To Our Valued Customers:

Sunshine Disposal and Recycling has filed a proposed change to our Tariff G-260 with the Washington Utilities and Transportation Commission. The purpose of this letter is to inform you of the details of this proposal, as it will affect your refuse service bill.

The Stevens County Commissioners have imposed a tipping fee increase at the Stevens County Landfill and Transfer Stations. The new tipping fee rate will be \$45.00 per ton for all refuse delivered to the landfill. The new rate will be \$68.00 per ton for all refuse delivered to the Transfer Stations. This increase will be effective March 1, 2005. Sunshine Disposal & Recycling has asked the Commission to approve these rate changes for our Tariff.

Sunshine Disposal is not filing any other rate changes at this time. You may comment on the proposed changes listed in this letter in writing to:
