional Seller under this Agreement (or the Purchase Agreement).

Section 1.5 Under no circumstance shall Buyer be required to consummate the transactions contemplated by this Agreement unless the transactions contemplated by the Purchase Agreement are being consummated simultaneously.
