Tri-City and Olympia Railroad GCPF Projects

On May 17, 2006, the Washington Utilities and Transportation Commission (commission) awarded GCPF grants totaling \$28,821 for upgrades to crossings located in the Tri-Cities area. The commission also approved advance payments totaling \$25,584 for these projects. The advance payment was issued to the company in June 2006.

On July 13, 2007, the applicant, Tri-City and Olympia Railroad submitted a request for reimbursement for work pursuant to commission orders. On June 25, 2007, commission staff conducted site visits to all crossings and verified that the projects are completed according to the specifications outlined in the orders approving the grants.
