

Memorandum

June 29, 2007

To: TR-061652 - File

From: Kathy Hunter, Transportation Safety Compliance Manager

Subject: TR-061652 – The Northwest Railway Museum GCPF Project

On December 13, 2006 the Washington Utilities and Transportation Commission (commission) awarded a GCPF grant of \$3,250 to install high security locks and no trespassing signs for high traffic areas on Snoqualmie Valley Railroad's routes. The railroad operates in Snoqualmie, Washington.

On June 29, 2007, The Northwest Railway Museum submitted a request for reimbursement for work pursuant to commission order. Commission staff conducted a site visit on June 26, 2007, and verified that the project was completed according to the specifications outlined in the order approving the grant.
