Docket No. UT-080522

Carole Washburn, Executive Secretary
Washington Utilities and
Transportation Commission
P.O. Box 47250
Olympia, Washington 98504-7250

Dear Ms. Washburn:

On April 10, 2008, the Commission approved a Less Than Statutory Notice Request to allow Qwest to increase the Lakewood, WA occupational and effective tax billing rate from 4% to 6%, effective April 1, 2008. This letter is to notify the Commission that this tax rate change actually occurred on April 19, 2008.

If the Commission believes that this letter provides sufficient documentation of the date of the actual tax rate change then no further action is required. If the Commission believes that Qwest needs to reflect the date of the actual tax rate change as the effective date of its tariff, then Qwest requests that the Commission reopen Docket UT-080522 and approve the attached replacement tariff page which reflects April 19, 2008, as the effective date of the tax rate change.

If you have questions concerning this filing please contact me.

Yours very truly,

Mark Reynolds
