Re: *Maskina Penalty Assessment*
Docket No. UT-051707

Dear Ms. Washburn:

Enclosed for filing in the above-referenced docket are the original and 12 copies of Staff's Corrected Response to Maskina Communications, Inc.'s Application for Mitigation and the accompanying Certificate of Service. The Corrected Response corrects an error in the last sentence of paragraph 2. In the Response, that sentence read, "For the reasons given below, Commission Staff (Staff) does not support any mitigation of the penalty." As revised in the Corrected Response, the sentence now reads, "For the reasons given below, Commission Staff (Staff) *supports* mitigation of the penalty" (emphasis added).

Sincerely,

JENNIFER CAMERON-RULKOWSKI
Assistant Attorney General
