WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION:

I'M WRITING IN REGARDS TO THE RATE INCREASE HARRISON RAY WATER COMPANY IS PROPOSING:

WE MOVED INTO HARRISON RAY SUBDIVISION IN 1977. WE ASK TOM HARRISON ABOUT IRRIGATION, HIS COMMENT WAS I CAN SUPPLY ALL THE WATER YOU WILL NEED AT NO EXTRA CHARGE. SO I WILL NOT BE PUTTING THE IRRIGATION IN. IF HE GETS THIS INCREASE HE WILL BE GETTING THE EXTRA CHARGE.

THE WATER WE STARTED OUT WITH WAS SO HARD IT TOOK OVER 30 DROPS ON THE WATER HARDNESS TEST. SO HARRISON DRILLED A NEW WELL AND IT WAS HIGH IN NITRATES SO HE BLENDED THE WELL AND THE WATER WAS SO BAD BABIES ,MOTHERS AND ELDERLY COULD NOT DRINK IT. WE SPENT OVER \$1,000.00 FOR A WATER SOFTENER. SO HARRISON DRILLED ANOTHER WELL AND IT HAS SOMETHING THAT MAKES THE WATER SMELL LIKE SEWAGE WATER. SO MAYBE I GOT MY IRRIGATION BECAUSE THIS IS THE WATER WE HAVE AS HOUSEHOLD WATER AND HE WOULD LIKE MORE MONEY FOR THIS. WE PURCHASED A WATER PURIFIER TO MAKE THE WATER TASTE LIKE WATER AND PAY \$20.00 EVERY TWO MONTHS FOR FILTERS

**HE IS CUTTING BACK BASE RATE 500 CU.FT. TO "0"
HE IS CUTTING BACK RATE 501-5000 CU. FT. TO 0-1500 CU FT
HE IS CUTTING BACK RATE OVER 5000 CU FT TO 1500-4000 CU FT
HE IS INCREASING A RATE OF 4001 AND UP**

AND TRYING TO INCREASE THE RATE AND GIVE LESS WATER FOR MORE MONEY.

ISN'T THIS DOUBLE DIPPING?
