PENALTY ASSESSMENT NO: TC-060989

PENALTY AMOUNT: \$100

WASHINGTON UT. & TP. COM

TO: EACH OF THE 10 AUTO TRANSPORTATION COMPANIES LISTED IN ATTACHED APPENDIX A

NO MONIES ENCLOSED

The commission believes that you have committed one violation of Washington Administrative Code 480-30-120 which requires auto transportation companies to file annual reports with the commission by May 1 each year. You are classified as such a company. Commission records show that you did not make the filing by the required date of May 1, 2006. (See Appendix A for individual companies' report status as of June 14, 2006.) Revised Code of Washington (RCW) 81.04.405 allows penalties of \$100 for every such violation.

As a result, the commission hereby notifies you that it has assessed penalties against you in the amount \$100, as follows:

On March 8, 2006, the commission mailed 2005 Annual Report forms and 2006 Regulatory Fee packets to you and other auto transportation companies registered in Washington State. A letter from Executive Secretary Carole Washburn instructed each company to file its annual report and pay its regulatory fees by May 1, 2006. The letter stated that failure to file your annual report by May 1 would result in a penalty and possible revocation of your registration to operate in Washington. Companies needing more time to file the annual report were permitted to request an extension before May 1, and to explain why the extension was needed. You did not request an extension of time and did not file your annual report before the deadline.

This information, if proved at a hearing and not rebutted or explained, is sufficient to support the penalty assessment.

Your penalty is due and payable now. If you believe the violation did not occur, you may request a hearing to contest the penalty assessment. If there is a reason for the violation that you think should excuse you from the penalty, you may ask for mitigation (reduction) of this penalty. See RCW 81.04.405.
