Re: Yakima Rate Center Numbering Waiver
UT-080213

Dear Ms. Washburn:

Attached for filing please find a redacted and un-redacted copy of the customer letter pertaining to the Numbering Waiver Request submitted by Qwest Communications on January 31, 2008. This new letter from the customer was requested by Ms. Rebecca Beaton on February 12, 2008.

Thank you for your attention to this matter. Should you have any questions or concerns about this request, please contact Kevin D. Manwarren at (303) 896-1016 or kevin.manwarren@qwest.com. We would appreciate being copied on any correspondence with PA/NeuStar.

Very truly yours,

 Per Mark S. Reynolds

State Safety Valve Numbering Requests

1. Date of request

1-08-2008

2. Location of service and reason for the specific request.

 has run out of TNs in the following locations and need them replenished:

Attachment A

Redacted

3. Quantity of TNs customer requires and (if applicable) any existing TNs that will be returned.

will not be returning any numbers to QC.

4. Date customer wants TNs available for service and the date they will actually be used. :

We need these TNs as soon as possible. Our customers are waiting to utilize them, so they will be used as soon we receive them.

5. If required by the customer: Specific TN range requirements, and why those ranges are needed.

We do not require any specific TN ranges.

6. If required by the customer: Specific NXX requirements/restrictions, and the reason for the specific request

Blocks cannot begin with 0,1,8, or 9 (i.e. 509-NXX-0, 509-NXX-1, etc.) due to our internal dialing plan.

Sincerely,

Attachment A
