RE: Notice of Intent to Send to Collections, Penalty Assessment No. UW-101047

Dear Sir or Madam:

As you are aware, on June 30, 2010, the Washington Utilities and Transportation Commission issued a Penalty Assessment against South Bainbridge Water System, Inc. in the amount of \$400 for violation of WAC 480-110-505, which requires water companies to file an annual report with the commission by May 1 each year. South Bainbridge Water System, Inc. failed to file its 2007 and 2008 annual reports in a timely manner, and has failed to file its 2009 annual report. The commission sent South Bainbridge Water System, Inc. a Second Notice on August 20, 2010, and a Final Notice on September 20, 2010. After deducting the \$11.98 overpaid on your regulatory fee, South Bainbridge Water System, Inc. owes the commission \$388.02.

The commission has not received the \$388.02 payment due and owing.

This is to notify you that the commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$388.02 balance.

If you have any questions about this letter or about the company's obligations under commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

SALLY BROWN
