RE: Request for Approval of Amendment to Negotiated Wireless Traffic Exchange Agreement between TDS Telecommunications Corporation and AT&T Mobility.

Dear Mr. Danner:

TDS Telecommunications Corporation (TDS) as an agent for Lewis River Telephone Company d/b/a TDS Telecom, has entered into an amended wireless traffic exchange agreement with New Cingular Wireless PCS, LLC and its Commercial Mobile Radio Services ("CMRS") operating affiliates, operating as AT&T Mobility. This filing amends the agreement approved in Docket Number UT-053086. One copy of the agreement has been enclosed for filing with this Commission in addition to a copy of the completed UTC form requesting approval of a fully negotiated interconnection agreement.

TDS respectfully requests approval of this agreement as filed.

If you have questions regarding this agreement, please contact Linda Robinson of TDS at (865)671-4758 or myself at (503)656-8399. Thank you in advance for your assistance in this matter.

Sincerely,

Gail M. Long
